I WANT YOU! to answer my questions!

This conversation took place on Friday the 13th, 2016, via home satellite Oddisee technology between Emily the Strange, Rob Reger, and Buzz Parker with several interruptions from Jessica Gruner, Brian Brooks, Shawna Gore, and Emily's four bad kitties, Mystery, Miles, NeeChee, and Sabbath.

Emily: You are all patched in on my new and improved Oddisee 13 . . . although our connection is a bit fuzzy . . . maybe too many furballs in the 8-ball.

RR: I smell ya. Wussup? Still strange?
BP: Sweet machine you have us connected to. Guess who drew it?
JG: Flabbering Shazbats! Thanks for the catcall!
BB: Hey Em, how you be? Long time no see ya!
SG: Kitty Remmington at your service!

E: First off, what the flabberjacks is that jagged white shape that's always on top of my head?
RR: It's supposed to be a shine of light on your hair but became a trademarked look for you and part of what sets your look apart from other characters with long black hair and bangs.
BP: Hmmm, I thought it was a crack in your head where your thoughts spill out.
BB: As I recall, that jagged shine crown was a remnant of the electricity that was released when you were created. I'm sure you've realized by now that you are able to emit bolts of lightning from your head when provoked.

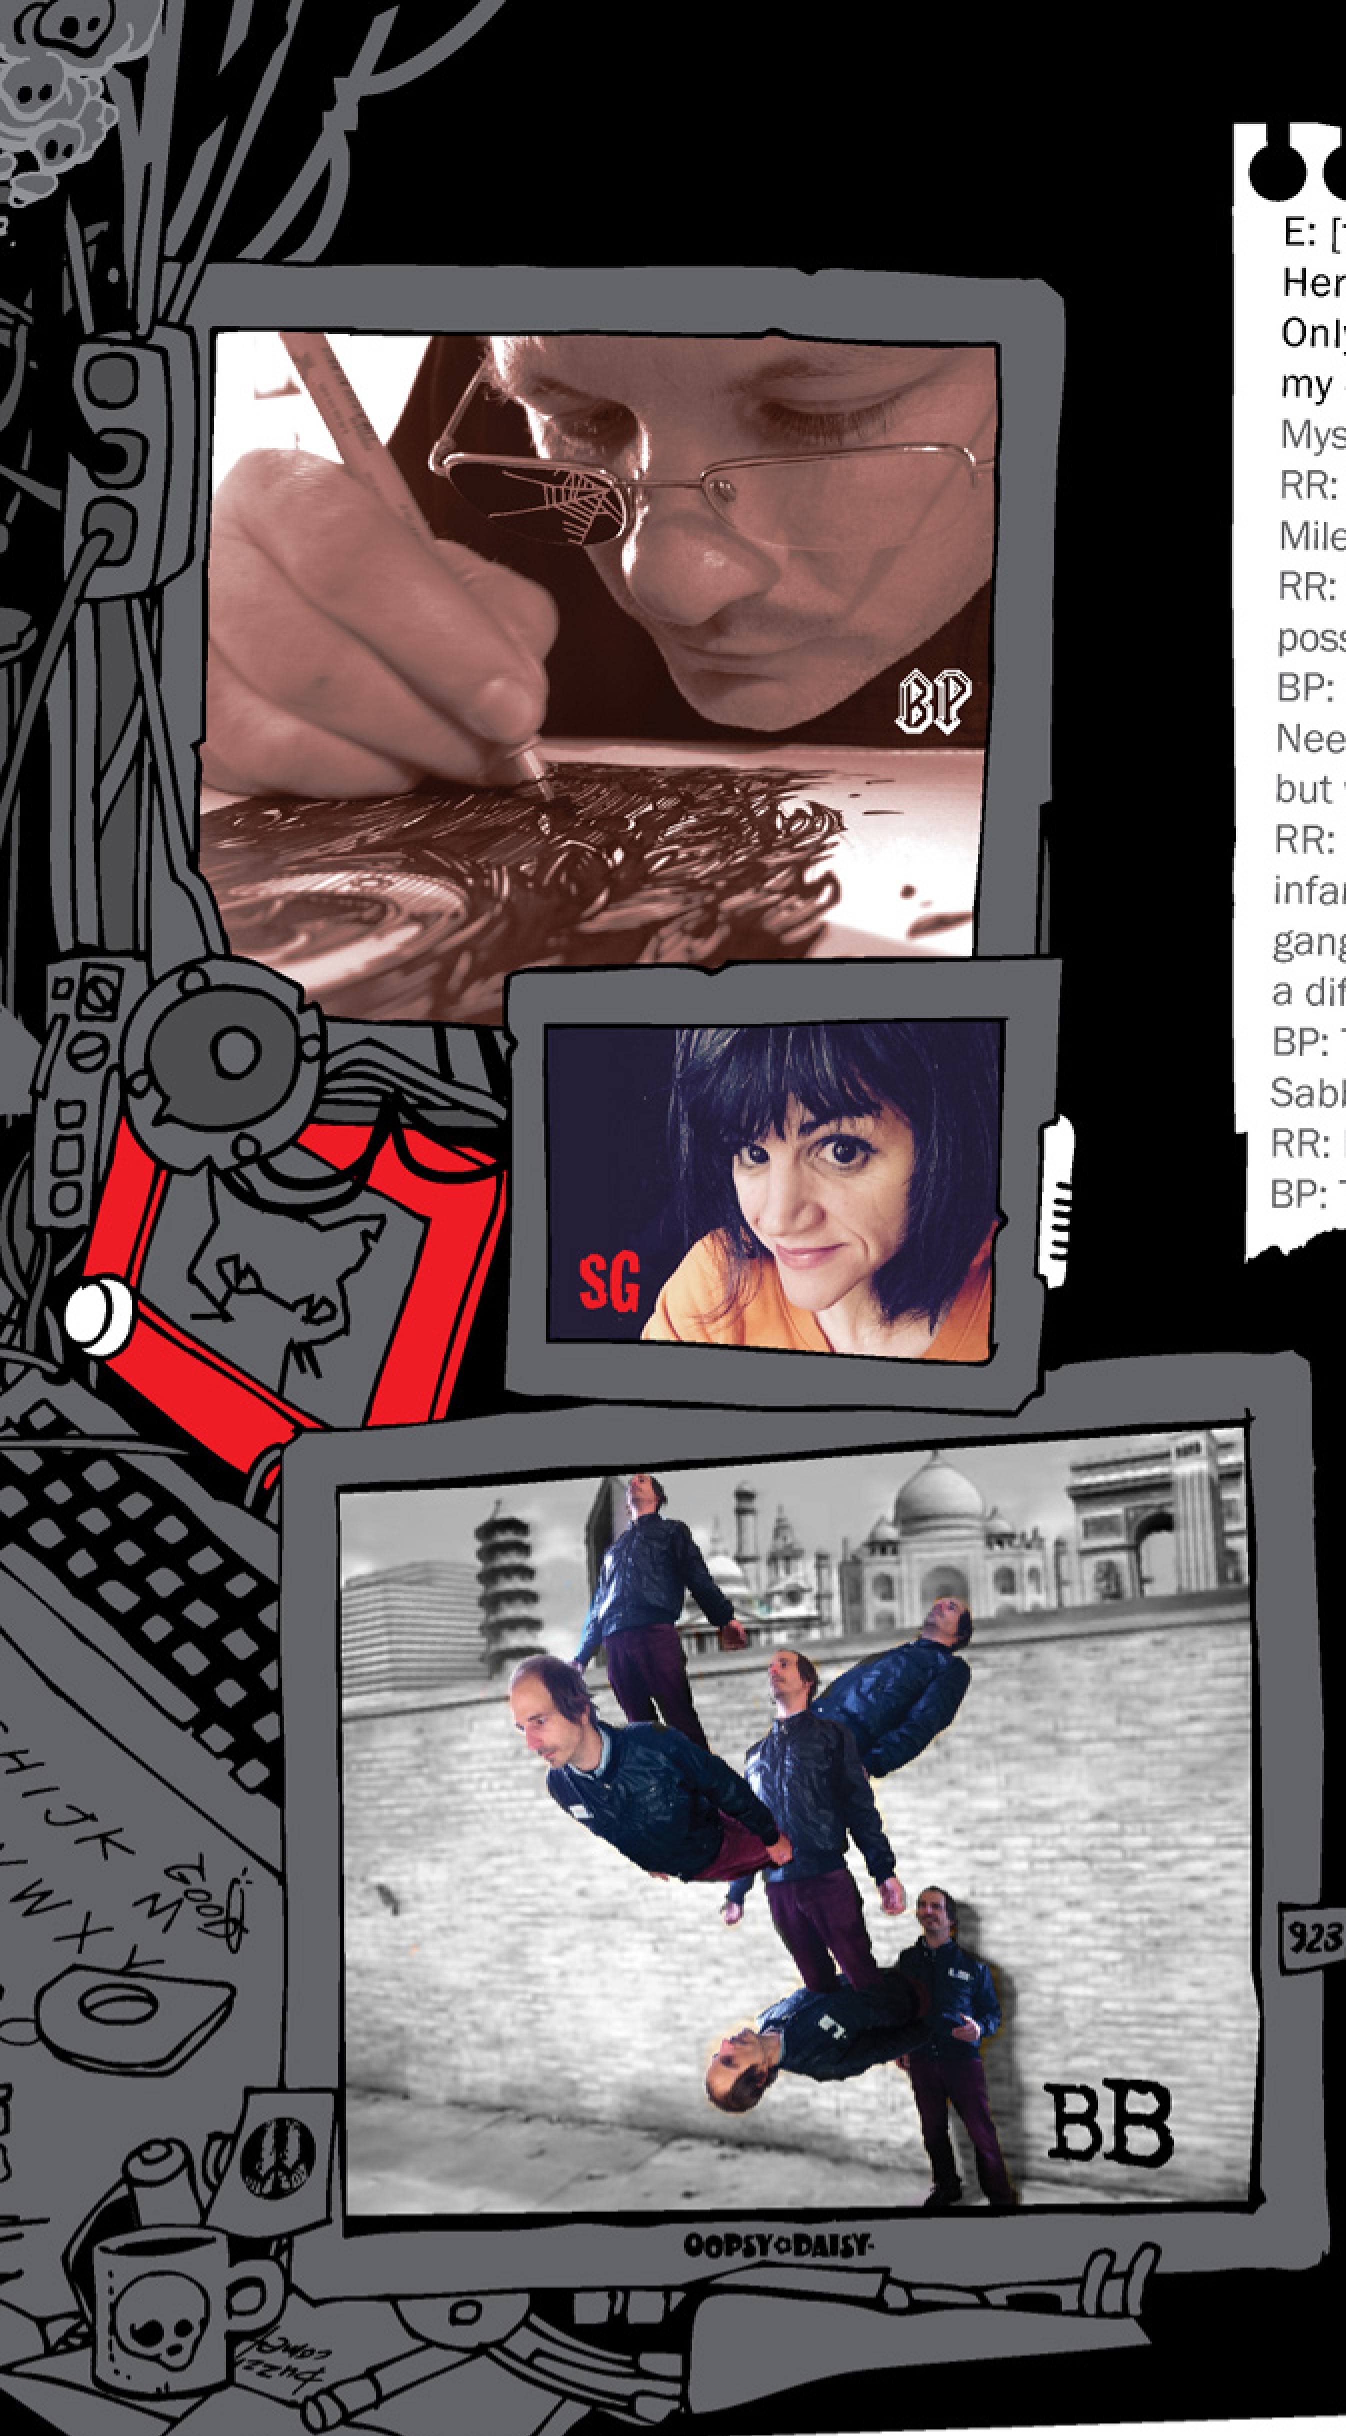
E: Why am I always wearing the same farking outfit?
BB: We didn't want you to have to spend half the day wondering what to wear. And, as you know, it only looks the same to the untrained eye. Sometimes subtleties are loud.
RR: Practicality. For you AND me . . . It made sense to keep your character looking the same, so you would be recognizable when you were seen on T-shirts. I always wanted people to know who you were the moment they saw you, so keeping you in the same outfit supported that intention . . . and what Brian says.

E: Why am I perpetually 13, given that I have existed for 23 years now?
RR: It's standard in a lot of cartoons and comics to keep the main characters the same age like that. Think The Simpsons . . . I'm sorry that hasn't allowed you to legally drive, but hey, you like breaking rules! And we did give you the brain of a genius that rivals the smartest 60-year-old, in a 13-year-old body! Which is pretty cool if you think about it.
JG: We didn't want you to learn and grow too much. At some point we'll probably have to make you stop making bad decisions and taking stupid risks and stuff, but I LIKE your bad decisions.

E: Why work with Dark Horse?
RR: We were introduced to an upcoming young editor at Dark Horse—Shawna Gore. She shared our vision that a world with a bit more strange in it would make it a better place. AND they make movies!
SG: Emily, I think this one is partly on me. First, probably more than almost anyone out there, I think I understand your world and the things you care about. So when Rob and Buzz were looking for a comics publisher and an editor to help them bring your stories to life, I pushed my way (and Dark Horse's) to the front of that line. It ended up being a great fit, I think, because Rob and Buzz would come at me with their ambitious, over-the-top story ideas, and I used my years of editing experience (while keeping your stories true to YOU) to help shape those ideas into stories that made sense without removing the wonderment and weirdness at the heart of things. Three heads are better than two, or however that saying goes.

E: I hear that I have a lot of fans.
Rob, you have met a lot of them. I'm really not that interested in meeting anyone myself, but what is that like to meet them on my behalf? What secrets do you tell them about me?
RR: It's been really interesting meeting your fans—they each have a story to tell . . . Often it's when you were introduced into their lives at just the right moment, inspiring them to be themselves, reminding them that they were not truly "alone," and that being different is totally awesome! I sometimes tell them that you are secretly a cat, or about your secret crush on (1980s) Eddie Van Halen . . .

E: I am pleased to be a character that has a very diverse musical library and tastes—from Maiden to Bowie to Coltrane—but really, why all the Neil Diamond and Eddie Van Halen references?
RR: We use you like a jukebox for our own musical tastes—to try to turn your fans on to cool music. It's also about you living up to being a "strange" character with eclectic tastes. As for EVH, I think that just goes back to when I was your age and Van Halen meant more to me than just about anything else . . . Neil? Well . . . I still find "porcupine pie" and "chicken ripple ice cream" to be perfectly strange . . .
BP: Album covers were always an inspiration to me growing up. The way cover art influences how we perceive what's



inside is a weird analogy of your world and how people perceive you, Emily. Back in Black's a no-brainer, and inversely, the White Album is a bizarre roller coaster we knew you would dig!

E: [to her four cats] You guys have your cat translators all set up? Here's your chance to ask the big cheeses some questions . . . Only one question each—you are all still grounded for shredding my curtains!

Mystery: Am I really Emily? Is Emily really me?

RR: That's two questions! And the big mystery, isn't it?!

Miles: Meow meow. Why the blind eye?

RR: We thought it looked cool. And set you apart from the rest of the posse. Sorry 'bout that; it was a fashion-over-function type of situation . . .

BP: Your little X eye lets you see more with the other than you think!

NeeChee: Thanks for the striped tail, and the ability to see in the dark, but who's this Nietzsche guy everyone keeps yammering about?

RR: We named you after a great German philosopher who was infamous for saying, "Dog is dead." We needed a real "thinker" in the gang, but didn't want people to have to think too much, so we gave it a different spelling. LOL!!

BP: That striped tail glows in the dark!

Sabbath: Yo! Where're y'all hiding the nip?

RR: Emily says I shouldn't give you any more. Sorry, pal.

BP: Too much of that stuff and you become too hard to draw, buddy.

E: You guys all essentially create my life, my every move, and are my "gods" of a sort . . . Why wouldn't you make my life all cush and fun without the nuisance of all these other people? Instead, you seem to constantly put me in conflict with a villain or myself! Why create that horrible, nasty El Viego to try to steal away my 13th Hour inheritance, and force me (for four issues!) to deal with that flagging barknap?

SG: I, for one, don't buy for a second that a life of cush and fun is one that would be interesting to you, Emily. The whole reason lots of people care about you is that you do things differently than most people. So we wanted to make sure you got to do things—lots of difficult and challenging and radical things. Those are stories—and a life—worth living.

JG: I'm probably supposed to say something about learning and growing here, but seriously, Em, don't you know it's all about OUR ENTERTAINMENT? [Rubbing hands together, cackling evilly] You are just way more fun, mad-genius, thinking-outside-the-box AWESOME when we get you in trouble. BTW, tell Sabbath to stop thinking outside the box. It's getting stinky.

E: You have often written about where my cats came from in my life. (Thank you very much, by the way. I love them to death!) Can you tell me what's behind the names of these cats from your side of the page?

RR: Okay. Sabbath is easy to explain. It all started with Ozzy and his band. I also once had a black cat I shared with my ex-girlfriend and we (I) named him Sabbath. He was a really cool cat that played fetch with us, and was a great buddy. He didn't live a long life, and naming one of your cats after him gave him new life! Miles, again, is named after a musician, Miles Davis . . . A great improviser, and the name of Jessica Gruner's cat (who was ironically white!)

JG: His full name was Miles Lavender of Cotton. Miles Lavender lived to a ripe old age and is now chasing rats in the clouds. Love ya, Miles!

RR: Mystery . . . We wanted a female "leader of the pack" with an ominous name. At first we called her Darthus (after Darth Vader) but thought better of that in case this racket caught on! The name Mystery allowed us to then give everyone a mystery to ponder . . . You know what I'm talking about! [wink wink, sniff sniff]

E: Is Aunt LaRue really dead? Can you please bring her back so we can hang?

RR: Spoiler alert. She's really dead. But perhaps we can have you go visit her as a dead person, or make her a zombie—would that be cool enough?

E: So . . . thanks to you two and your wacko teams at Cosmic Debris and Dark Horse, my likeness has graced nearly every type of gadget known to you humans . . . Why are you so apt to adorn all that stuff with me?

RR: We gotta pay for the next pages of your life!

BP: Like every last page says, "To Be Continued"!!

E: What compels you to keep me alive?

RR: Your readers and fans. Or perhaps that thing on my back.

E: How long do you think I have before I turn back into a cat?

RR: Only time will tell.

Wax 7 forms ideal slick surface for ants to play 8. That re-invents, interpolates, and imaginizes,
To visit strange worlds through her boring appliances...
Out of this world into a movie, book, song, or land...
Into the real, imaginative, and what no one can understand.
What you'll see in these strange places is up to you,
As you supply the source that tells the machine what to do.
You can sample anything,
from fossils to the gum on your shoe...
To keep you from being bored,
there's nothing this machine won't do.
Strange Brew...
2 tons Smashed grapes!

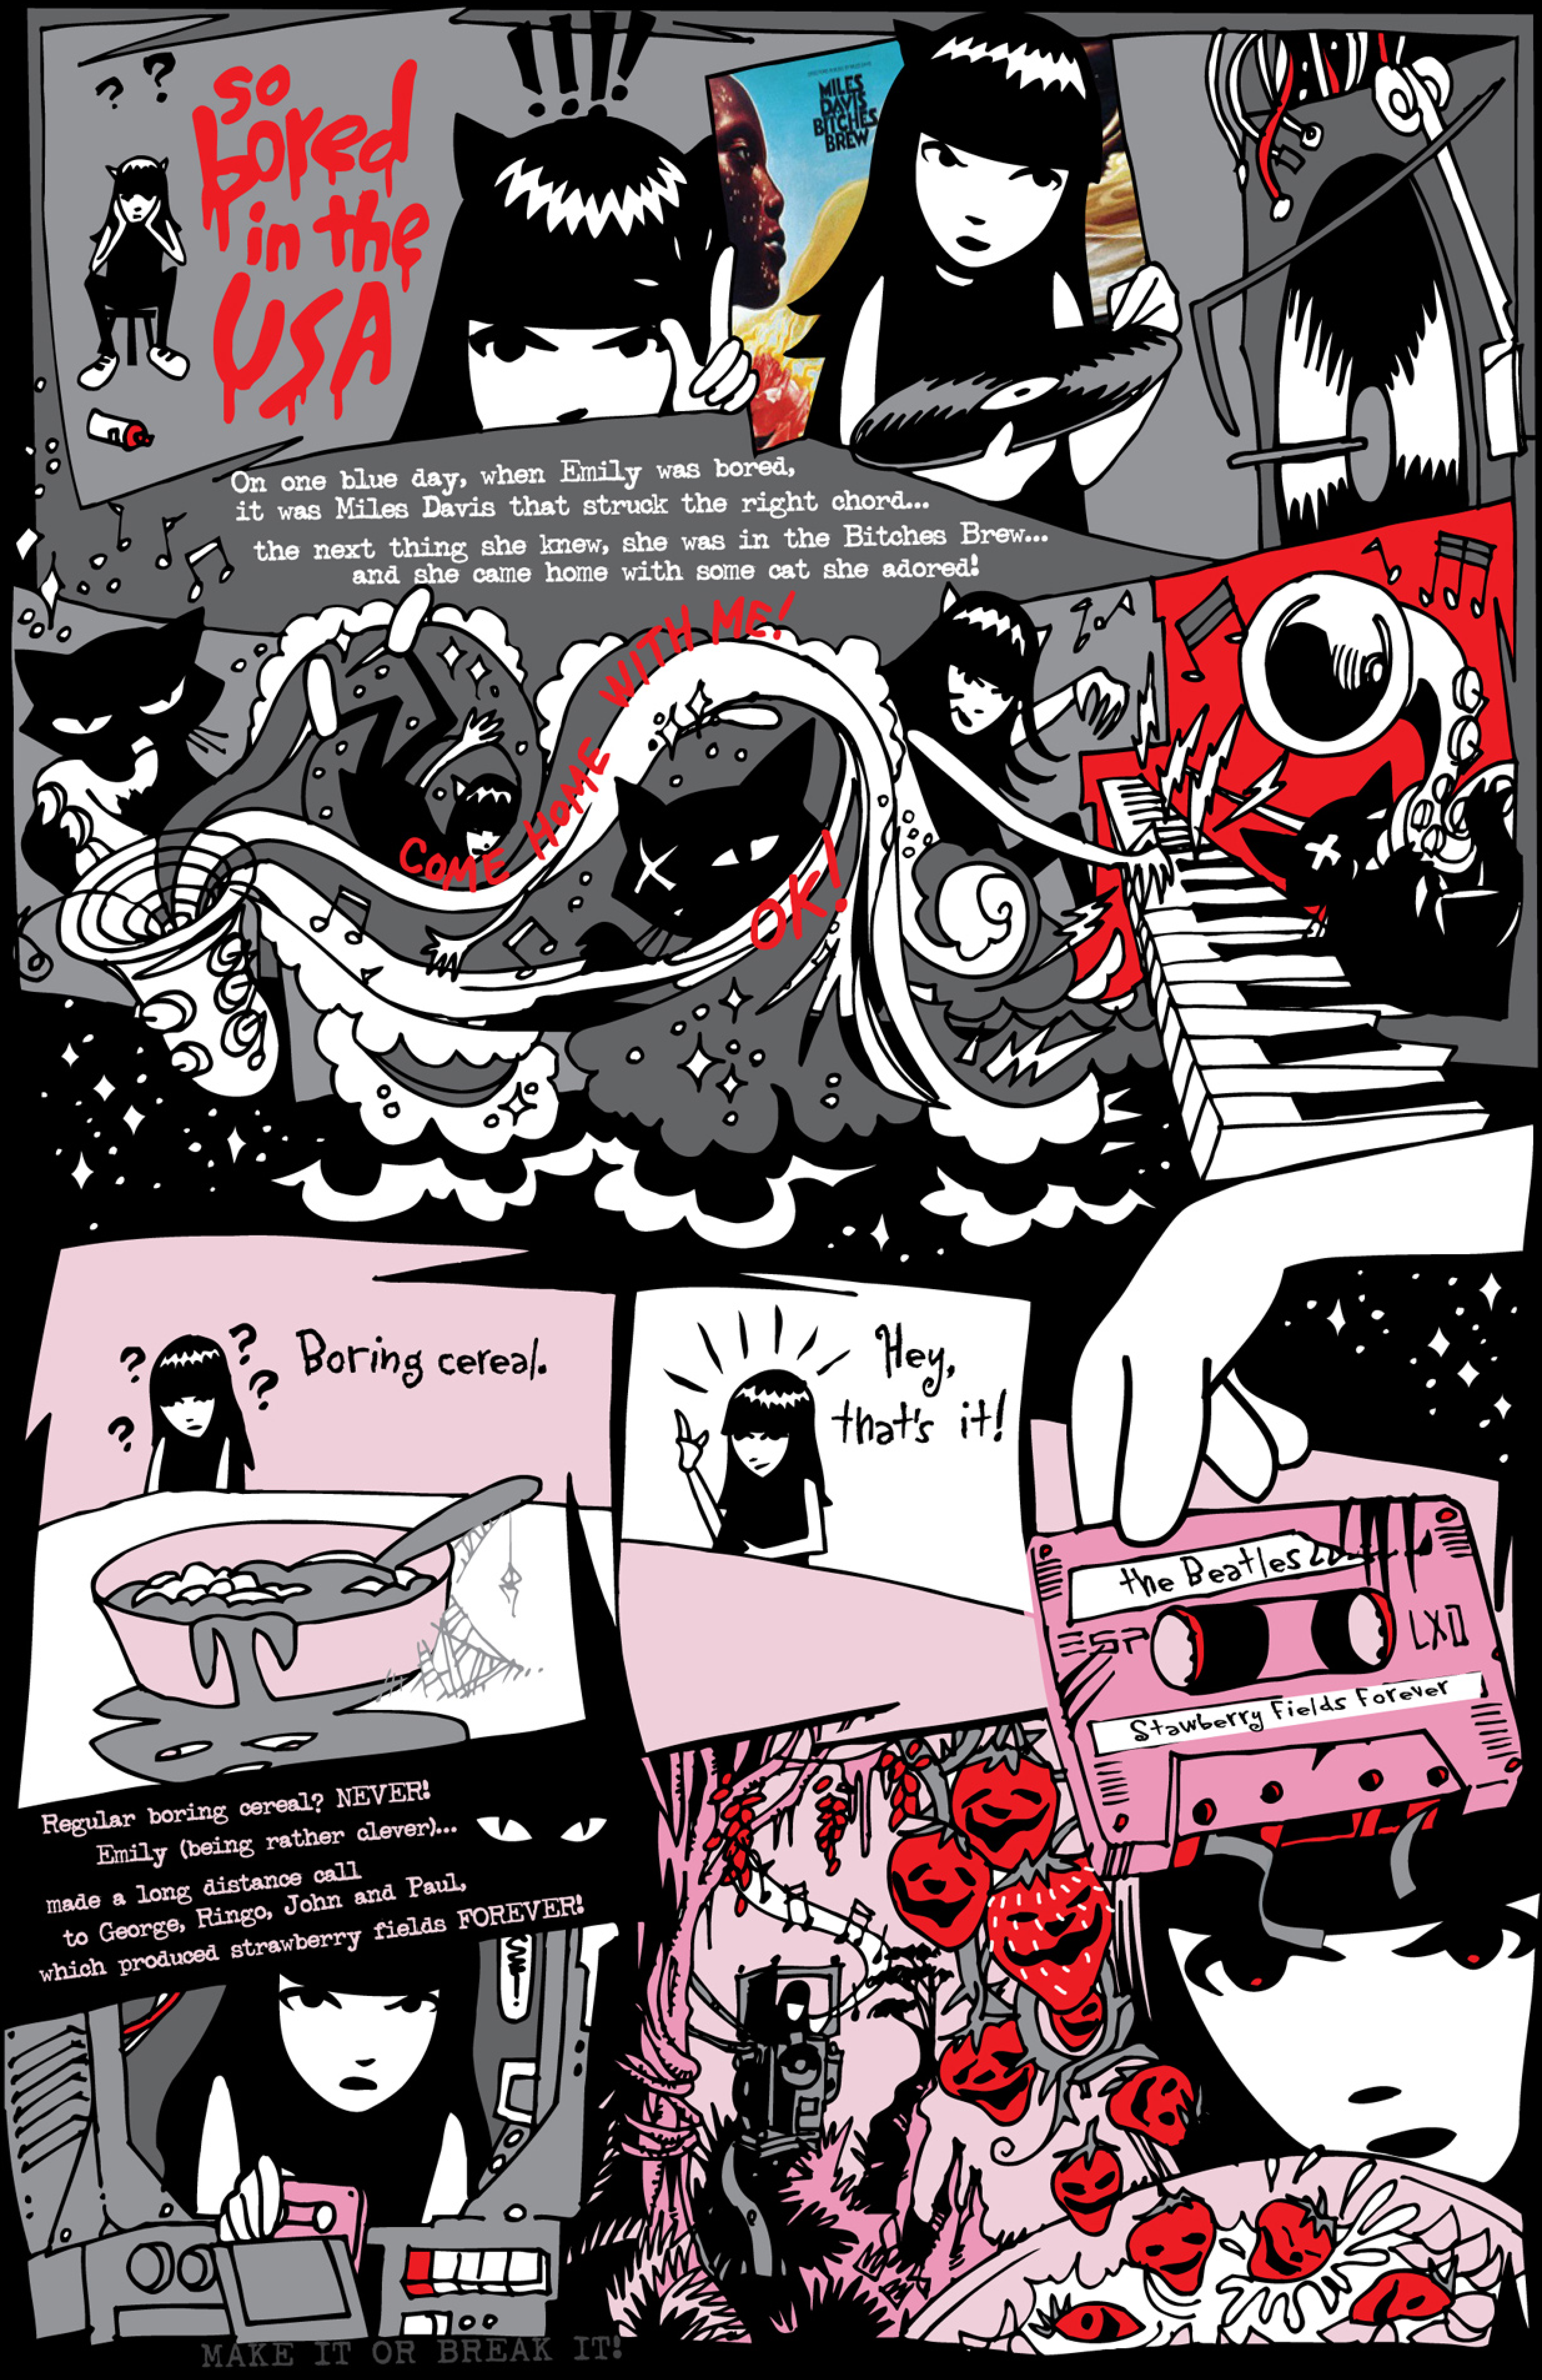
Emily didn't know what she should do.
She needed tons of juice for her Strange Brew.
The she remembered her boots...
which took her back to her roots,
and the punks became the stompin' crew.
Strange Brew.



So bored in the USA
MILES DAVIS BITCHES BREW
On one blue day, when Emily was bored,
it was Miles Davis that struck the right chord...
the next thing she knew, she was in the Bitches Brew...
and she came home with some cat she adored!
COME HOME WITH ME!
OK!
Boring cereal.
Hey, that's it!

Stawberry Fields Forever
Regular boring cereal? NEVER!
Emily (being rather clever)...
made a long distance call
to George, Ringo, John and Paul,
which produced strawberry fields FOREVER!

Welcome to our charming tale, the tale of a young girl's triumphant rise from the cinders of oppression.

Will she escape the mediocre clutches of her suburban stepfamily???
Read on, gentle reader...
There's the evil stepsister. Ohmigod, she's so odd!
Emily, why don't you stop that fooling around and come to the homecoming with us?
Umm, I have to finish sweeping the lawn.
I'd been captive for thirteen hours and I was out of my head with boredom.
Only a strict routine of filthy chores kept me from losing my mind in that hellhole...
CELLAR
...I had to escape their dungeon of torment!

Much better!
Emily, why aren't you going to homecoming with your stepsisters?
Nothing to wear...

Emily, we'll make you a dress to wear to homecoming!
yeah!
It's— it's just perfect!
Perfect... for cleaning out the fireplace, that is!
Imagine Emily at homecoming! As if!

And that's how Emily discovered the hideous truth...
...her stepmother had NOT become a widow accidentally!
Emily, my only daughter! You are right, I was murdered!
You've got to help me take revenge!
It would be my pleasure!
Emily! Get these bags!

I'm just gonna give you the sweeps!
Revengeful Death Ash!

You put on the blue shoe and the story ends. You go back to your world and believe whatever you want to believe.

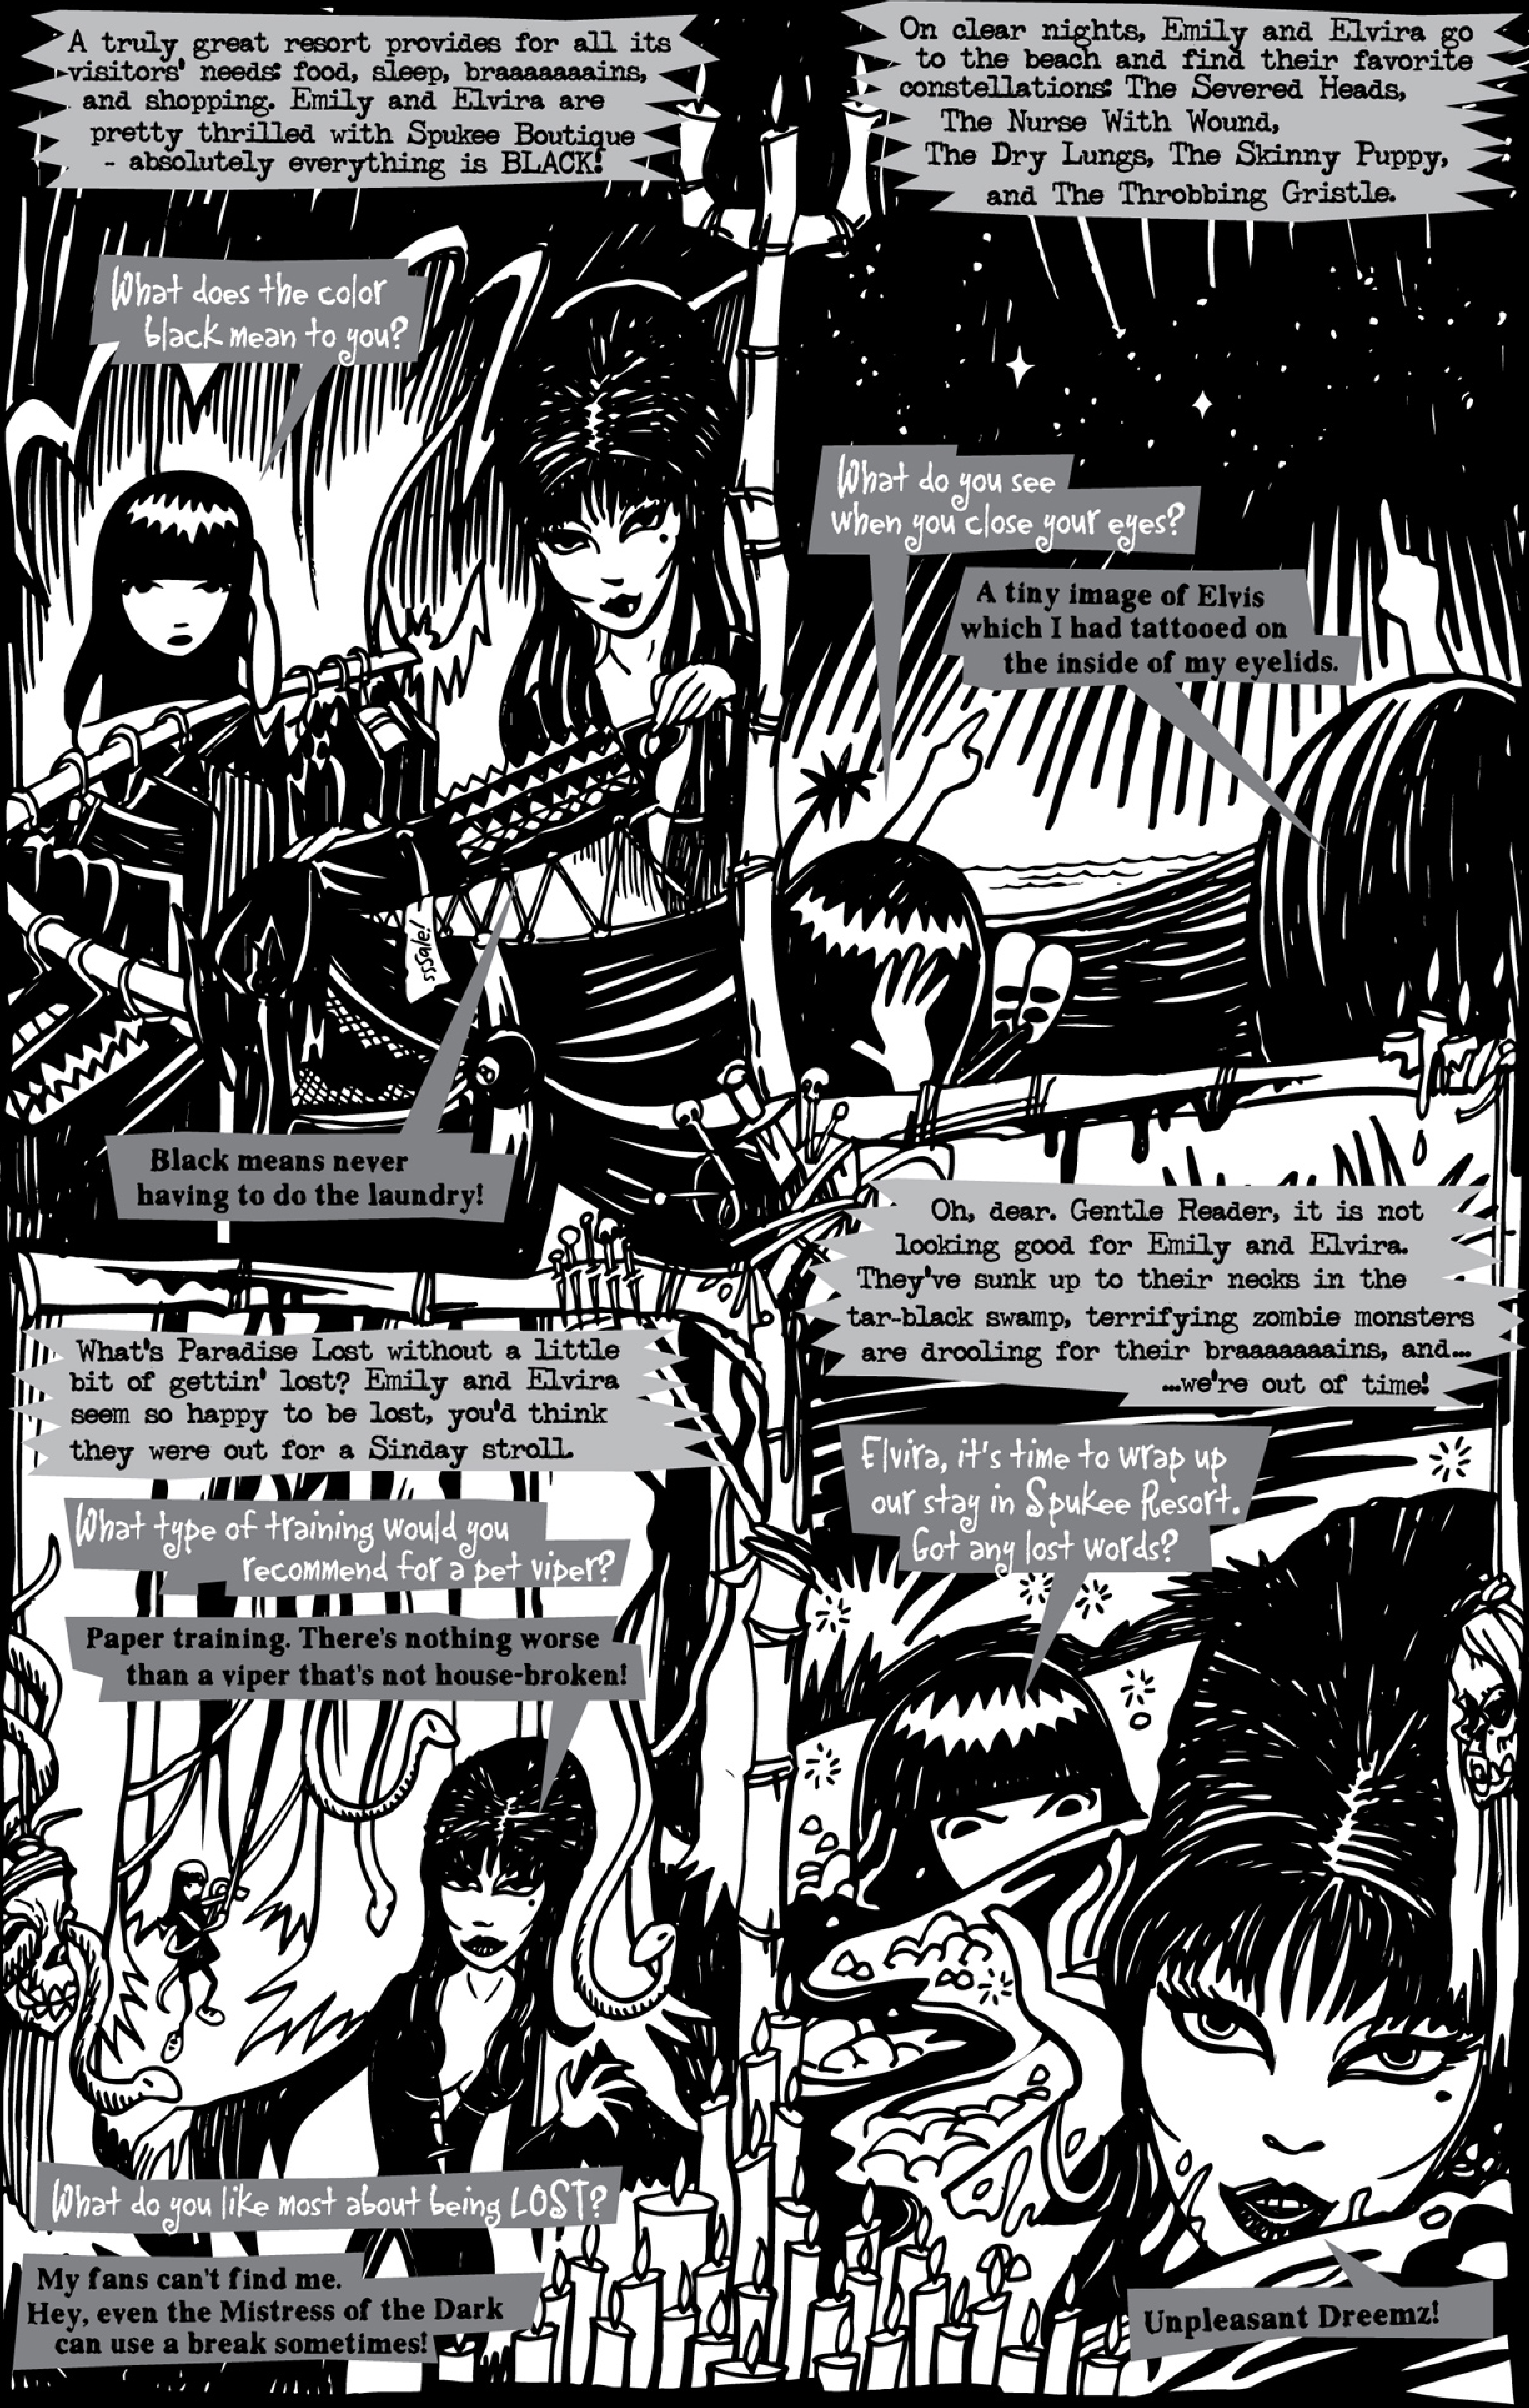
A Strange Interview with...
ELVIRA
Mistress of the Dark
Come with us, dear readers, to a black-sand beach on a dark and cloudy evening at the luxurious, mysterious SPUKEE RESORT!
Our readers at home would love to hear all about your fabulous beachwear.
Oh this old thing? Got it right off the "rack," Frederick's of Transylvania. I always wear a sunscreen with an SPF of 1000 or higher for that deathly pale glow.

Legbone croquet - It's enough to give anyone a hearty appetite!
I'm gonna ring the monkey butlers. What's your favorite dish?
My favorite is "Trick or Treat Stew." Y'know all that old candy you have left over from Halloween? You just throw it in a pot. Of course you leave the wrappers on ...that's where all the vitamins are!
Every ghoul wants to look her best while on vacation. So Emily and Elvira turn themselves over to teams of top vampire beauticians who primp, crimp, curl, cut, blow, dab, tuck, spritz, poof, slice and dice them until they look utterly...the same as always.
What do you hide in your hair? I keep spare slingshots in mine.
MORGUE
DEAD People
Rats, of course. I like to carry my two little buddies, Sam & Ella, with me wherever I go!
Paradise Lost can be stressful, and nothing takes the pain away like a vigorous massage by your friendly, skillful zombie masseuse!
Are you personal friends with any of the undead?
Well, I occasionally hit the graveyards when I'm tryin' to dig up a date for Saturday night.
Like all the finest hotels and resorts around the world, Spukee Resort has its own museum, where visitors can be haunted and enchanted by an amazing collection of blacklight paintings, Jurassic technology, freaks of nature, braaaaaaaains, and nightmarish sculptures.
What does this do?
EIGHT BALL MICRO-WAVE
OPEN:
Oh, you haven't seen one of those before? It's called a Magic Eight Ball Microwave. You never know what you're gonna get, but it does one helluva job cooking it!

When Emily and Elvira hit the floor, they really clear out the place—no one likes being kicked in the head with a steel-toed stiletto, apparently!
When was the last time you lost your soul?
I once signed my soul over to the devil if he'd pay off my credit card debt. It turned out to be a trick, though. All I can say is: never trust a guy with little red horns.
It would be a tragedy to visit the Spukee Resort and not go yachting. Emily and Elvira love tragedy, but they love yachting even better. Anything could go wrong - and hopefully will!
What would make this a perfectly wicked vacation for you?
Just spending a little down-time lying on the beach at night, moon-bathing, with a coupla "ice-cold zombies," and I ain't talkin' about the drinks!
S.S.S.
Scuba diving really is one of the most inspiring, tranquil, relaxing ways to get in touch with all of nature's beautiful underwater rainbows. So naturally, Emily and Elvira stay as far away from scuba diving as possible.
Tell me about the legend of this island.
HOT LAVA!
Well believe it or not, Emily, this island was once part of the legendary chain of islands known as the Vulturians--until the islanders began to get stingy with their virgin sacrifices and one by one, the evil Island Gods destroyed them--the first one by a volcano, the second one by a hurricane and the third by a huge rogue wave, until there was only this one left! Makes ya feel kinda safe & cozy, doesn't it?
Nothing like cliff diving blindfolded to get the ol' heart pumping! True, the water is an awfully long way down, and those rocks at the bottom are terribly sharp, but...well, they've been lucky so far!
What advice would you give young people who are feeling lost?
Pull over and ask directions!



A truly great resort provides for all its visitors' needs: food, sleep, braaaaaaains, and shopping. Emily and Elvira are pretty thrilled with Spukee Boutique - absolutely everything is BLACK!
What does the color black mean to you?
Black means never having to do the laundry!
On clear nights, Emily and Elvira go to the beach and find their favorite constellations: The Severed Heads, The Nurse With Wound, The Dry Lungs, The Skinny Puppy, and The Throbbing Gristle.
What do you see when you close your eyes?
A tiny image of Elvis which I had tattooed on the inside of my eyelids.
What's Paradise Lost without a little bit of gettin' lost? Emily and Elvira seem so happy to be lost, you'd think they were out for a Sinday stroll.
What type of training would you recommend for a pet viper?
Paper training. There's nothing worse than a viper that's not house-broken!
What do you like most about being LOST?
My fans can't find me. Hey, even the Mistress of the Dark can use a break sometimes!
Oh, dear. Gentle Reader, it is not looking good for Emily and Elvira. They've sunk up to their necks in the tar-black swamp, terrifying zombie monsters are drooling for their braaaaaaains, and...
...we're out of time!
Elvira, it's time to wrap up our stay in Spukee Resort. Got any lost words?
Unpleasant Dreemz!

Isn't it funny how herstory repeats itself...

It was dark times for the local public television station. With all the budget cuts no one worked from Wednesday to Sunday. So after "gaining access" I decided to record my own weekly show called...

People often ask me why I dress in black. I say it's because nobody has invented anything darker.
And then I threaten to eat their children.
If you're at a funeral, I think a good thing to say to the grieving family is...

BEHIND THE SCENES
...MEET THE PRODUCER!
Keeping an eye on the dark side of life is not an easy job. Late-night recording sessions for "Deep Dark Thoughts" don't always run smoothly – I'm always getting interrupted by rats chewing the cables, or the police, or daylight.
Stupid daylight!

You have to be pretty talented – or pretty fast – to film yourself. You may wonder how I manage to be in two places at once. I'd tell you, but I took an unholy vow never to reveal the source of my powers!

Do you ever wish that there really was a chicken soup for your soul?
WHAT IF?
Murderer.
Sometimes I feel like I'm all alone in the world, and I'll never see or hear another human being for the rest of my life...
...Sometimes I feel as though there's a darkness in my soul, and never again will I see the light of day.

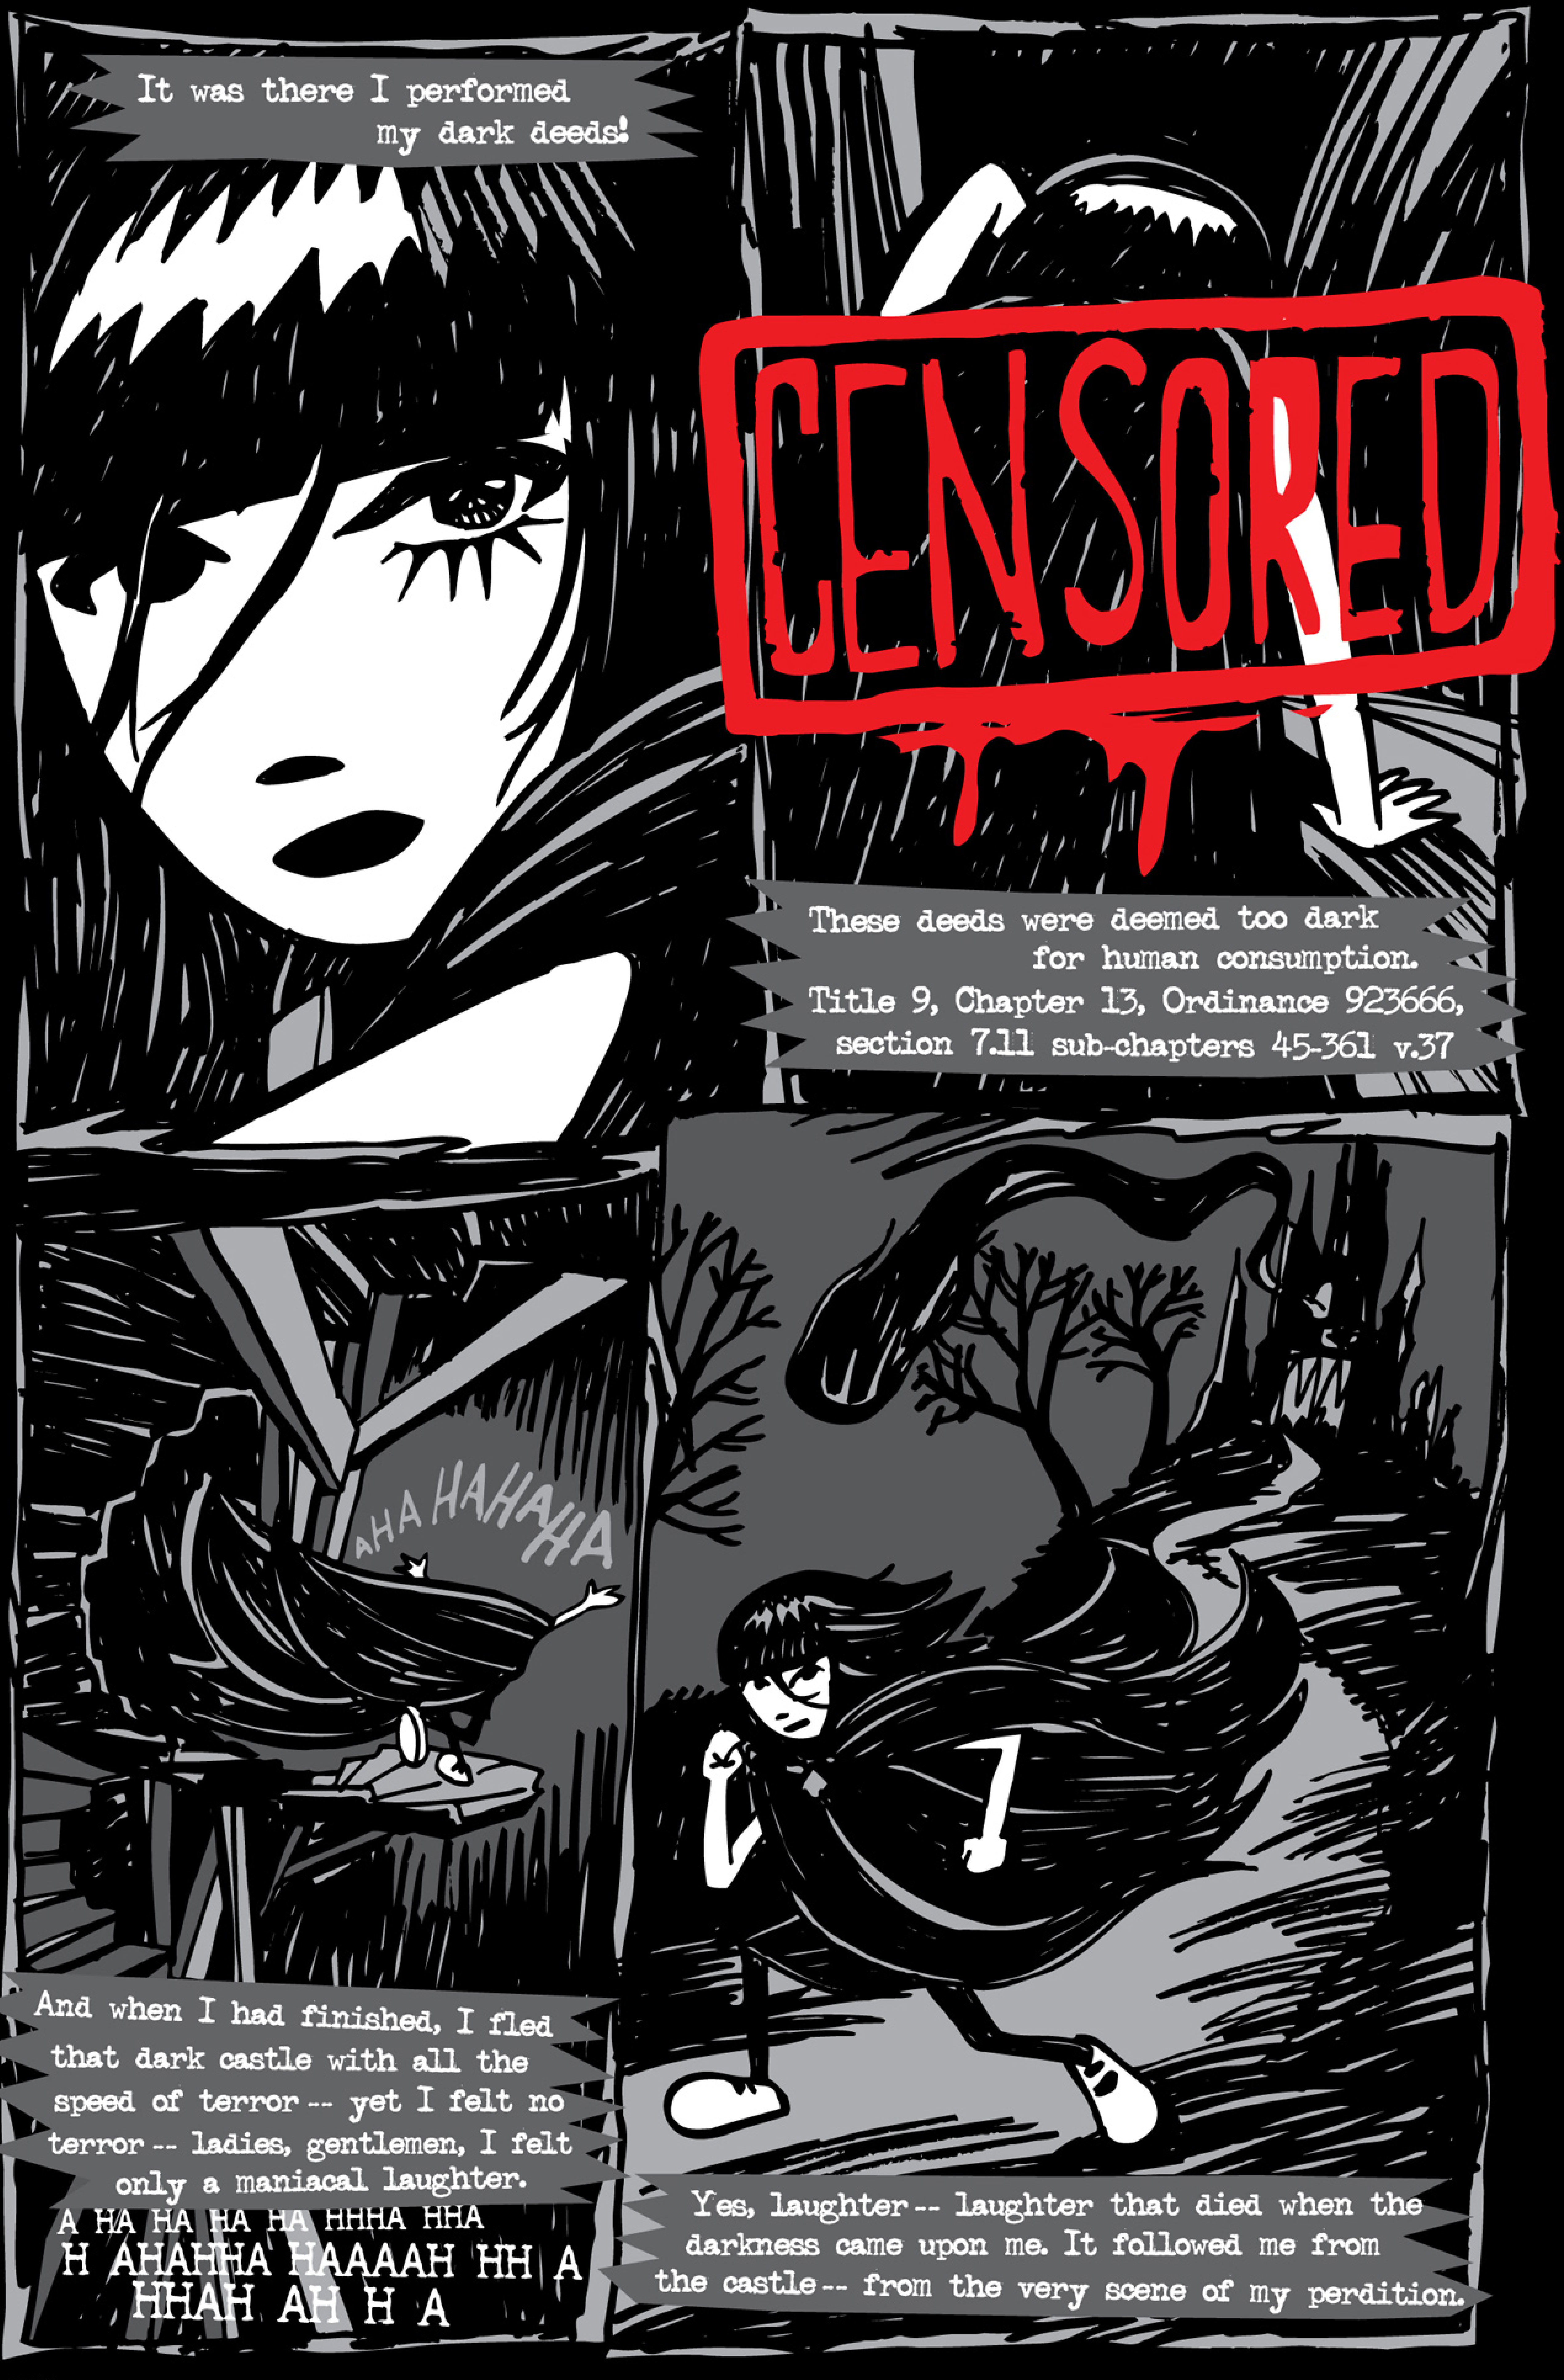
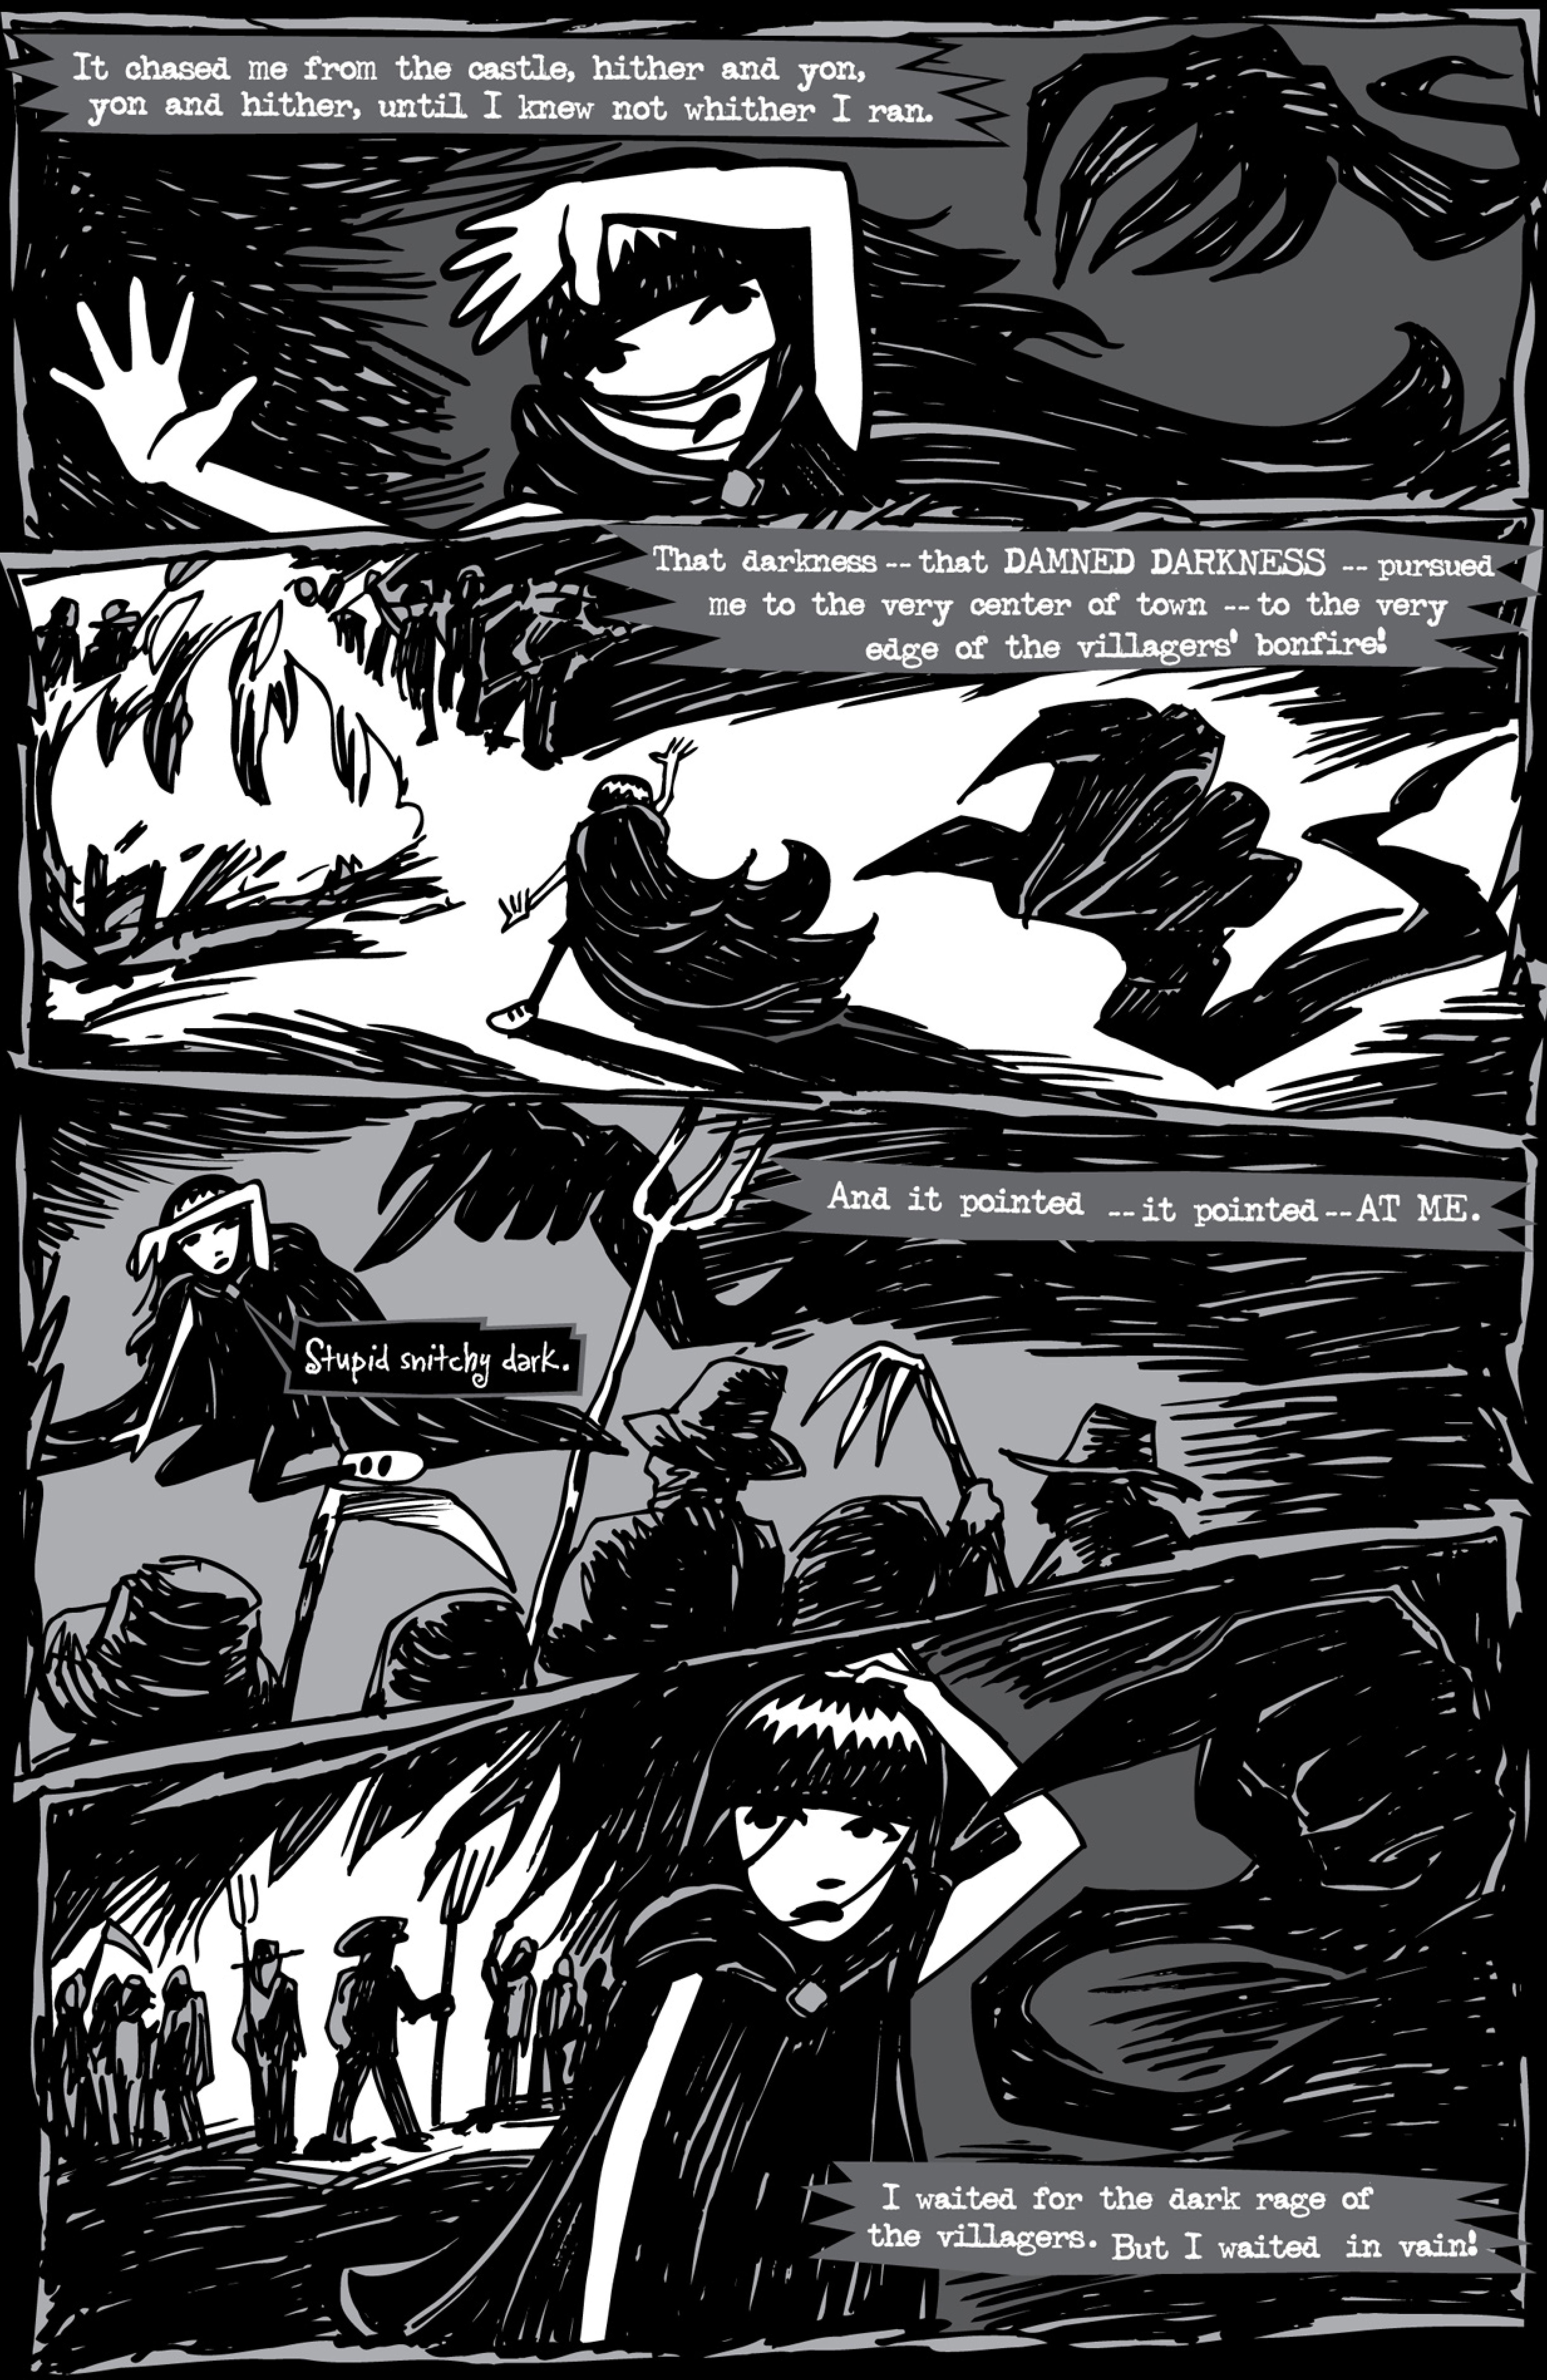
Scarytale Theater
TELL TALE DARK
Greetings, and welcome to Scarytale Theater, with your host, Emily Allen Poe.
In tonight's episode, ask yourself -- is Emily angry?
Or has she gone completely MAD?
It was a dark and stormy night, the night I'd chosen for my dark deeds. The idiot villagers were busy burning effigies of their enemies. Cloaked in darkness, I crept toward the castle.
All my senses were unnaturally sharp -- the squeak of the door was like a knife through my eardrum.
I could smell the darkness, taste the darkness -- I could almost cut the darkness and spread it on toast!

But do not think I was mad -- no, not mad, not I! Would a madwoman do...
...THIS?
PHONE BOOK
I had thought of every possibility, prepared for every circumstance, so that NOTHING would thwart my dark deeds!
A HA HA HA HA HHHA HHA HA AHA HHA
MOST FORBIDDEN CHAMBER
MOST DARKEST ROOM!
And as I approached the highest chamber of the castle I smiled to think that none of those idiot villagers would ever know what I had done!
Finally I reached my goal, in the castle's darkest and most forbidden corner!



It was there I performed my dark deeds!
CENSORED
These deeds were deemed too dark for human consumption.
Title 9, Chapter 13, Ordinance 923666, section 7.11 sub-chapters 45-361 v.37
AHA HAHAHAHA
And when I had finished, I fled that dark castle with all the speed of terror -- yet I felt no terror -- ladies, gentlemen, I felt only a maniacal laughter.
A HA HA HA HA HHHA HHA
H AHAHHA HAAAAH HH A
HHAH AH H A
7
Yes, laughter -- laughter that died when the darkness came upon me. It followed me from the castle -- from the very scene of my perdition.



It chased me from the castle, hither and yon, yon and hither, until I knew not whither I ran.
That darkness -- that DAMNED DARKNESS -- pursued me to the very center of town -- to the very edge of the villagers' bonfire!
And it pointed -- it pointed -- AT ME.
Stupid snitchy dark.
I waited for the dark rage of the villagers. But I waited in vain!

But -- Ha, Ha! Ha, Ha! -- the villagers were too stupid to understand.
YOU MUST PUNISH HER DARK DEEDS
I'M TELLING YOU, SHE DID IT!
This darkness will be delicious on toast...
GET HER, YOU IDIOTS!
You all ain't all too bright, is you?
USE THE HANDCUFFS, MORONS
Hey! My toast!
We'll throw you in the darkest pit of prison, girlie!
Thus was I punished, and though I would stay in that darkest pit to the end of my days, my deeds remained hidden in darkness -- utter and terrible darkness -- FOREVERMORE!
Until next time...

What do you think THIS is for? "All that we see is but a dream within a dream."*

What do you hope to find in a place like this?
Palace of the Grotesque
I hope to see Michael Jackson's nose, Daryl Hannah's pinky finger, and Mr. T's now forsaken gold chains.
MUMMY DEAREST
MJ NOSE
MR.T BLING THIS WAY
How do you know so much about the grotesque?
From previous relationships with women on the WB Network and watching E! online.
Have you ever been through the looking glass?
I like looking through the glass...
What do you see?
Ugly does what ugly is.

Does that look like anyone you know?
Not Judas* - if that was the case, I'd look like one of the village people.
*Because Rob Halford would be wearing something more like the Village People.
What is your favorite game?
Shooting Gallery
High school boys gone wild!
If it moves salute it, if it doesn't, shoot it!
Why are people so into violent games?
Most of them are just smart enough to realize that they are stupid, and it pisses them off, so they want to hurt someone.
What do you suppose is in the deep fryer tonight?
Skinned Ostrich* on a stick!
*Don't worry 'cause there's no fur on it and people can't be pissed at you and you can still hang out with Stella McCartney and other tree-hugging hippies if you decide to do so, but only if you plan on stabbing them with a pocket knife in the midst of a picnic!

It's like a spark plug, but it's a Dark plug.*
*Not to be confused with a butt plug, (so don't sit on it!) but if you plug it in...
Is there anything to be afraid of in this dark unknown?
Everything we saw in the light was scarier because those people have to wake up everyday and be themselves -- we can just go in here and it don't matter and we can have a good time...

What made those two so grumpy?
I think someone must have just taken their mini thins.*
*trucker speed- they are having a real hard time coming down and it's not pleasant when you see a couple of good-lookin' folks like ourselves...
What makes YOU scream?
What doesn't?

Come the sun, our fun is done. What are you gonna do now?

The tide has turned. The Creation has killed the Creator. Will this creature flee the nest for more destruction or remain cloistered in this faraway castle, lost in the remote desolation of the Berkillington Mountain?...

Days have passed and like any long lost rage, regret has settled in. Has the evil twin come to regret the death of its master or will it seek a way to rebuild Dr. Strange's scientific equipment? With the blood of its creator filling the evil twin's eyes, all seems lost.
These ESPeriments are getting expensive! That's the third mountaintop castle I've had to abandon this year.

Good thing we've got enough firepower to bring down a whole army of Bigfoots.
There are reports of fresh tracks in the area.
Could even be a family of the creatures.
If they want an army, we'll give 'em an army. Let's go!

a Strange Interview... with Gerard Way
...in which Emily and Gerard make their way through the curious and curiouser offices of Dark Horse Comics...
Dark Horse Comics
Come on, Emily. The script is late enough as it is.
I know, I know. I just wish there was someone more interesting waiting for us behind those doors than a cranky editor in a bad mood.
I don't want that lady yelling at us again.
Greetings, intruder...
Commence with retinal scan security clearance
...or prepare for immediate detainment.
BACK DOOR
Sheesh! Scanning already! Scanning!
Hey, Gerard! What are you doing here?
Searching for clues.
There's been a burglary and apparently the suspect frequents unfamiliar photocopy machines.
Honestly?... ...Drinking all the coffee.
Maybe I need coffee to finish my script. Or maybe I need to hang out with you instead.
So what's the umbrella for?
It's a common misconception that it rains a great deal in the Pacific Northwest, but in fact last year cumulative rainfall in inches only reached 43.03, which is normal.
So it's really just for show.

THE UMBRELLA ACADEMY
So, why comics?
Because anything is possible...
...right now, if we wanted, we could load up on laser guns, hop on an interdimensional motorcycle, and save the universe from giant invisible tarantulas. In real life? Not so much.
What's the strangest thing you've ever written a story about?
A botched train robbery, in which the nine-year-old assailant was carried off to heaven by angels, which in reality resemble flying jellyfish.
What's the last album you bought?
Merveilleuse by Edith Piaf.
DO NOT DISTURB!
What's your favorite way of getting around besides underground ladder tunnels?
Jetpack.
If one is not available? Public transit.

You seem to like dressing up. Where do you find inspiration for your wardrobe?
Patrick McGoohan's The Prisoner and Mad Max Beyond Thunderdome.
Have you ever wondered what happens after we die?
All the time when I was a little kid. These days, not so much. I stopped caring and decided to focus on living.
What if we get reincarnated as animals? What would you come back as?
A gazelle.

Have you ever met a zombie? How did you escape?
I've never met a zombie, but if I did I'd get away on a golf cart.
What was the last nightmare you had?
DRAWING ON YOUR NIGHTMARZ
I was swimming, and even though I wasn't drowning, there was no end to the water, no surface.
Do you have a favorite work of art?
WHERE IS SHE? EMILY'S LATE WITH HER SCRIPT AGAIN!
Have you ever had too much to dream?
The Lovers by Magritte. I saw it while in art school. Very scary.
I go through periods where I dream too much, sometimes half-awake, sometimes visions, terrors. Other times in my life I sleep peacefully. Those are my favorite times.
Let's go this way.

Now, remind me.
How are we related again?
By marriage.
Though we avoid consorting
with that side of the family.
FRONT DESK
Have you ever had
a Siamese twin?
I have several.
Most of them are up to no good.
See you
at the Academy!
I need to finish my story
about revenge now.
Maybe you can help.
Everything deserves a happy ending.
Even if it's a story about the end of the world,
you should find some way to end it
with a dozen roses.
Just throw a little sparkle all over it.
Be seeing you!
END

REVENGE OF THE DEAD EYE

We got a cat killer on our hands. And he's gotta go down.
Now, here's what you do...
Okay, Miles, you're in charge of lock-picking supplies.
NeeChee, surveillance and stealth equipment.
Sabbath, we'll need some appropriate tunes.
Fluffy, please arrange for catering.
And Mystery, you're on lookout.

Do you see what I see?

I see 'em now, Harry. Can you read what that sign says?
LOST ON PURPOSE

ALONE CAT AND KITTEN
THE WAY OF THE STRANGER
EMILY ODDOMO, A.K.A "ALONE CAT," LIVES THE SOLITARY LIFE OF A RONIN, KEEPING COMPANY ONLY WITH HER YOUNG CHARGE, MYSTERY-SAN. WHEN THE RENEGADE SAMURAI MAKES A FINAL ATTEMPT TO JOIN SOCIETY, HER EFFORTS ARE MET WITH DISPLEASURE, AND A NEW BATTLE BEGINS …
YOU HAVE HEARD THE CHARGES LEVELED AGAINST YOU, EMILY ODDOMO-SAN. THOUGH YOU CLAIM TO SERVE THE SHOGUN, YOUR INSULTS AGAINST HIM TELL ANOTHER STORY.
TO SUGGEST THAT HE WOULD SERVE YOU . . .
BUT WE WERE PLAYING BADMINTON! IT WAS THE SHOGUN'S TURN TO SERVE.
HOW DARE YOU?
YOU DEFILE THE HONOR OF THE SHOGUN!
I NEVER FILED HIM IN THE FIRST PLACE.
MAN, IS IT ANY WONDER I DON'T HANG OUT WITH YOU GUYS ANYMORE?
ERRRRRR.

SUCH INSOLENCE! EMILY ODDOMO, YOU MUST CHOOSE SEPPUKU** OR --
**RITUAL SUICIDE
-- SING THE CANADIAN NATIONAL ANTHEM WHILE YOU EAT THIS! IF YOU FAIL YOU WILL BE ASSASSINATED! IF YOU SUCCEED, YOU MUST LIVE IN EXILE!
PEANUT BUTTER
SEPPUKU? I'M NOT IN THE MOOD FOR PUZZLES.
ME EITHER.
OKAY, THEN. I HOPE THAT PEANUT BUTTER IS FRESH.

O CANADA! O CANADA!
OUR HOME AND NATIVE LAND!
THIS IS IMPOSSIBLE! THIS TASK HAS NEVER BEEN COMPLETED.
SHE HAS THE DETERMINED TONGUE OF A WARRIOR!
IT'S THE MYTHICAL SHINOBI TECHNIQUE!
O CANADA, WE STAND ON GUARD FOR THEE!
ALONE CAT, MAYBE YOU COULD HAVE JUST TOLD THEM YOU WERE PLANNING ON LEAVING TOWN AGAIN ANYWAY.
WHAT FUN WOULD THAT HAVE BEEN? BESIDES, THAT WAS GOOD PEANUT BUTTER.

ALONE STAR
...and so we find our heroic Strangers on their desperate quest to escape the dreaded Morons of the universe and finally be left... ALONE!
...and we Morons won't stop until we've hugged each and every one of you--
Get off my black hole!!
Z-ZAP!
Don't hug my slug!!

Those pesky mopes are really bringing me down. They'll never leave us alone!

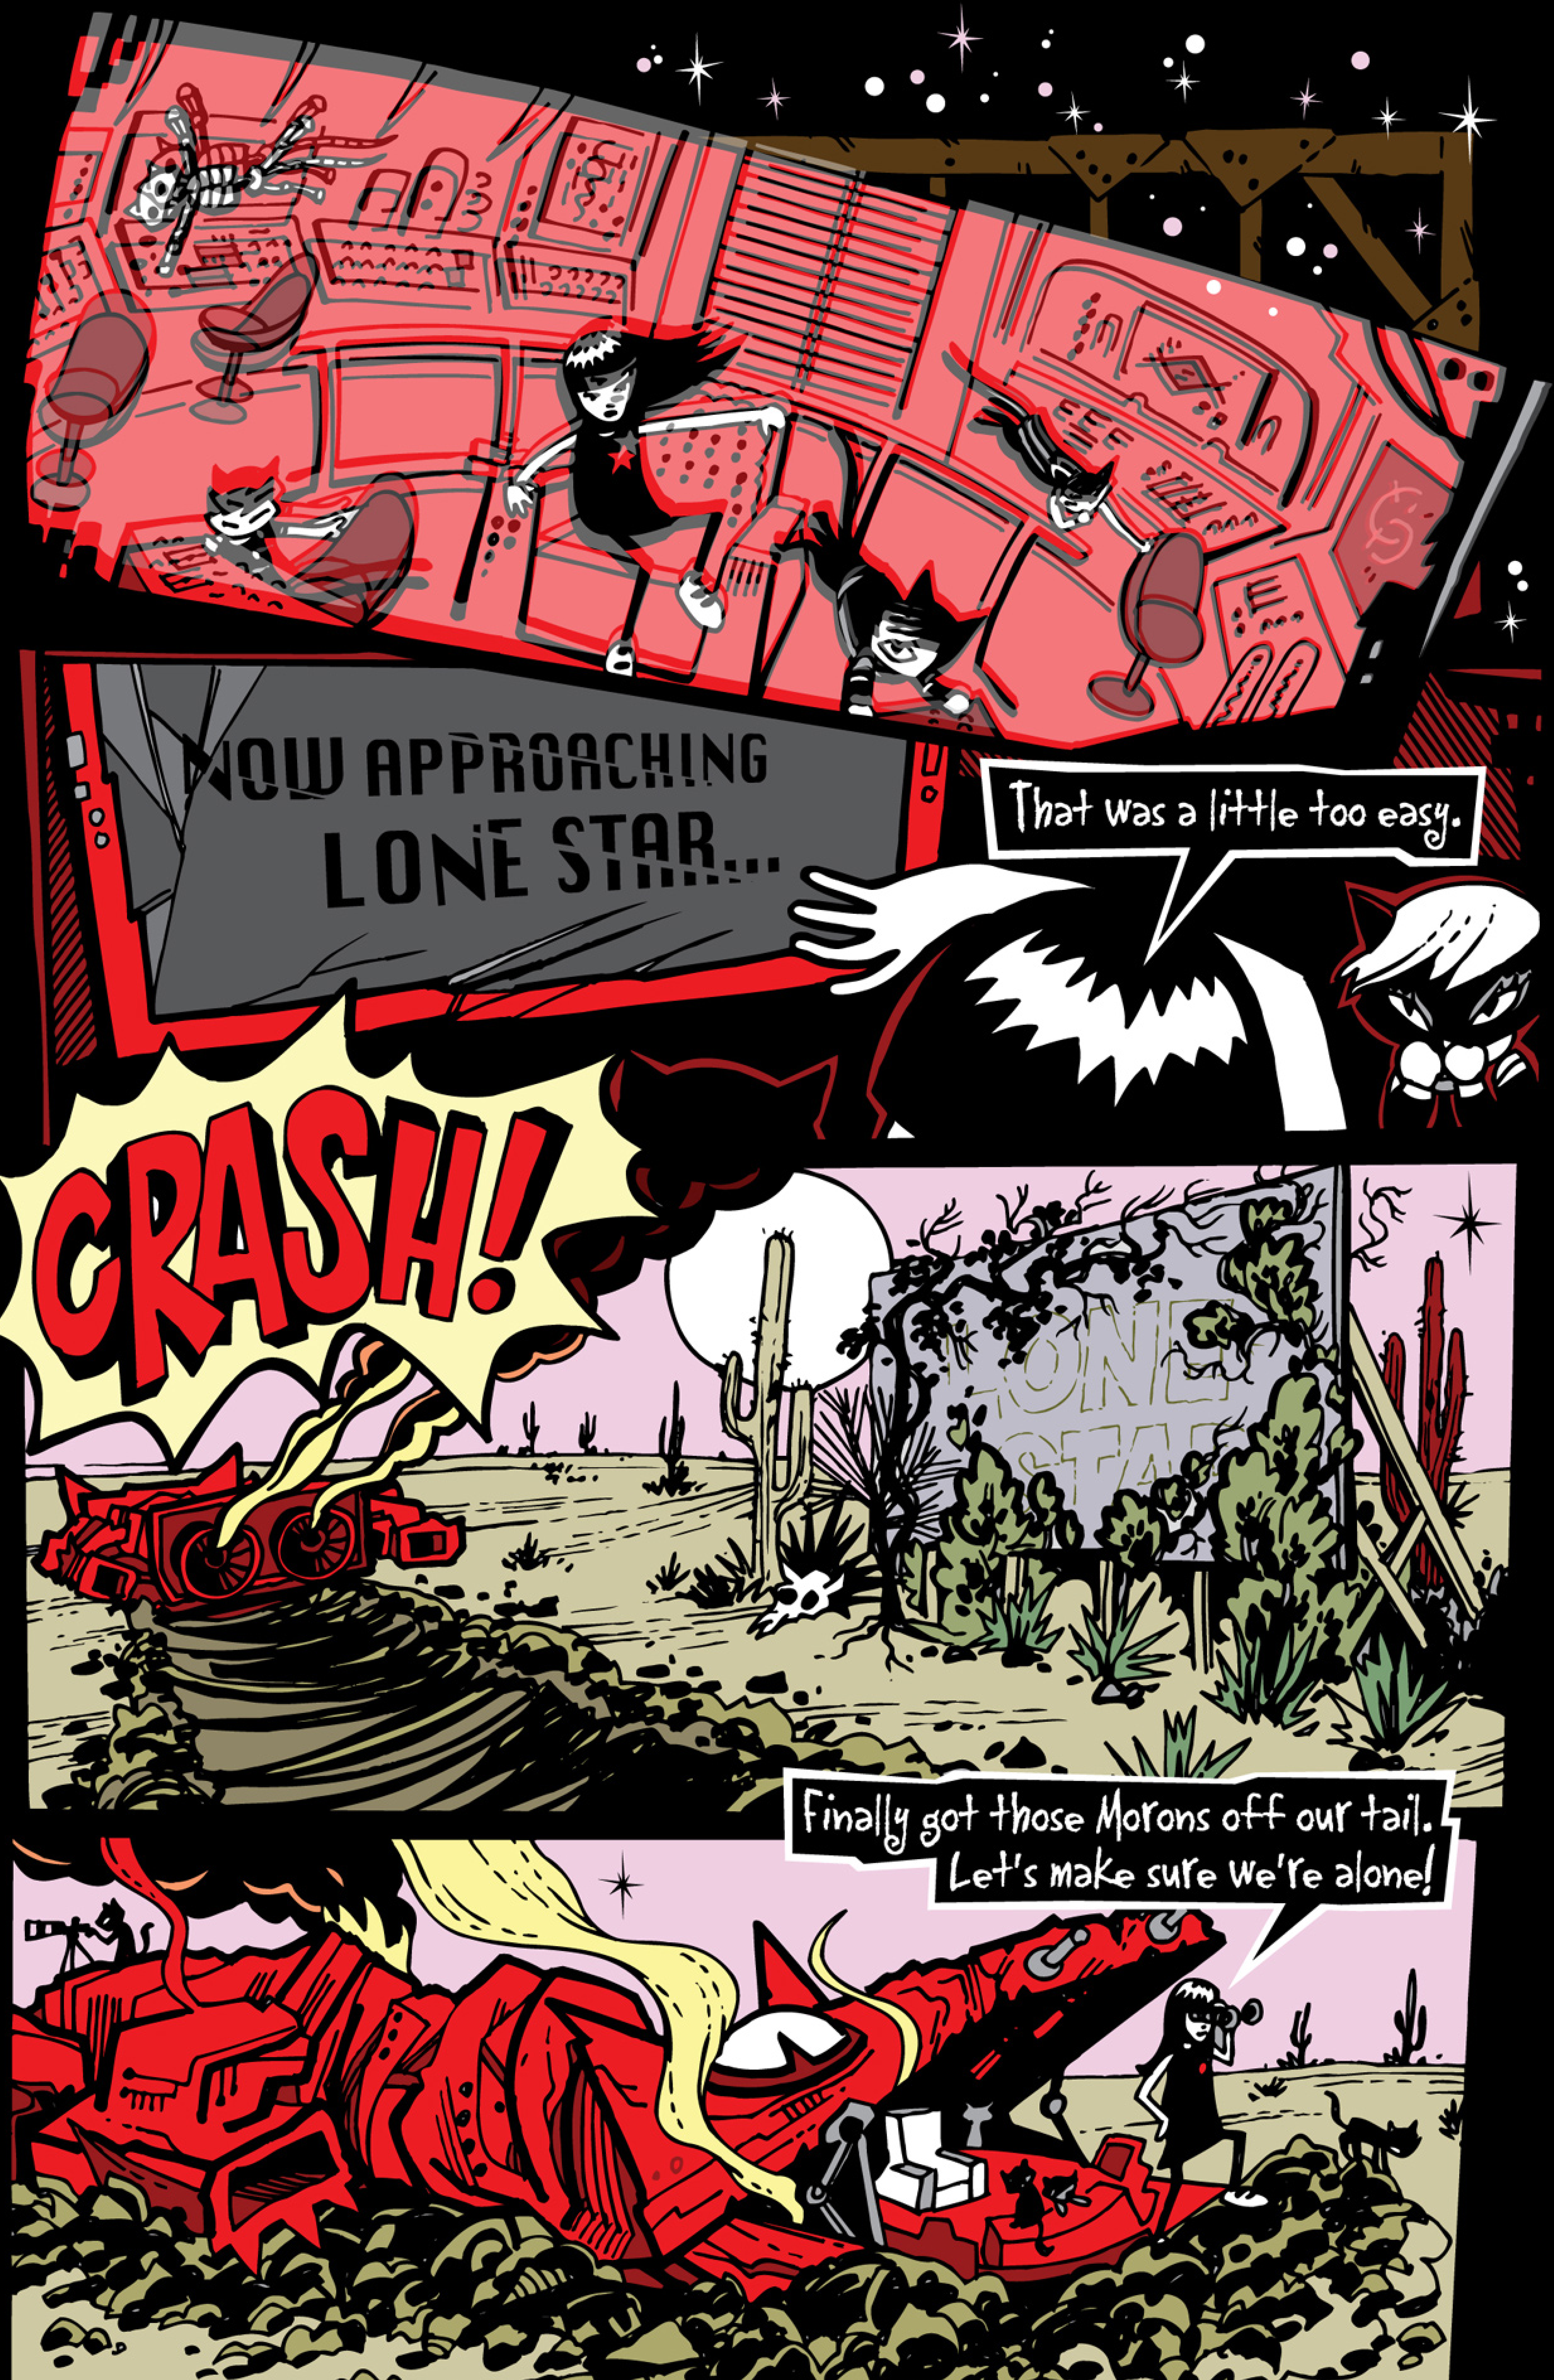
That is a logical conclusion, Captain.
The List, sir.
The mythical Alone Star! Our final hope!
Will we ever find it, Bones?
For the love of mice, how should I know? I'm a cat in a skeleton suit, not a space doctor!
Captain! More incoming!!
AAAAAAHHHHH!



NOW APPROACHING LONE STAR...
That was a little too easy.
CRASH!
LONE STAR
Finally got those Morons off our tail. Let's make sure we're alone!

Everybody quiet! Do you hear--
turd
Come on, little doggies, to this fine Texas loam!
Here in the heartland, you're never alone!
Whether in public, or your own private home –
YUCK!
Did you just say Texas...?
'Course I did, little filly. Where'd y'all think this was – outer space?
Duh!
I finally get it loud and clear: If you really want to be alone, there's no actual place to go to – not a galaxy or planet or state – because...
...ALONELINESS is a STATE of MIND!!
LONE STAR
END!

the Alone Stranger
DEATH VALLEY.
The last frontier of the once-wild West.
It is by nature a quiet and desolate place,
populated only by the most solitary of creatures.
Among its frequent visitors is the one known as
THE ALONE STRANGER,
who is recognized by her famous call...
Where did all these people come from?

HI HO SPLINTER, LET'S GO AWAY!!

DEAD CAT WALKIN'
PART FOUR
ALONE at LAST!
Urgh. I just spent a WEEK helping you guys get revenge on Fluffy's killer!
What I wouldnt give for a little solitude...

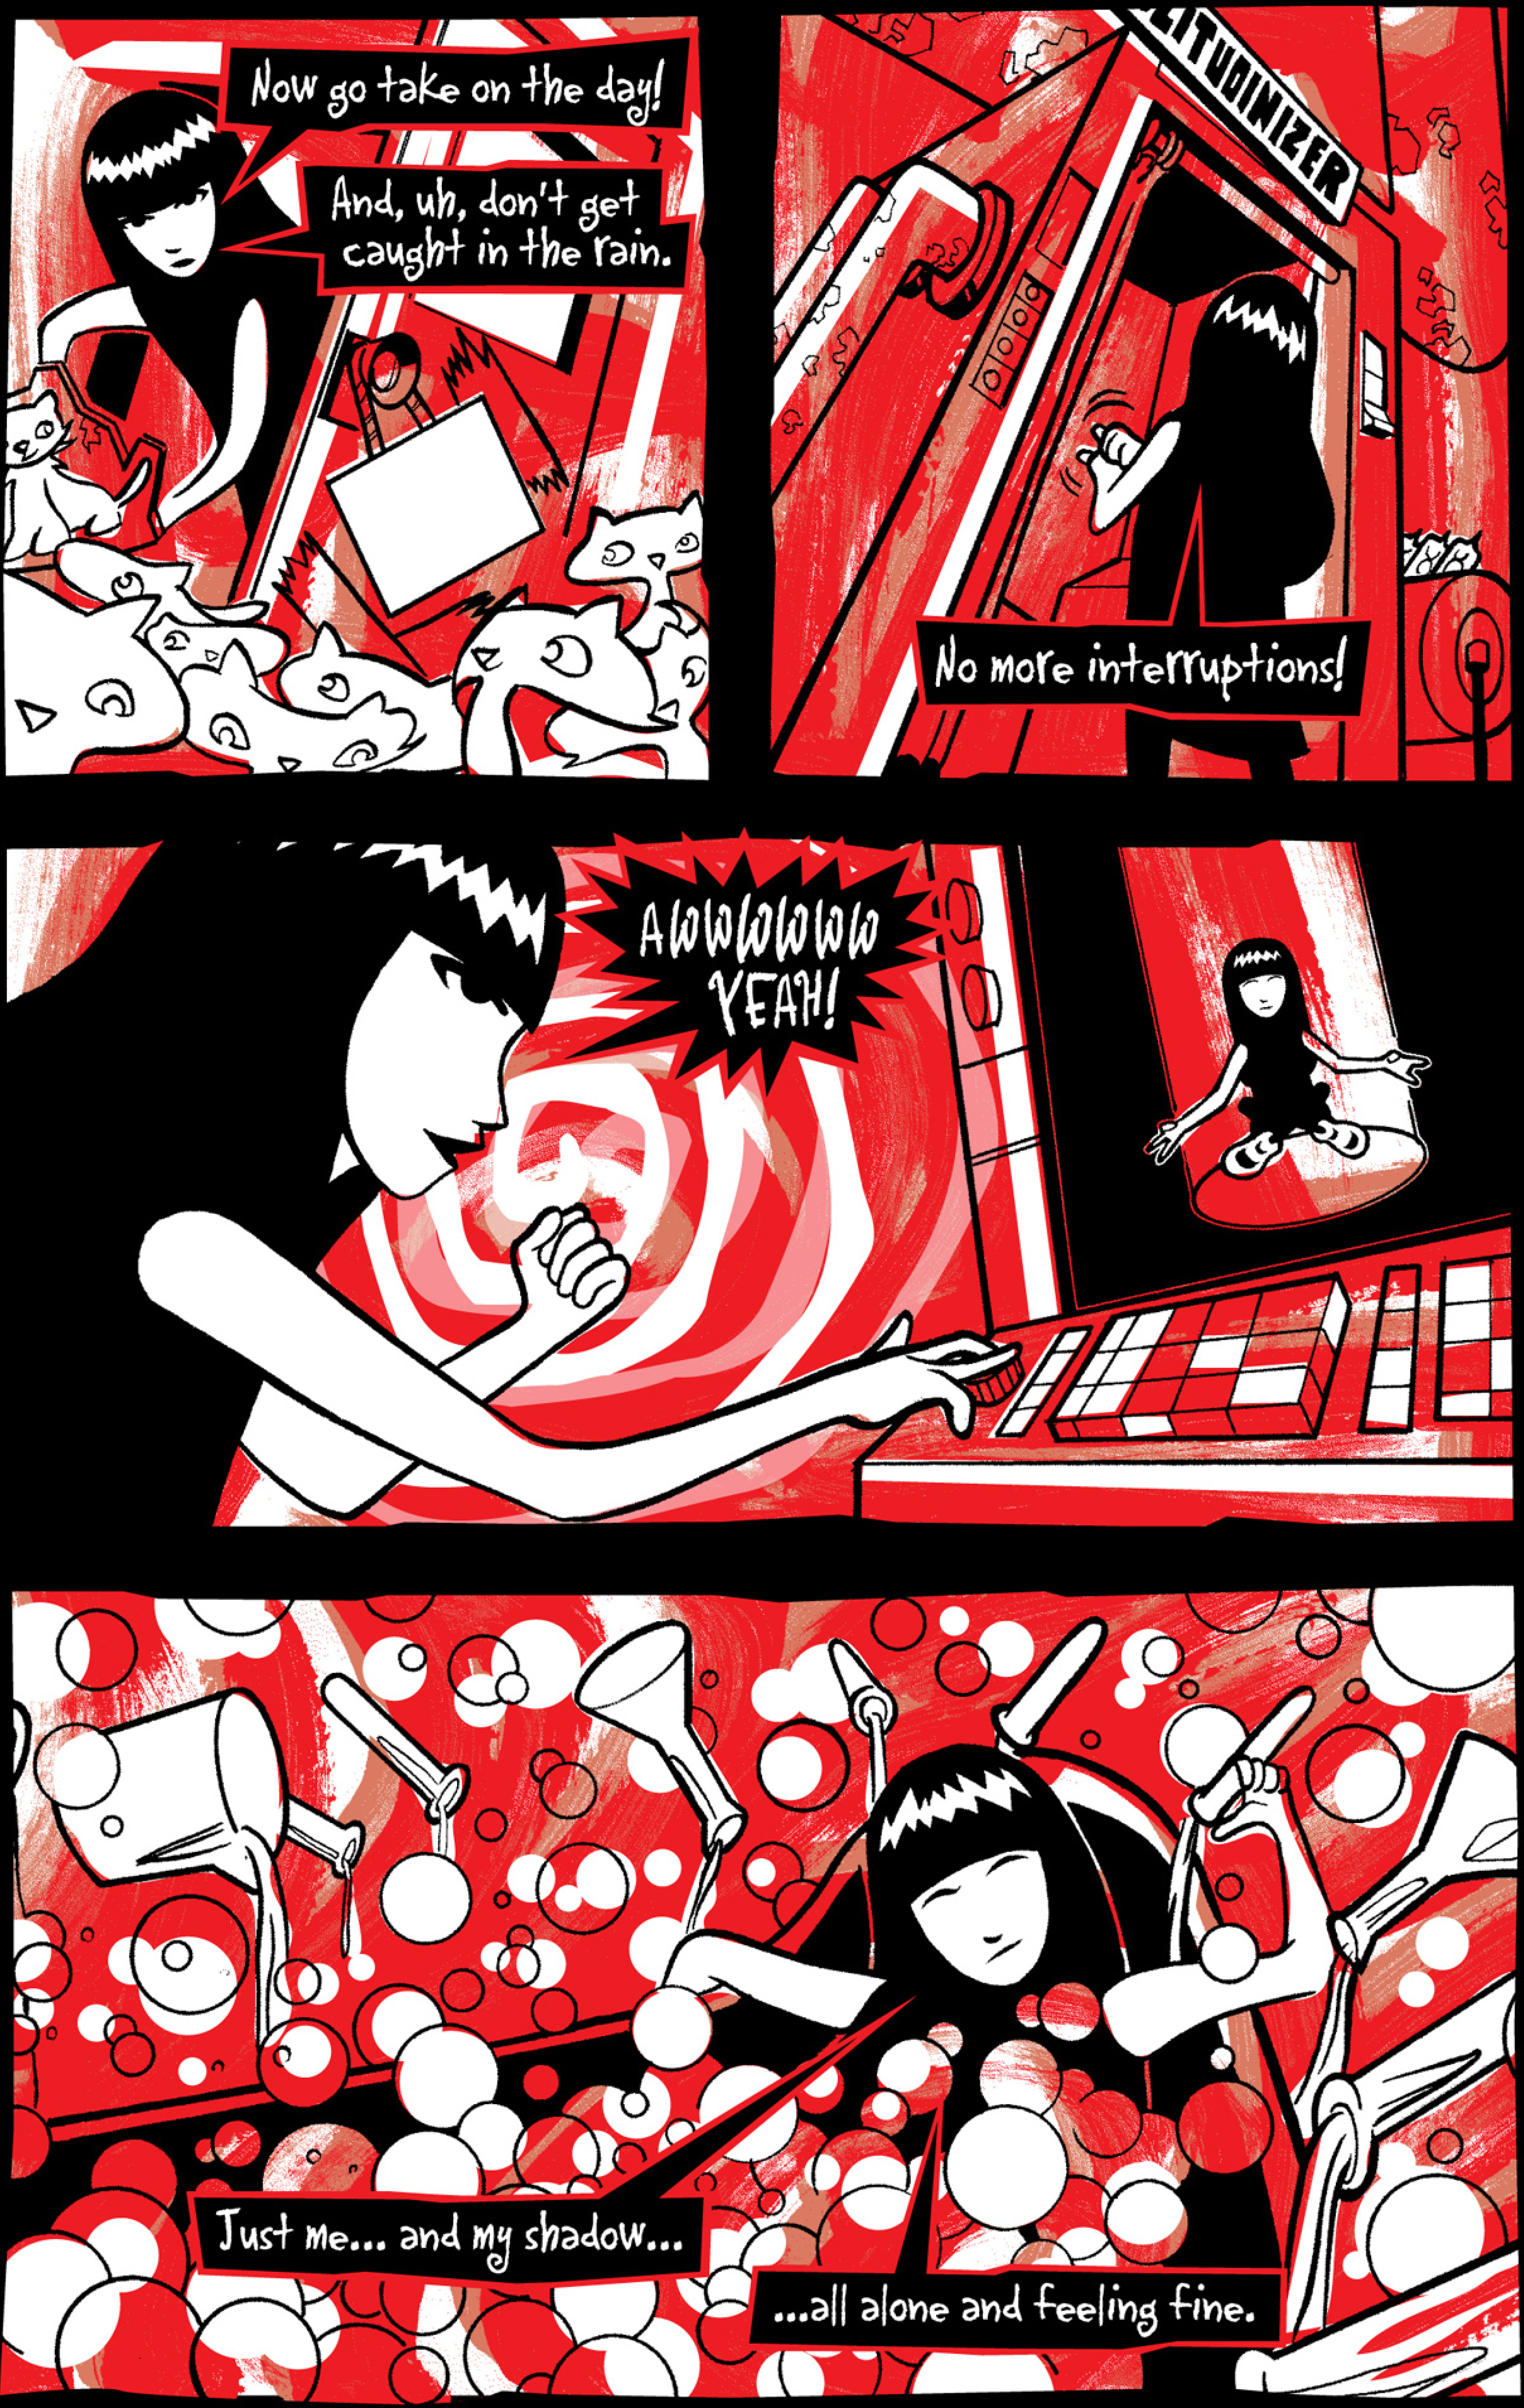
Solitudinizer – Take me away!
Now go enjoy the beautiful day, and don't come back until dinner time!
EMILY'S
KEEP OUT!
NO ONE ALLOWED!
THIS MEANS YOU
I think I'm alone now... Doesn't seem to be any cat around...
Oh, my beautiful Solitudinizer – I've dreamed of the moment we'd finally be together!
Errr, ALONE. Alone together?
SOLITUDINIZER

Now to dial in some EXTREME SOLITUDE!
SOLITUDINIZER
What the--? I'm supposed to be ALONE, here!
Grrrrr.... back to the drawing board. I wonder what went wrong?
NO-X
NOW I see... I'm gonna need some Essence of Alone.
LITUDINIZER
NO-X

This should teach that Solitudinizer what ALONE really means!
WIER
Flathering jimjarks!
Man, my Essence of Alone really isn't very lonely.
Seriously, I need some breathing room here.
Where am I gonna get some REAL Essence of Alone?

Hmm, just as I suspected.
NONE of you really knows what it's like to be alone!
Except... Cardboard Fluffy here.
There's probably not another one like you in the known universe!
The silent meow
-- loneliest sound on earth!
MEEEOOOW!

Oh yeah!
Let me get some of that Alone, Fluffy!
It's GOLD!
Don't worry, Fluffy.
I know solitude isn't for everyone.
I'm gonna make you an army!
Lucky for us, I've been collecting the souls of departed kitties for the past 13 years.



Now go take on the day!
And, uh, don't get caught in the rain.
No more interruptions!
AWWWWWW YEAH!
Just me... and my shadow...
...all alone and feeling fine.

BUT 13 MINUTES LATER...
Not a soul to tell my troubles to...
MEOOOOOOW!
THE NOT-SO-SILENT MEOW!
Miles? NeeChee? Mystery? Sabbath?
Is that you?
Alone is where the heart is!
Alone is where the POSSE is.
Dude, she didn't even last an hour!

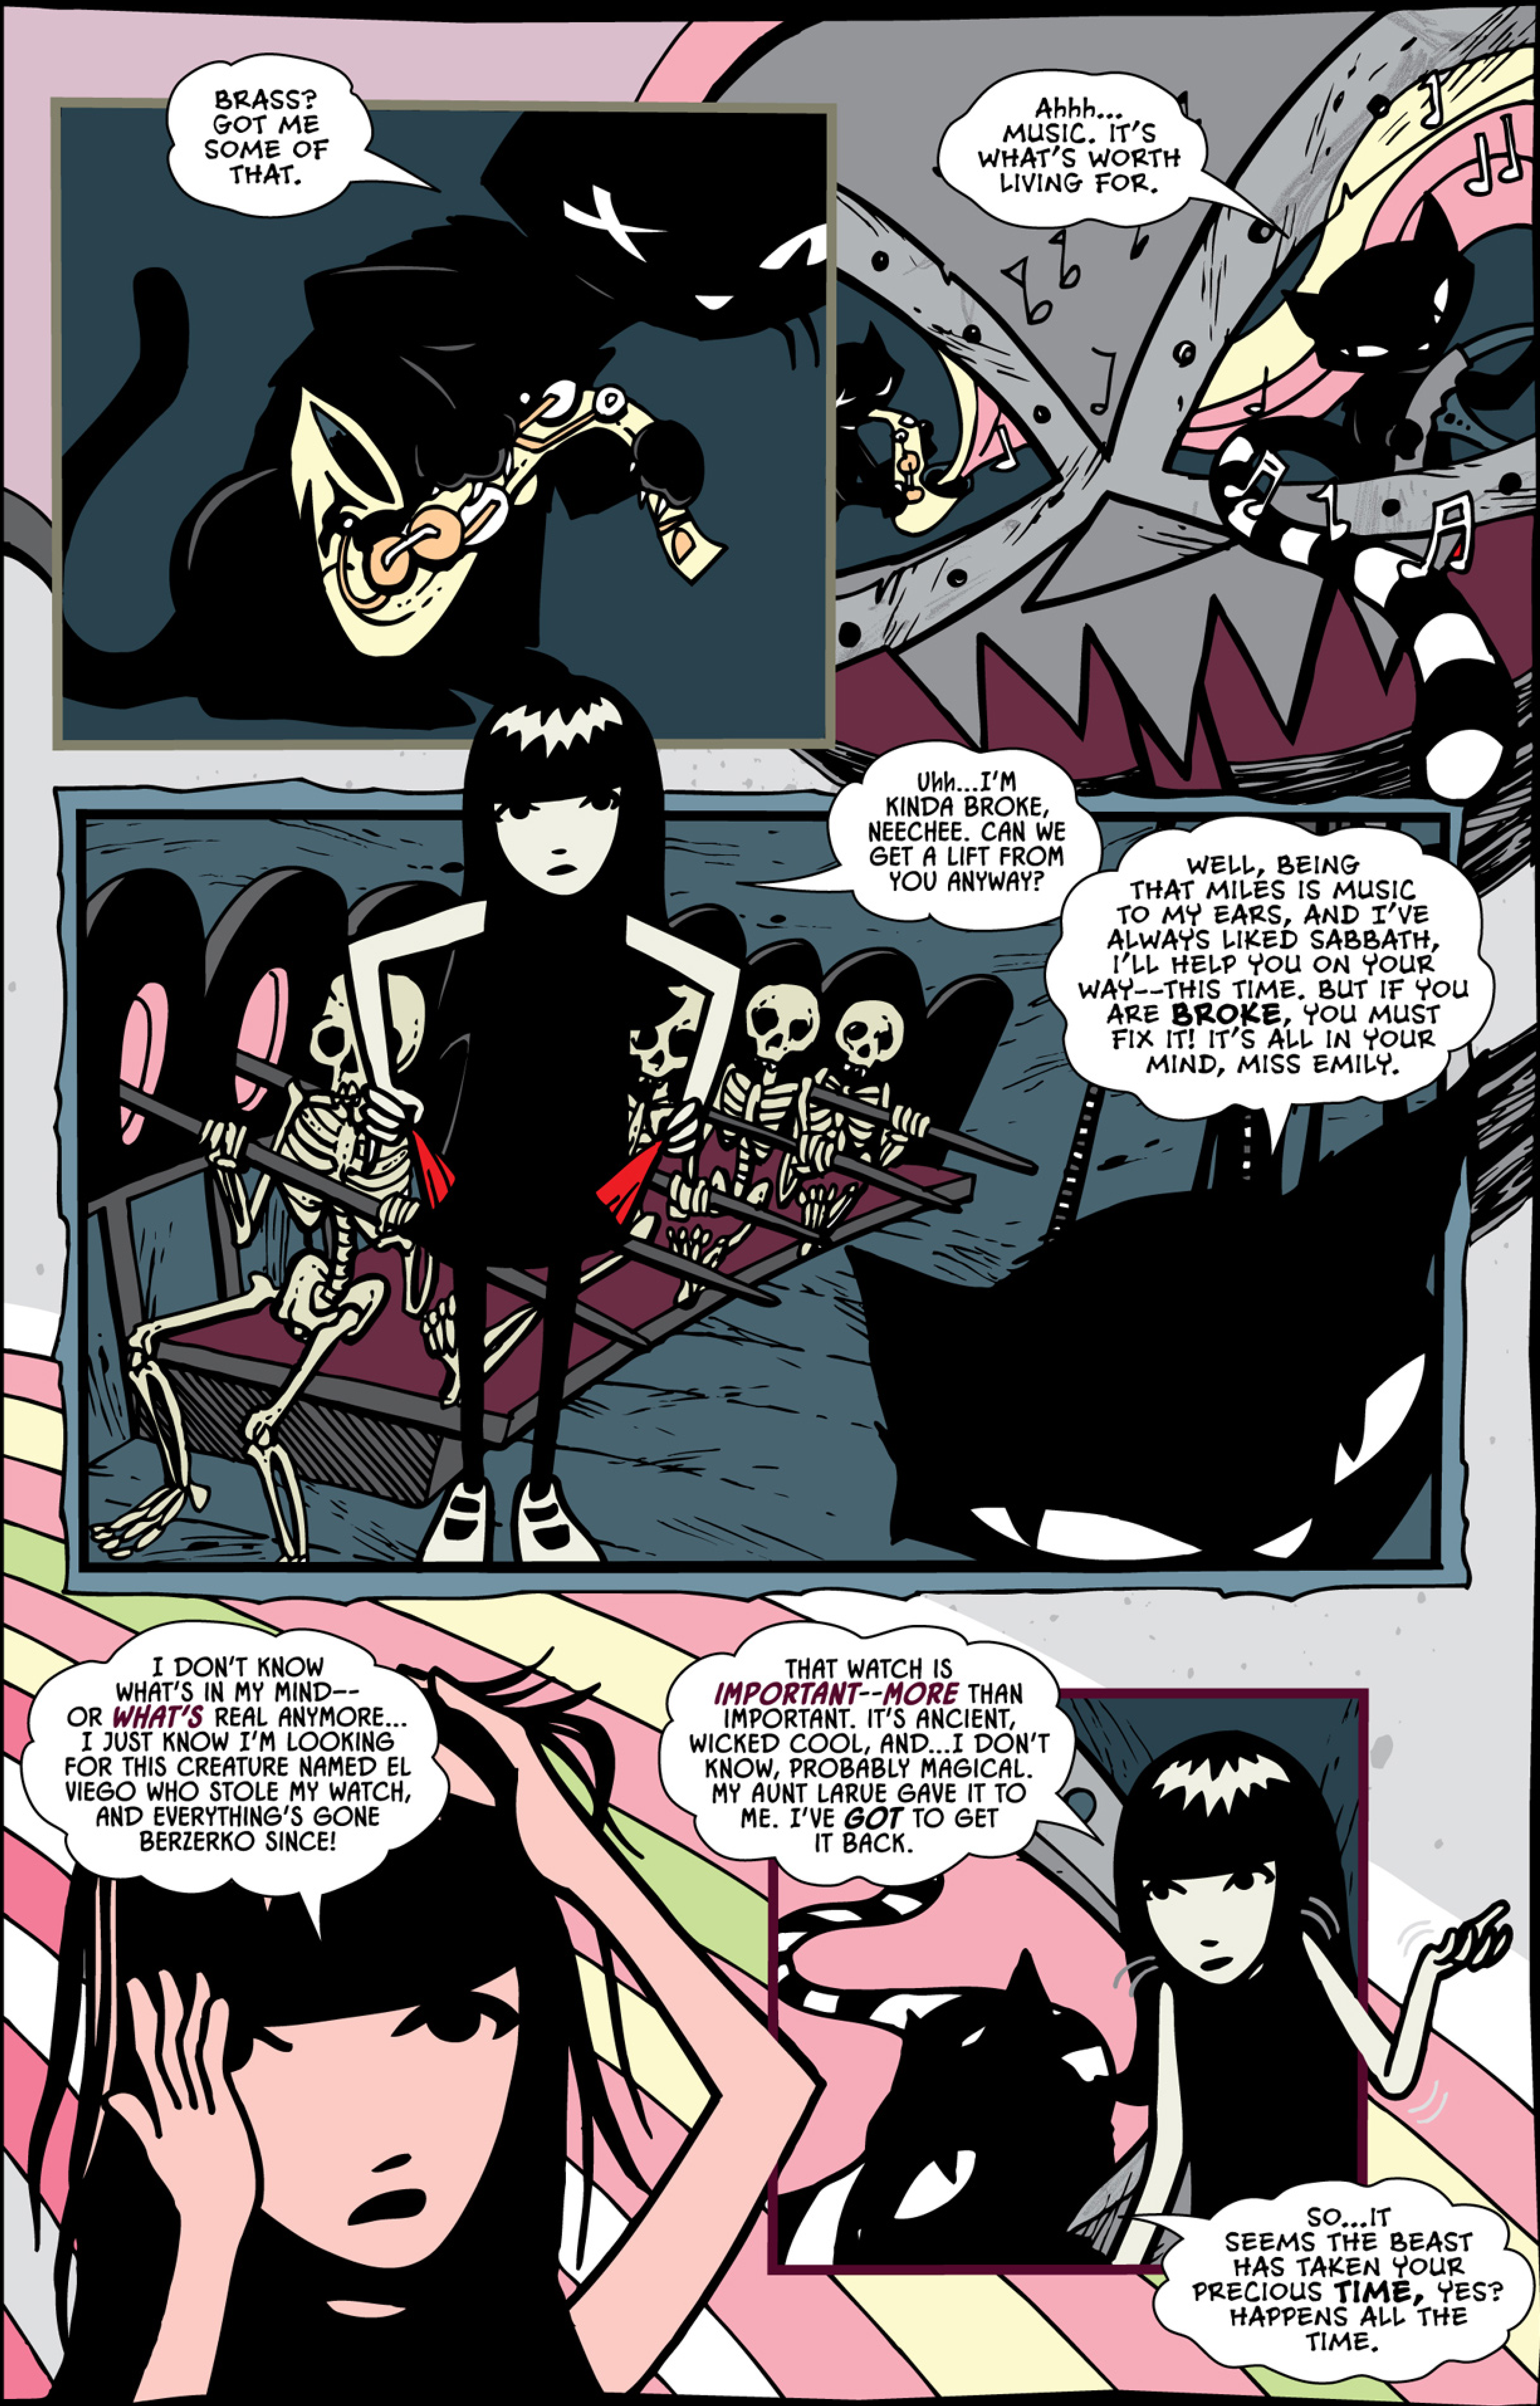
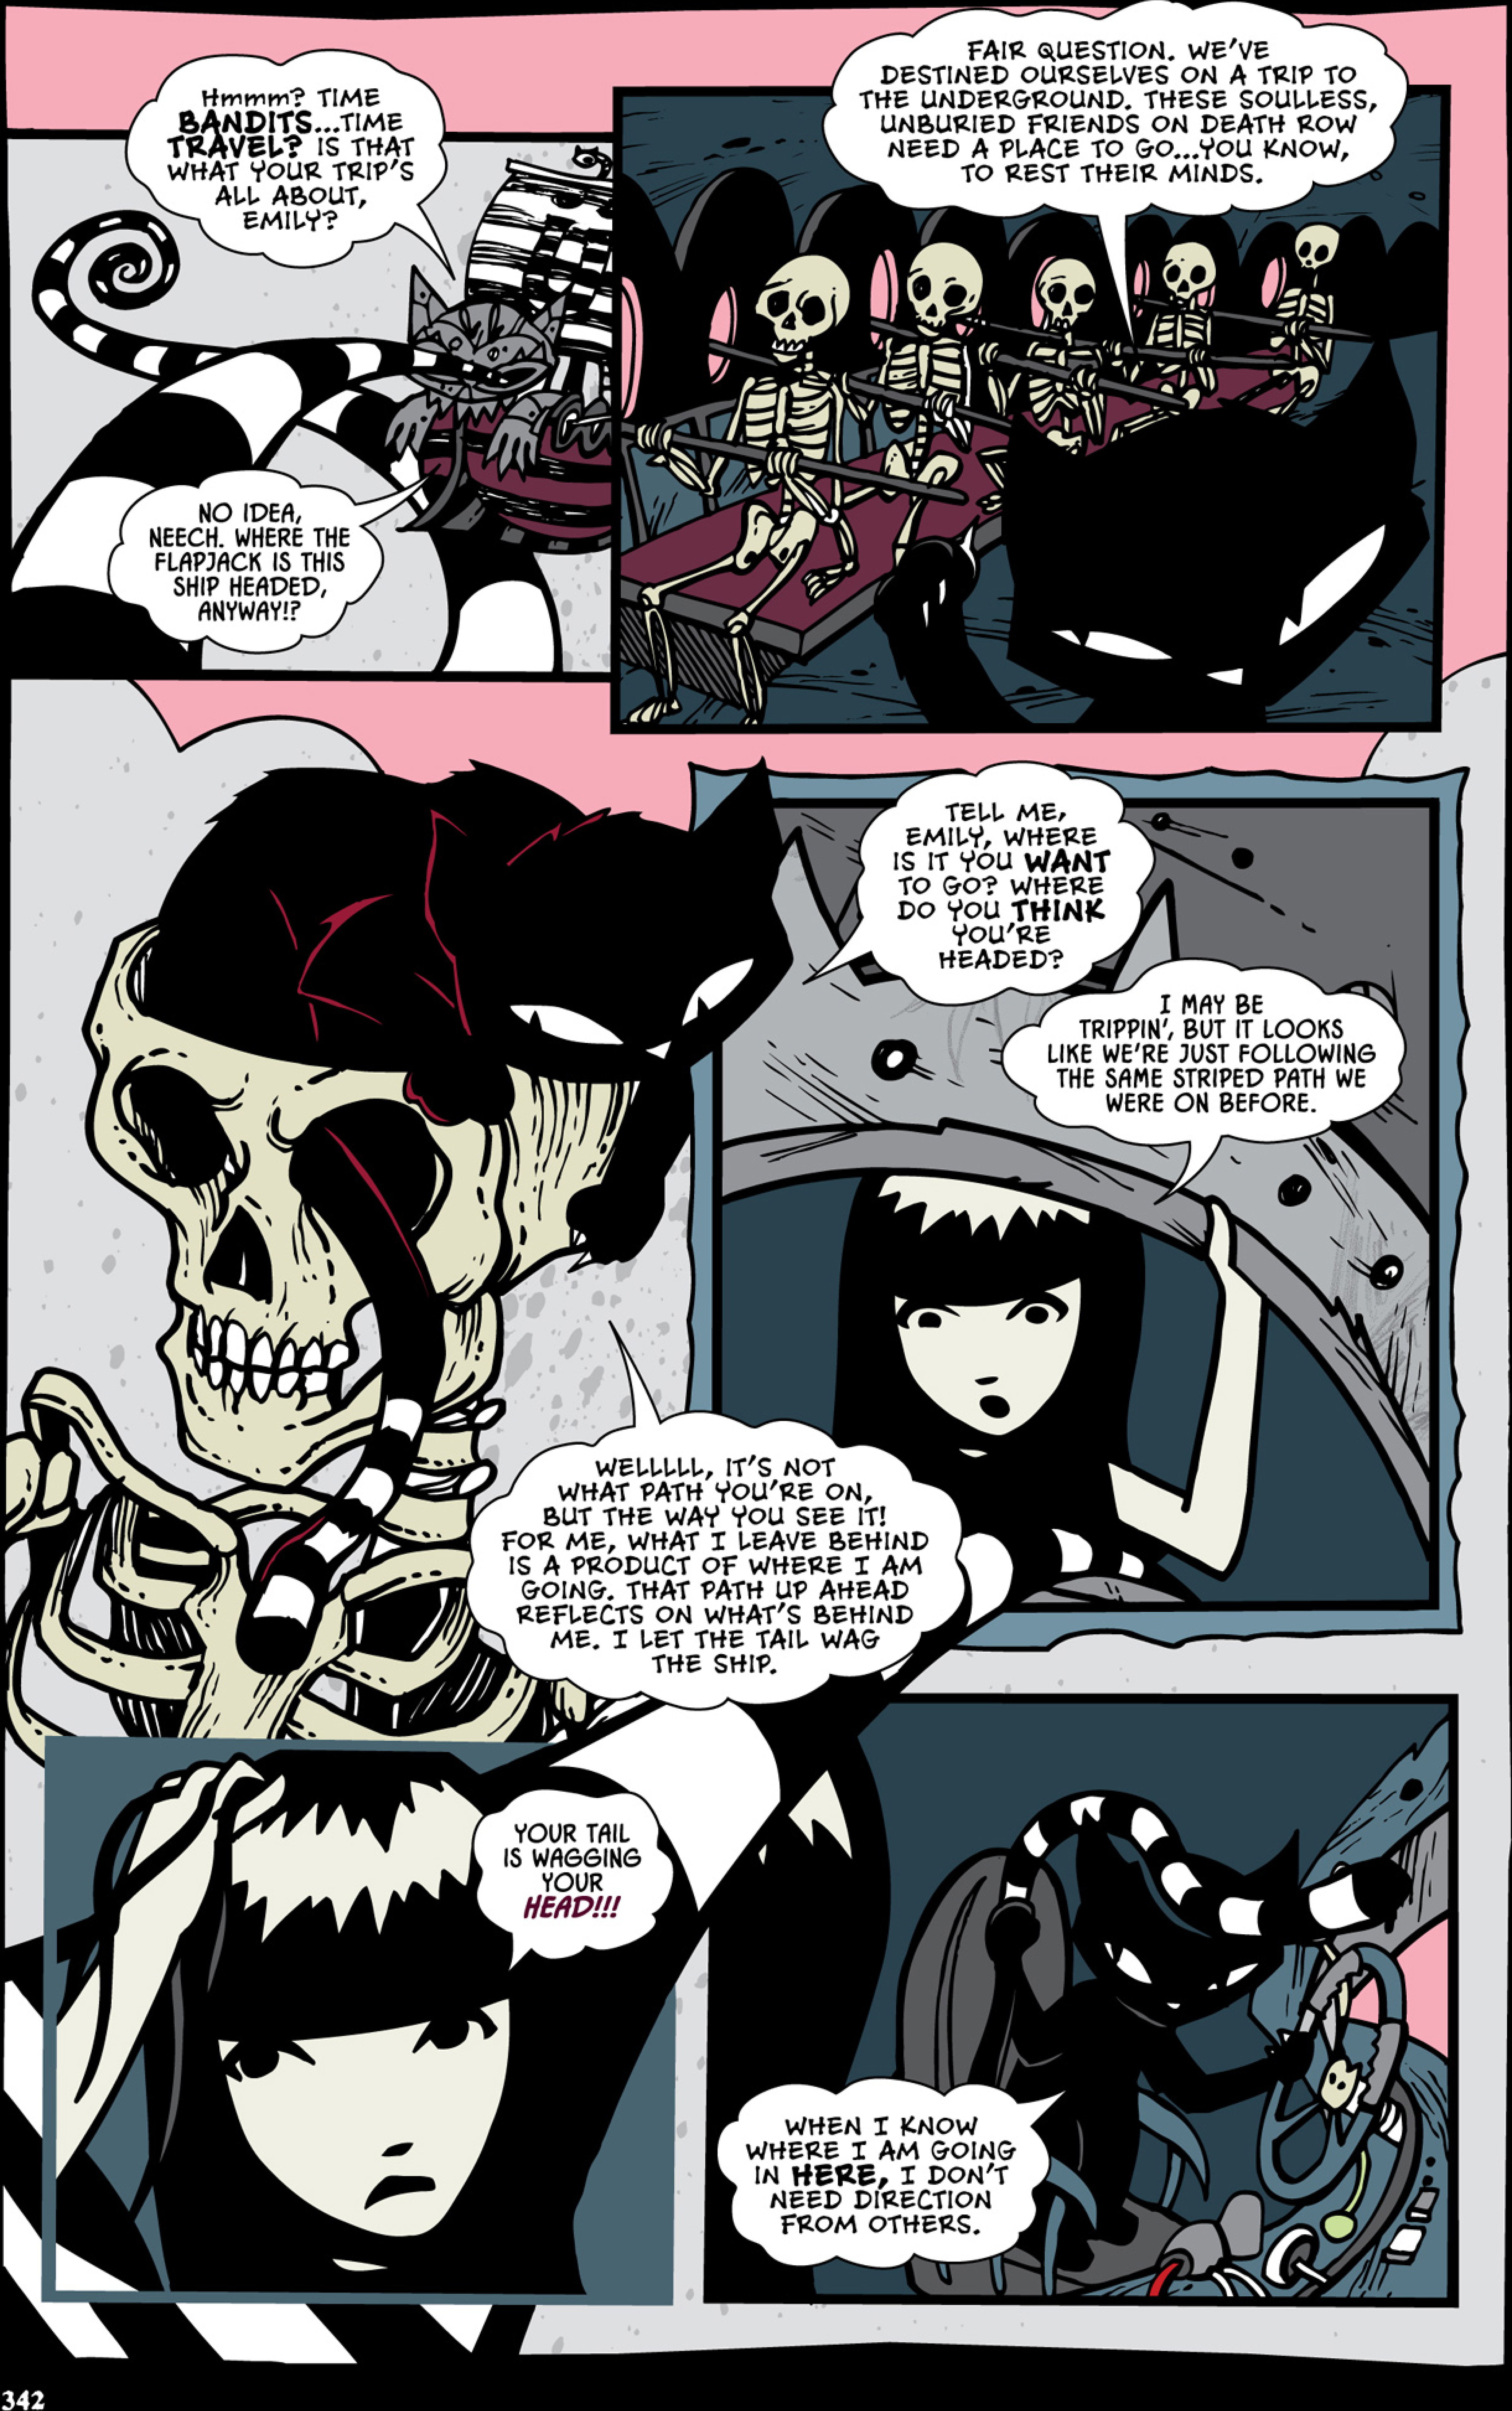
GREETINGS. ENTER NEECHEE'S UBERCAT, AND YOUR FUTURE WILL CREATE THE WAY. BE ALL YOU CAN'T BE AND SEE FOR YOURSELF. WE ONLY GO WHERE YOUR WILL WILL SHOW. YOU KNOW? WHERE ARE YOU HEADED TODAY, ANYWAY?
I'M NOT SURE WHERE I'M GOING. ANY CHANCE YOU CAN TAKE ME TO EL VIEGO?
GAS, BRASS, OR PASS, NO ONE RIDES FOR FREE.
I SEE...YOU'VE LOST YOUR WAY. PASSAGE ON THIS SHIP IS NOT FREE. THERE IS A FEE, AND YOU ARE FREE... TO PAY IT. WHAT WILL YOU PLAY TO PAY?



BRASS? GOT ME SOME OF THAT.
Ahhh... MUSIC. IT'S WHAT'S WORTH LIVING FOR.
Uhh...I'M KINDA BROKE, NEECHEE. CAN WE GET A LIFT FROM YOU ANYWAY?
WELL, BEING THAT MILES IS MUSIC TO MY EARS, AND I'VE ALWAYS LIKED SABBATH, I'LL HELP YOU ON YOUR WAY--THIS TIME. BUT IF YOU ARE BROKE, YOU MUST FIX IT! IT'S ALL IN YOUR MIND, MISS EMILY.
I DON'T KNOW WHAT'S IN MY MIND--OR WHAT'S REAL ANYMORE... I JUST KNOW I'M LOOKING FOR THIS CREATURE NAMED EL VIEGO WHO STOLE MY WATCH, AND EVERYTHING'S GONE BERZERKO SINCE!
THAT WATCH IS IMPORTANT--MORE THAN IMPORTANT. IT'S ANCIENT, WICKED COOL, AND...I DON'T KNOW, PROBABLY MAGICAL. MY AUNT LARUE GAVE IT TO ME. I'VE GOT TO GET IT BACK.
SO...IT SEEMS THE BEAST HAS TAKEN YOUR PRECIOUS TIME, YES? HAPPENS ALL THE TIME.



Hmmm? TIME BANDITS...TIME TRAVEL? IS THAT WHAT YOUR TRIP'S ALL ABOUT, EMILY?
NO IDEA, NEECH. WHERE THE FLAPJACK IS THIS SHIP HEADED, ANYWAY!?
FAIR QUESTION. WE'VE DESTINED OURSELVES ON A TRIP TO THE UNDERGROUND. THESE SOULLESS, UNBURIED FRIENDS ON DEATH ROW NEED A PLACE TO GO...YOU KNOW, TO REST THEIR MINDS.
TELL ME, EMILY, WHERE IS IT YOU WANT TO GO? WHERE DO YOU THINK YOU'RE HEADED?
I MAY BE TRIPPIN', BUT IT LOOKS LIKE WE'RE JUST FOLLOWING THE SAME STRIPED PATH WE WERE ON BEFORE.
WELLLLL, IT'S NOT WHAT PATH YOU'RE ON, BUT THE WAY YOU SEE IT! FOR ME, WHAT I LEAVE BEHIND IS A PRODUCT OF WHERE I AM GOING. THAT PATH UP AHEAD REFLECTS ON WHAT'S BEHIND ME. I LET THE TAIL WAG THE SHIP.
YOUR TAIL IS WAGGING YOUR HEAD!!!
WHEN I KNOW WHERE I AM GOING IN HERE, I DON'T NEED DIRECTION FROM OTHERS.

THE UBERCAT RUNS ON MY IMAGINATION. TOTALLY MIND CONTROLLED. I THINK IT'S TIME YOU MADE UP YOUR OWN MIND. DO IT YOURSELF!
I HAVE MY WAY, AND YOU YOURS. NEITHER IS THE RIGHT WAY, THE CORRECT WAY, OR THE ONLY WAY.
IT ALL SEEMS OUT OF THE WAY, IF WE AREN'T GETTING ANY CLOSER TO GETTING MY WATCH BACK.
DO WHATEVER YOU WILL, BUT FIRST BE SURE YOU ARE ABLE TO WILL.
Ohhh... kayyyy. BUT WILL YOU HELP ME?
HELP YOURSELF.
Sigh
WILL YOU HELP ME, MAGIC 8-BALL?
WILL I EVER GET MY WATCH BACK?
IT WILL TAKE TIME.
WILL I EVER GET OUTTA HERE AND BACK HOME?
THE ANSWER WILL BE FOUND INSIDE YOU.
CORRECT. UNTIL YOU CAN GO INSIDE YOURSELF AND EXAMINE WHAT YOUR PURPOSE IS, WE AREN'T GOING ANYWHERE. AND THAT'S EXACTLY WHERE WE'RE GOING NOW! TO THE INSIDE PASSAGE...GUTS GULCH! RIGHT THIS WAY...

Hmm. SO I ALREADY HAVE IT IN ME TO DO THAT?
YOU **CATCH** ON QUICK. LET'S STEP IT UP A NOTCH.

SERIOUSLY. SOMETHING IS TICKLING MY THROAT.
SORRY, EM! MY TAIL. MY BAD.

EMILY, BLACKROCK WASN'T ALWAYS AS YOU SEE IT NOW. I NEED TO SHOW YOU HOW THINGS USED TO BE...

MENDED THEM WHEN THEY WERE BROKEN...
GAVE THEM LOVE WHEN THEY WERE SHUT OUT BY THE WORLD.
SHE BESTOWED A BETTER AND MORE CHARMED LIFE UPON ALL OF THE AFFLICTED, AND MADE THEM PART OF HER FAMILY.

SWOOSH
WE ARE ONE. WE ARE THREE. WE ARE THIRTEEN.
WE ARE ONE. WE ARE THREE. WE ARE THIRTEEN.

WE ARE ONE IN SPIRIT NOW, AND INDIVIDUALLY WE HAVE VERY SIMILAR SENSIBILITIES.
"LIKE YOU, EMILY, I WAS A COLLECTOR, AN INVENTOR, AND A FRIEND TO ALL STRANGE BEASTS. IN MY TIME, CREATURES OF STRANGE VARIETY WERE MORE COMMON BUT NOT ACCEPTED BY MOST HUMANS. I SOUGHT OUT CREATURES WHO NEEDED HELP AND TOOK IN ALL THOSE WHO DARED TO BE CARED FOR.
"TOGETHER, THE MISFITS OF THE NIGHT AND I CARED FOR EACH OTHER AND BROUGHT LIFE TO BLACKROCK. WE GARDENED, CREATED MUSIC AND ART, SHARED STORIES ABOUT OUR LIVES...WE WERE A REAL FAMILY.
"THEN ONE DAY A TRUE STRANGER ENTERED OUR LIVES. THIS ONE WAS DIFFERENT, OF THE HUMAN VARIETY. HE WAS A DARING DRIFTER, OLDER LIKE ME, AND DOWN ON HIS LUCK.
"HIS NAME WAS OGLEVIE.
"I KNEW WE HAD TO HELP HIM.

"WE WERE ALL VERY KIND TO HIM.
"IN TURN, OGLEVIE HELPED WITH THE CARETAKING OF BLACKROCK AND MY ANIMAL FRIENDS. BUT WHAT TRULY SURPRISED ME WAS THE INCREDIBLE MUSIC HE CREATED.
"OGLEVIE HAD AN AMAZING TALENT FOR PLAYING THE PIPE ORGAN, AND HIS WEIRD, DARK, COMPLEX MELODIES KEPT ME AWAKE LATE INTO THE DAY.
"I WAS ENTRANCED, AND SOMEHOW...TRANSFORMED BY THOSE HAUNTING TUNES.
"IN TIME, I BECAME CLOSE TO OGLEVIE, IN A WAY I NEVER HAD BEEN WITH ANY PERSON BEFORE.
"SURE, HE WAS A LITTLE WEIRD AND WAS CLEARLY KEEPING A PART OF HIS LIFE SECRET FROM ME, BUT THAT DIDN'T BOTHER ME. WE ALL HAVE OUR STRANGE SIDE.

"OGLEVIE WAS ROUGH AROUND THE EDGES, BUT WHEN HE PLAYED MUSIC, HE CHANGED, SOMEHOW. HE SEEMED HAPPIER AND MORE AT PEACE.
"I WAS SO CHARGED WITH HIS MUSIC THAT I COULD SEE IT, FEEL IT, AND SOMETIMES I WANTED IT TO LAST FOREVER. HE INSPIRED ME TO BE EVEN MORE INVENTIVE AND CREATIVE, AND IT WAS CLEAR I INSPIRED HIM TOO.
"LIFE HERE AT BLACKROCK WAS PERFECT. I HAD ALL MY STRANGE BEASTS AROUND, MY IMAGINATION AND CREATIVITY WERE AT AN ALL-TIME HIGH, AND OGLEVIE BECAME MORE THAN A RESIDENT. HE WAS MY FRIEND.
"BUT OUR HAPPINESS DIDN'T LAST. A FEW YEARS AFTER OGELVIE ARRIVED, I BEGAN TO GROW VERY SICK.

"AROUND THE SAME TIME, GROANY AND STONEY DISAPPEARED.

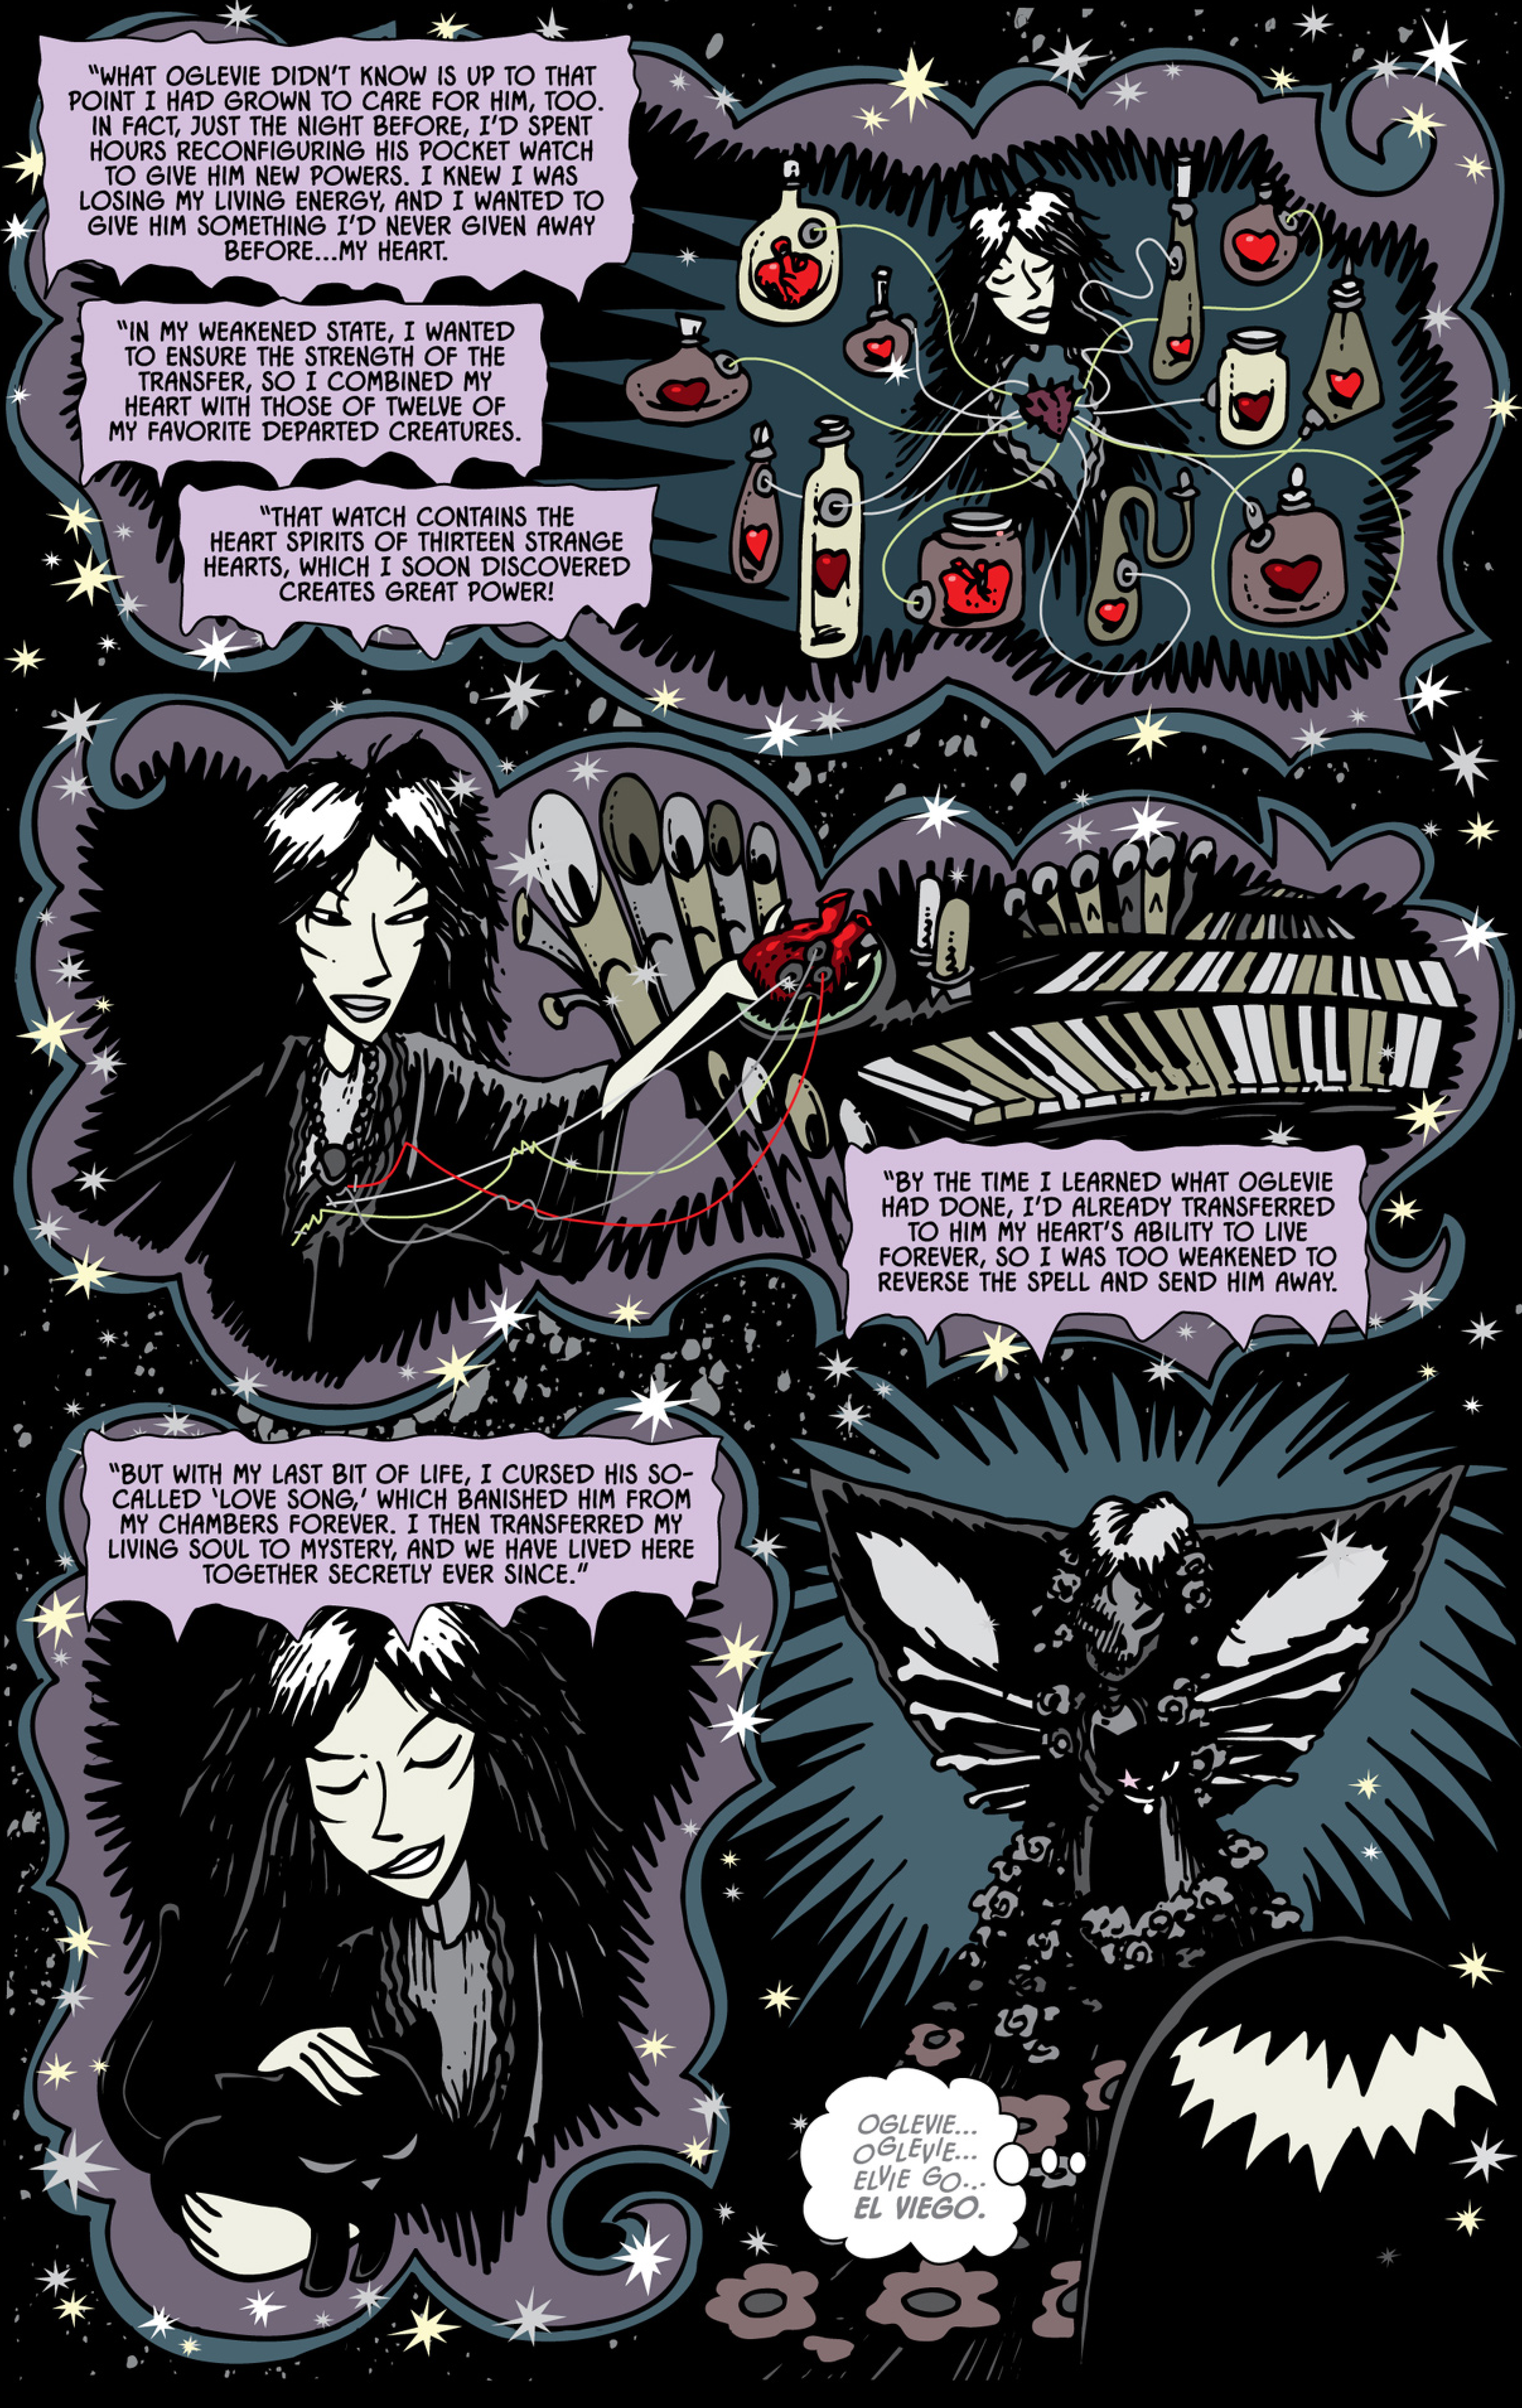
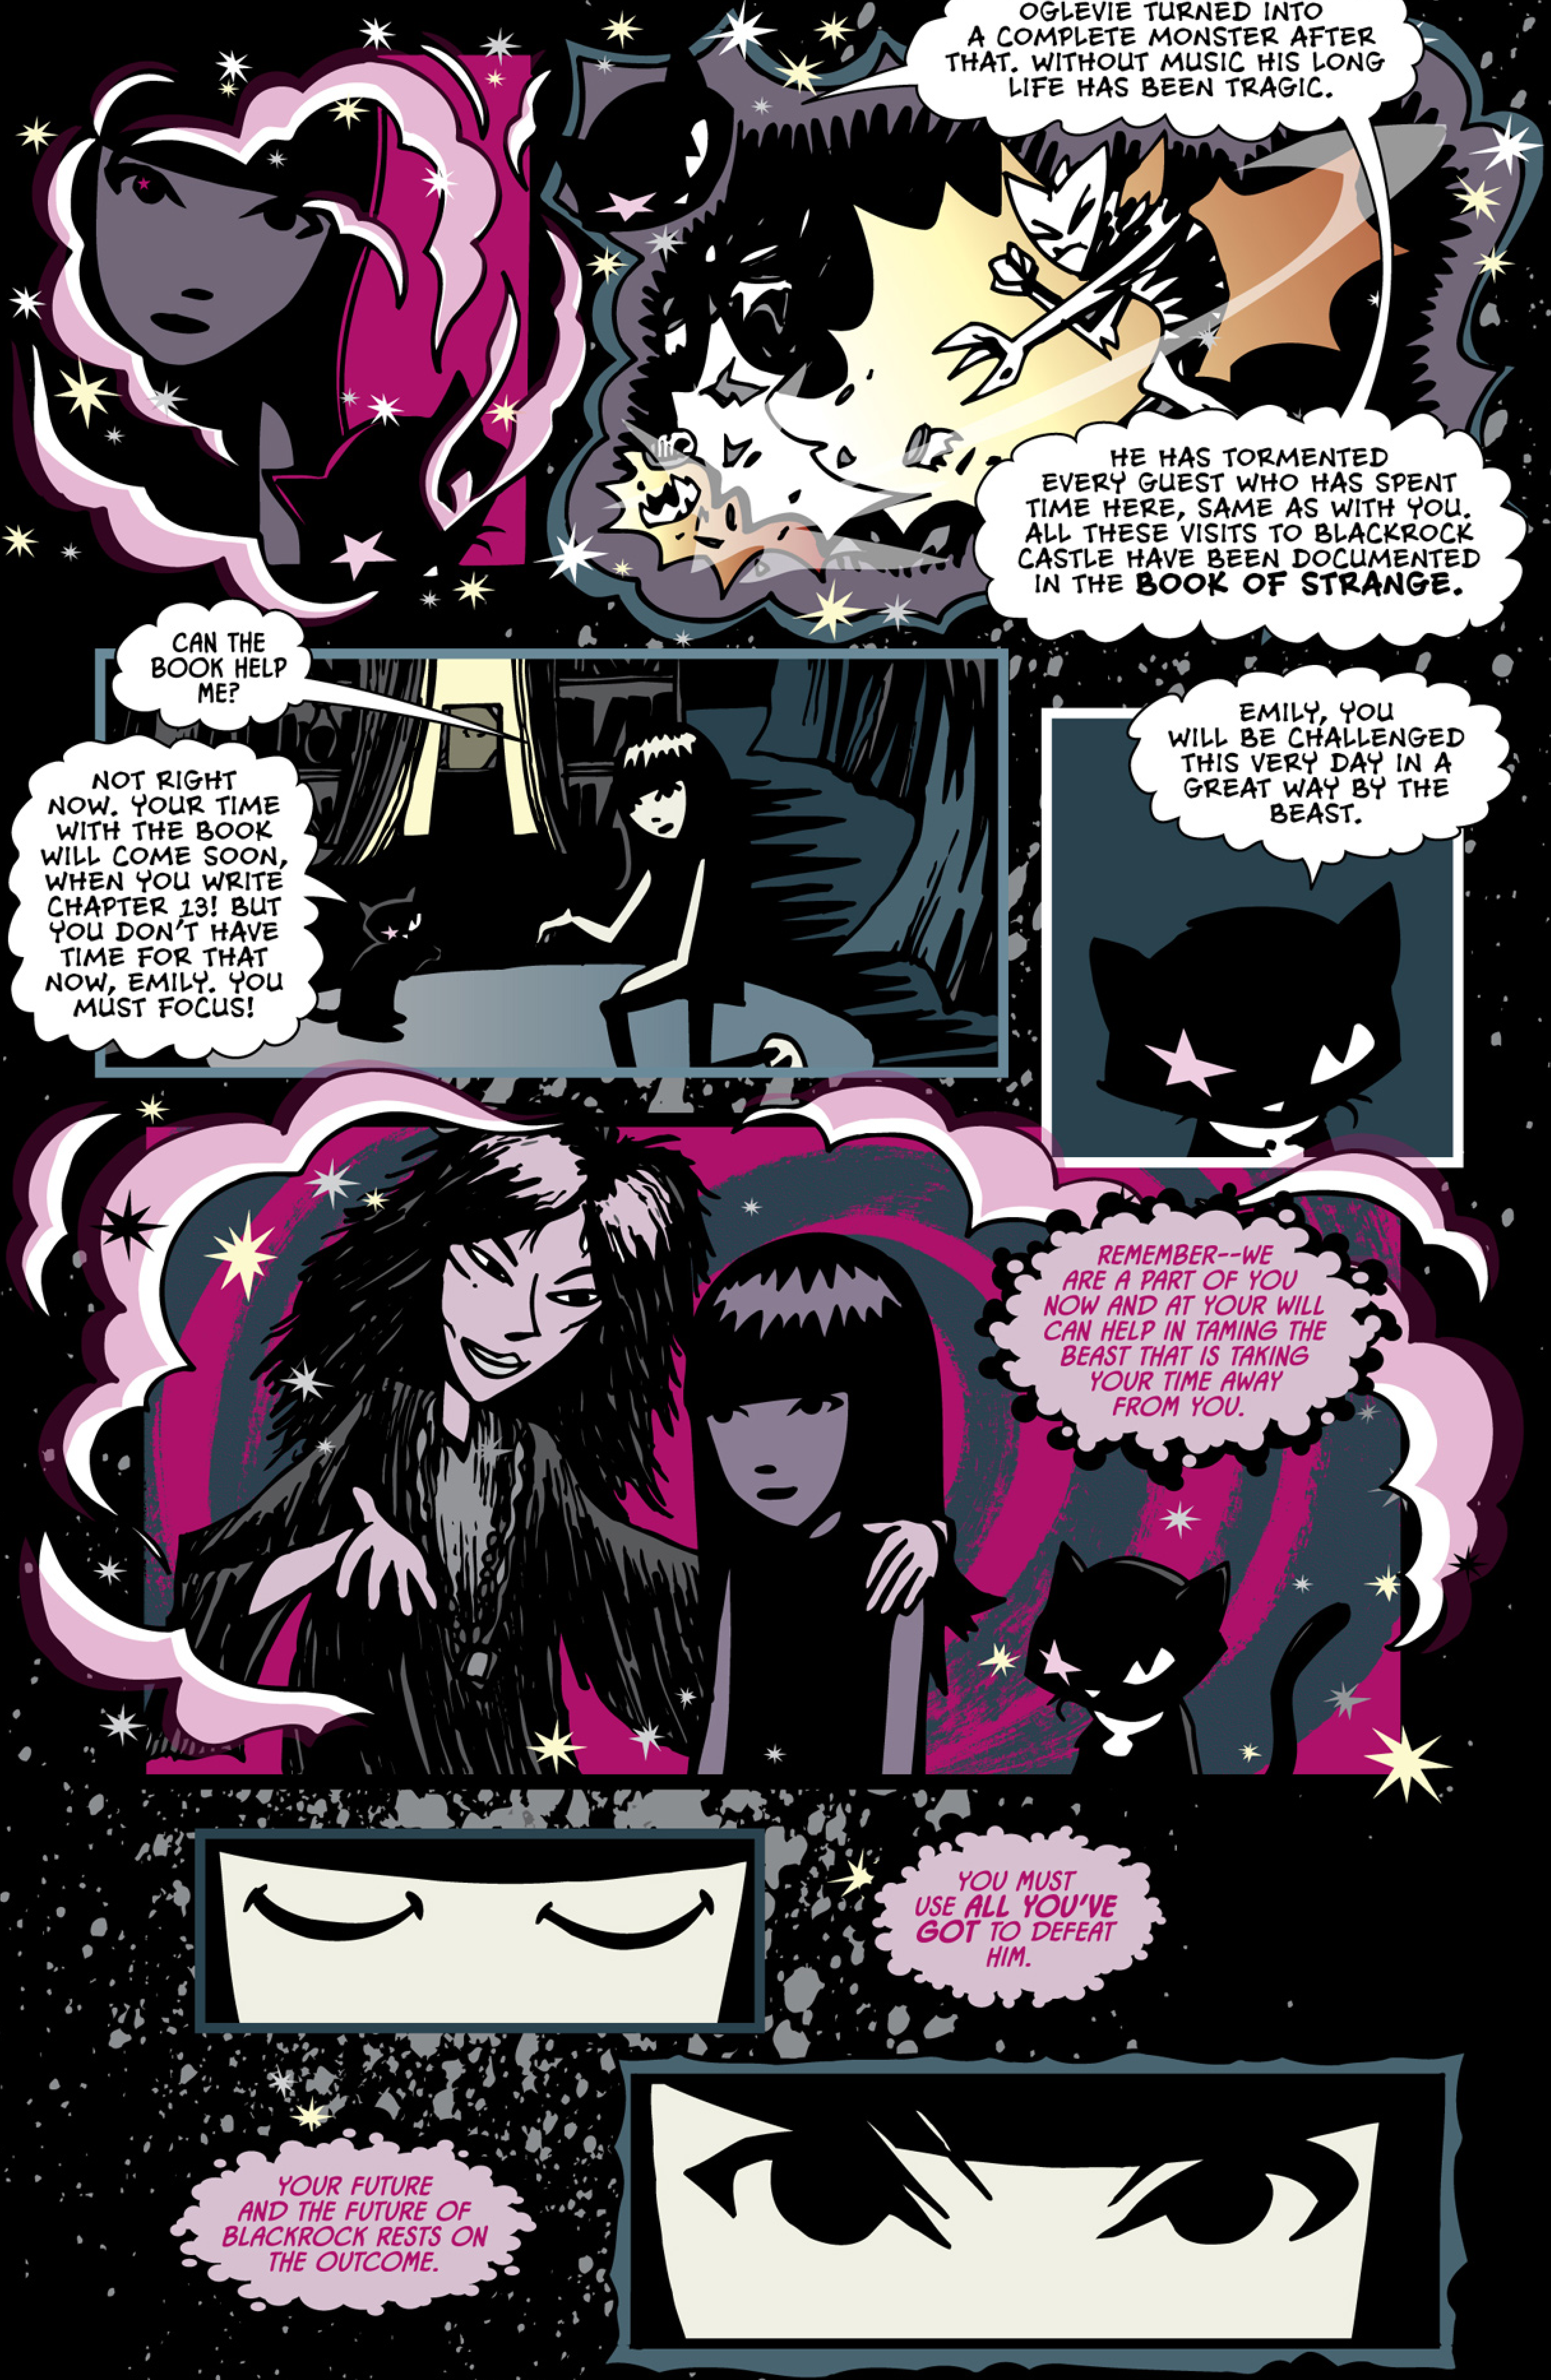
"I FELT LIKE I WAS LOSING MY SPIRIT...AND ONE BY ONE, MY PRECIOUS CREATURES SEEMED TO VANISH INTO THIN AIR.
"OGLEVIE WAS THERE FOR ME, BUT WITHOUT ALL MY BEAST FRIENDS, MY WILL TO LIVE BEGAN TO WANE."
MISS LARUE, YOU ARE NOT WELL, AND FOR WHAT REASON I CANNOT TELL. MAYBE A TUNE WILL PERK UP YOUR SPIRITS?
THAT SOUNDS WONDERFUL. MAYBE MYSTERY AND COONER CAN JOIN US...
MISS LARUE, I'M SORRY TO SAY I HAVEN'T SEEN COONER SINCE HIS FEEDING LAST NIGHT.
I BELIEVE HE IS GONE NOW, TOO, OGLEVIE. I CAN FEEL IT. NOT ANOTHER ONE... SOB
LARUE-- YOU FRIGHTEN ME! WHAT'S HAPPENING TO YOU?
YOU ARE SO GOOD TO ME, OGLEVIE. I DON'T KNOW WHAT I WOULD DO WITHOUT YOU. ESPECIALLY NOW THAT IT'S ONLY THE THREE OF US. I KNOW MYSTERY WOULD NEVER LEAVE ME, AND I HOPE YOU WON'T.
NEVER! BUT I AM TERRIFIED THAT YOU ARE LEAVING ME. NO MATTER WHAT IS WRONG, I WILL NOT LEAVE YOU.
AND NOW THAT THOSE CRITTERS ARE GONE I CAN GIVE YOU MY FULL ATTENTION...

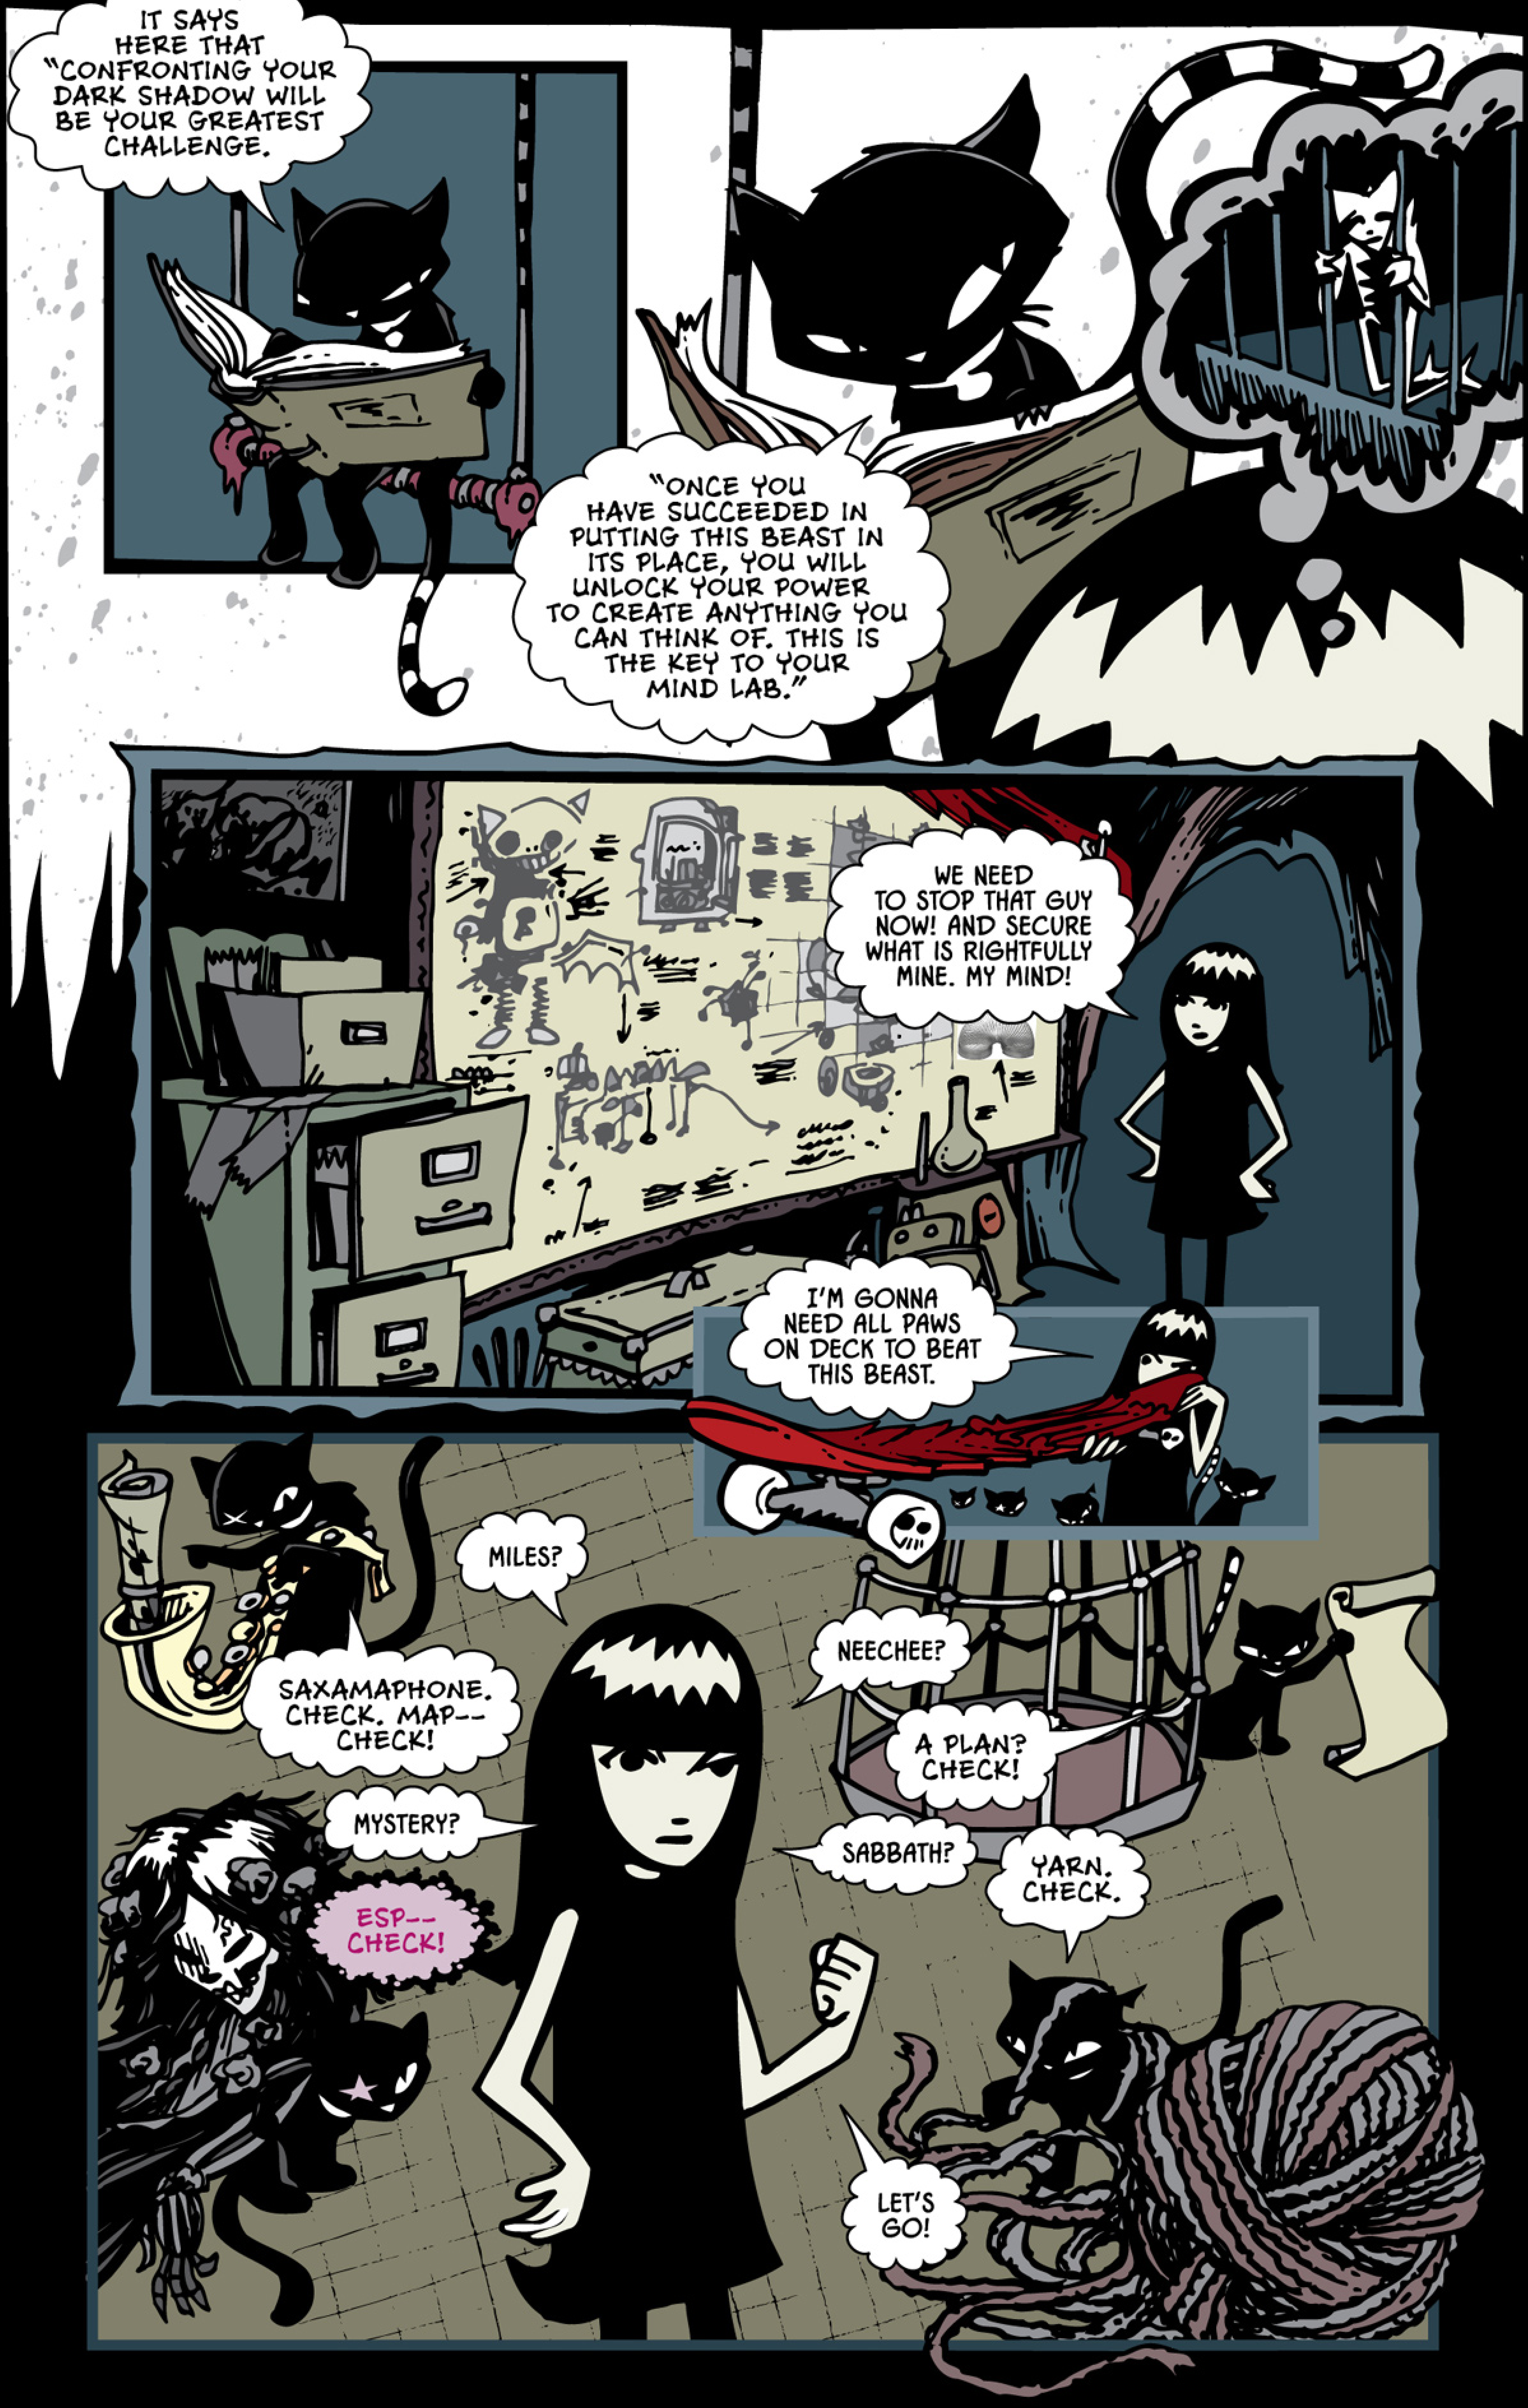
"IT WAS ONLY THEN THAT I BEGAN TO SUSPECT OGLEVIE'S INTENTIONS."
CRITTERS? MY PETS ARE MORE THAN CRITTERS TO ME. AND I THINK I AM DYING WITHOUT THEM.
MISS LARUE, I BEG YOUR PARDON, BUT WITHOUT ALL THAT MEWLING AND HOWLING, YOU CAN HEAR MY SONG TO YOU WITHOUT INTERRUPTION. IT WILL SOUND MUCH BETTER WITHOUT THEIR OUT-OF-TUNE RACKET...
...DON'T YOU THINK?
LARUE...I WANT US TO BE ALONE, TOGETHER.
YOU SENT THEM AWAY? HOW COULD YOU DO THAT? WHY?
I DID IT BECAUSE I...I... LOVE YOU.
LOVE?! WHAT ABOUT THE LOVE I HAD FOR MY FRIENDS AND THE LOVE THEY GAVE ME? I TOOK ALL OF THEM IN, JUST LIKE I TOOK YOU IN. BY WANTING ME FOR YOURSELF AND SENDING MY SOULMATES AWAY, YOU HAVE BROKEN ME. THEIR SOULS TOGETHER WITH MINE MADE ME COMPLETE AND NOW I'M A FRACTION OF WHAT I WAS.
I AM DYING.
NOOOO. IT'S NOT LIKE THAT...
PLEASE LEAVE MY CHAMBER. YOU WILL NEVER PLAY MY ORGAN AGAIN.
NO! LISTEN! THIS SONG IS A LOVE SONG!!
YOUR SONG IS WRONG. AND YOUR LOVE IS MISGUIDED AND DISTRACTED BY YOUR GREED. IT HAS NO PLACE HERE. LEAVE ME ALONE TO REST IN PEACE.
"OGLEVIE HAD UNKNOWINGLY PLAYED A SEQUENCE OF NOTES THAT TRIGGERED A PROTECTION SPELL OF MINE. THIS OPENED A SECRET CREVASSE BENEATH HIM, LOCKING HIM OUT OF MY CHAMBER, AND SENDING HIM OUT OF MY LIFE FOREVER.



"WHAT OGLEVIE DIDN'T KNOW IS UP TO THAT POINT I HAD GROWN TO CARE FOR HIM, TOO. IN FACT, JUST THE NIGHT BEFORE, I'D SPENT HOURS RECONFIGURING HIS POCKET WATCH TO GIVE HIM NEW POWERS. I KNEW I WAS LOSING MY LIVING ENERGY, AND I WANTED TO GIVE HIM SOMETHING I'D NEVER GIVEN AWAY BEFORE...MY HEART.
"IN MY WEAKENED STATE, I WANTED TO ENSURE THE STRENGTH OF THE TRANSFER, SO I COMBINED MY HEART WITH THOSE OF TWELVE OF MY FAVORITE DEPARTED CREATURES.
"THAT WATCH CONTAINS THE HEART SPIRITS OF THIRTEEN STRANGE HEARTS, WHICH I SOON DISCOVERED CREATES GREAT POWER!
"BY THE TIME I LEARNED WHAT OGLEVIE HAD DONE, I'D ALREADY TRANSFERRED TO HIM MY HEART'S ABILITY TO LIVE FOREVER, SO I WAS TOO WEAKENED TO REVERSE THE SPELL AND SEND HIM AWAY.
"BUT WITH MY LAST BIT OF LIFE, I CURSED HIS SO-CALLED 'LOVE SONG,' WHICH BANISHED HIM FROM MY CHAMBERS FOREVER. I THEN TRANSFERRED MY LIVING SOUL TO MYSTERY, AND WE HAVE LIVED HERE TOGETHER SECRETLY EVER SINCE."
OGLEVIE... OGLEVIE... ELVIE GO... EL VIEGO.



OGLEVIE TURNED INTO A COMPLETE MONSTER AFTER THAT. WITHOUT MUSIC HIS LONG LIFE HAS BEEN TRAGIC.
HE HAS TORMENTED EVERY GUEST WHO HAS SPENT TIME HERE, SAME AS WITH YOU. ALL THESE VISITS TO BLACKROCK CASTLE HAVE BEEN DOCUMENTED IN THE BOOK OF STRANGE.
CAN THE BOOK HELP ME?
NOT RIGHT NOW. YOUR TIME WITH THE BOOK WILL COME SOON, WHEN YOU WRITE CHAPTER 13! BUT YOU DON'T HAVE TIME FOR THAT NOW, EMILY. YOU MUST FOCUS!
EMILY, YOU WILL BE CHALLENGED THIS VERY DAY IN A GREAT WAY BY THE BEAST.
REMEMBER--WE ARE A PART OF YOU NOW AND AT YOUR WILL CAN HELP IN TAMING THE BEAST THAT IS TAKING YOUR TIME AWAY FROM YOU.
YOU MUST USE ALL YOU'VE GOT TO DEFEAT HIM.
YOUR FUTURE AND THE FUTURE OF BLACKROCK RESTS ON THE OUTCOME.



IT SAYS HERE THAT "CONFRONTING YOUR DARK SHADOW WILL BE YOUR GREATEST CHALLENGE.
"ONCE YOU HAVE SUCCEEDED IN PUTTING THIS BEAST IN ITS PLACE, YOU WILL UNLOCK YOUR POWER TO CREATE ANYTHING YOU CAN THINK OF. THIS IS THE KEY TO YOUR MIND LAB."
WE NEED TO STOP THAT GUY NOW! AND SECURE WHAT IS RIGHTFULLY MINE. MY MIND!
I'M GONNA NEED ALL PAWS ON DECK TO BEAT THIS BEAST.
MILES?
SAXAMAPHONE. CHECK. MAP-- CHECK!
NEECHEE?
A PLAN? CHECK!
MYSTERY?
ESP-- CHECK!
SABBATH?
YARN. CHECK.
LET'S GO!

HE'LL BE EXPECTING US TO COME IN THE FRONT, SO LETS TAKE THE OLD CREEK.
HEY NOW--THIS IS A FASTER BEAT THAN I LIKE TO KEEP!
WOOOOSHHH

PREPARE FOR A CRASH LANDING!
SLAM
WHOA. I NEED TO LEARN HOW TO LAND ON MY FEET LIKE YOU GUYS.
CHEESES, HE'S GOOD.
I HAVEN'T BEEN IN HERE IN CENTURIES. LOCKED OUT OF MY OWN HOME, WAITING FOR THIS TIME TO COME, MYSTERY. AND YOU'VE BEEN HERE ALL ALONG? WHY KEEP IT ALL TO YOURSELF? ARE YOU AFRAID OF ME?
YEP. HE KNOWS HIS PIPES.
SNAP OUT OF IT, YOU TWO. WHAT'S THE PLAN NEECHEE?
EMILY... YOU'RE UP.

YOU KILLED MY GREAT-AUNT LARUE! YOU ARE EL VIEGO, OGLEVIE. AND YOU HAVE MY WATCH. GIVE IT BACK NOW!
I DIDN'T KILL MISS LARUE, SWEETIE. I LOVED HER. SHE DIED OF LONELINESS BECAUSE SHE COULDN'T LOVE ME BACK. I AM THE HEIR TO BLACKROCK AND THE ONE WHO CAN MAKE THIS PLACE SING AGAIN.
IT'S THE ANIMALS THAT GAVE LARUE AND BLACKROCK LIFE--
AND AFTER YOU RAN THEM OFF SHE NEVER RECOVERED.
RAN THEM OFF? LET'S JUST SAY IT'S LUCKY FOR MYSTERY I CANNOT STAND THE TASTE OF THE FILTHY FELINE VARIETY.
HEH HEH HEE HEE!
WHAT?! YOU ATE LARUE'S PETS?

HAHAHA. OVER TIME I CAME TO REALIZE THAT THEIR POWERS REMAIN IN ME, AND MAKE ME STRONGER. INVINCIBLE. IMMORTAL.
YOU'RE PATHETIC AND WEAK!
I GUESS MY GREEDINESS FOR HER, AND MY DISTASTE FOR HER VEGETARIAN FOOD--
--ULTIMATELY GAVE ME THE UPPER HAND HERE AT BLACKROCK!
HAHAHAHA. YOU THINK YOUR PEBBLES WILL GET YOUR WATCH BACK?
YOU ARE AS FEISTY AS LARUE. DOOON'T MAAAAAKE MEEEE HURT YOUUUUU!!!
ALL I WANT IS FOR YOU TO STAY AND HELP.
HELP ME BRING BACK THE LIFE THAT ONCE WAS AT BLACKROCK WHEN MISS LARUE AND I RULED IT TOGETHER.
I HAVE THE KEY TO UNLOCK YOUR IMAGINATION AND WHAT EMPOWERS YOUR MIND. THIS WATCH IS YOUR LEGACY, YOUR FATE-- AND YOU CAN'T LEAVE WITHOUT IT.
ME? STAY HERE WITH YOU? YOU ARE DEMENTED!

HE'S GOT YOU THERE.
SURE DOES.
BUMMER.
YOWZA. THAT STINGS.
OKAY THEN.
HOW ABOUT A CHALLENGE? BEST ORGAN GRINDER WINS. THE ORGAN WILL BE THE JUDGE. WINNER TAKES ALL--BLACKROCK, THE WATCH, ME STAY OR YOU GO, THE WHOLE CAT AND CABOODLE.
IF I WIN, I GET THE WATCH-SLASH-MY MIND BACK, AND RETURN HOME LEAVING YOU HERE TO STAY.
AND WHEN I WIN YOU WILL HELP RESTORE LIFE HERE AS IT WAS, KEEP ME COMPANY, AND YOUR CATS WILL BE OUR HUMBLE SERVANTS UNTIL THE END.
OOOHHH MY MISS LARUE. YOU MOST CERTAINLY HAVE A DEAL.
DEAL.
TO PROVE THAT I AM DEAD SERIOUS, THE CATS WILL TIDY UP THE PLACE JUST TO SHOW YOU THE TYPE OF FINE SERVANTS THEY WILL BE.
MAYBE YOU COULD PLAY SOMETHING WHILE THEY WORK?
THAT WAS SIMPLY WONDERFUL. I'VE NEVER HEARD ANYTHING LIKE IT BEFORE IN MY LIFE. YOU ARE TRULY THE BEST. TO FOLLOW YOU WOULD ONLY RUIN THE FANTASTIC TUNE RUNNING THROUGH MY HEAD RIGHT NOW.

A DEAL'S A DEAL.
IF I MUST...
Uh-hem.
plink plunk

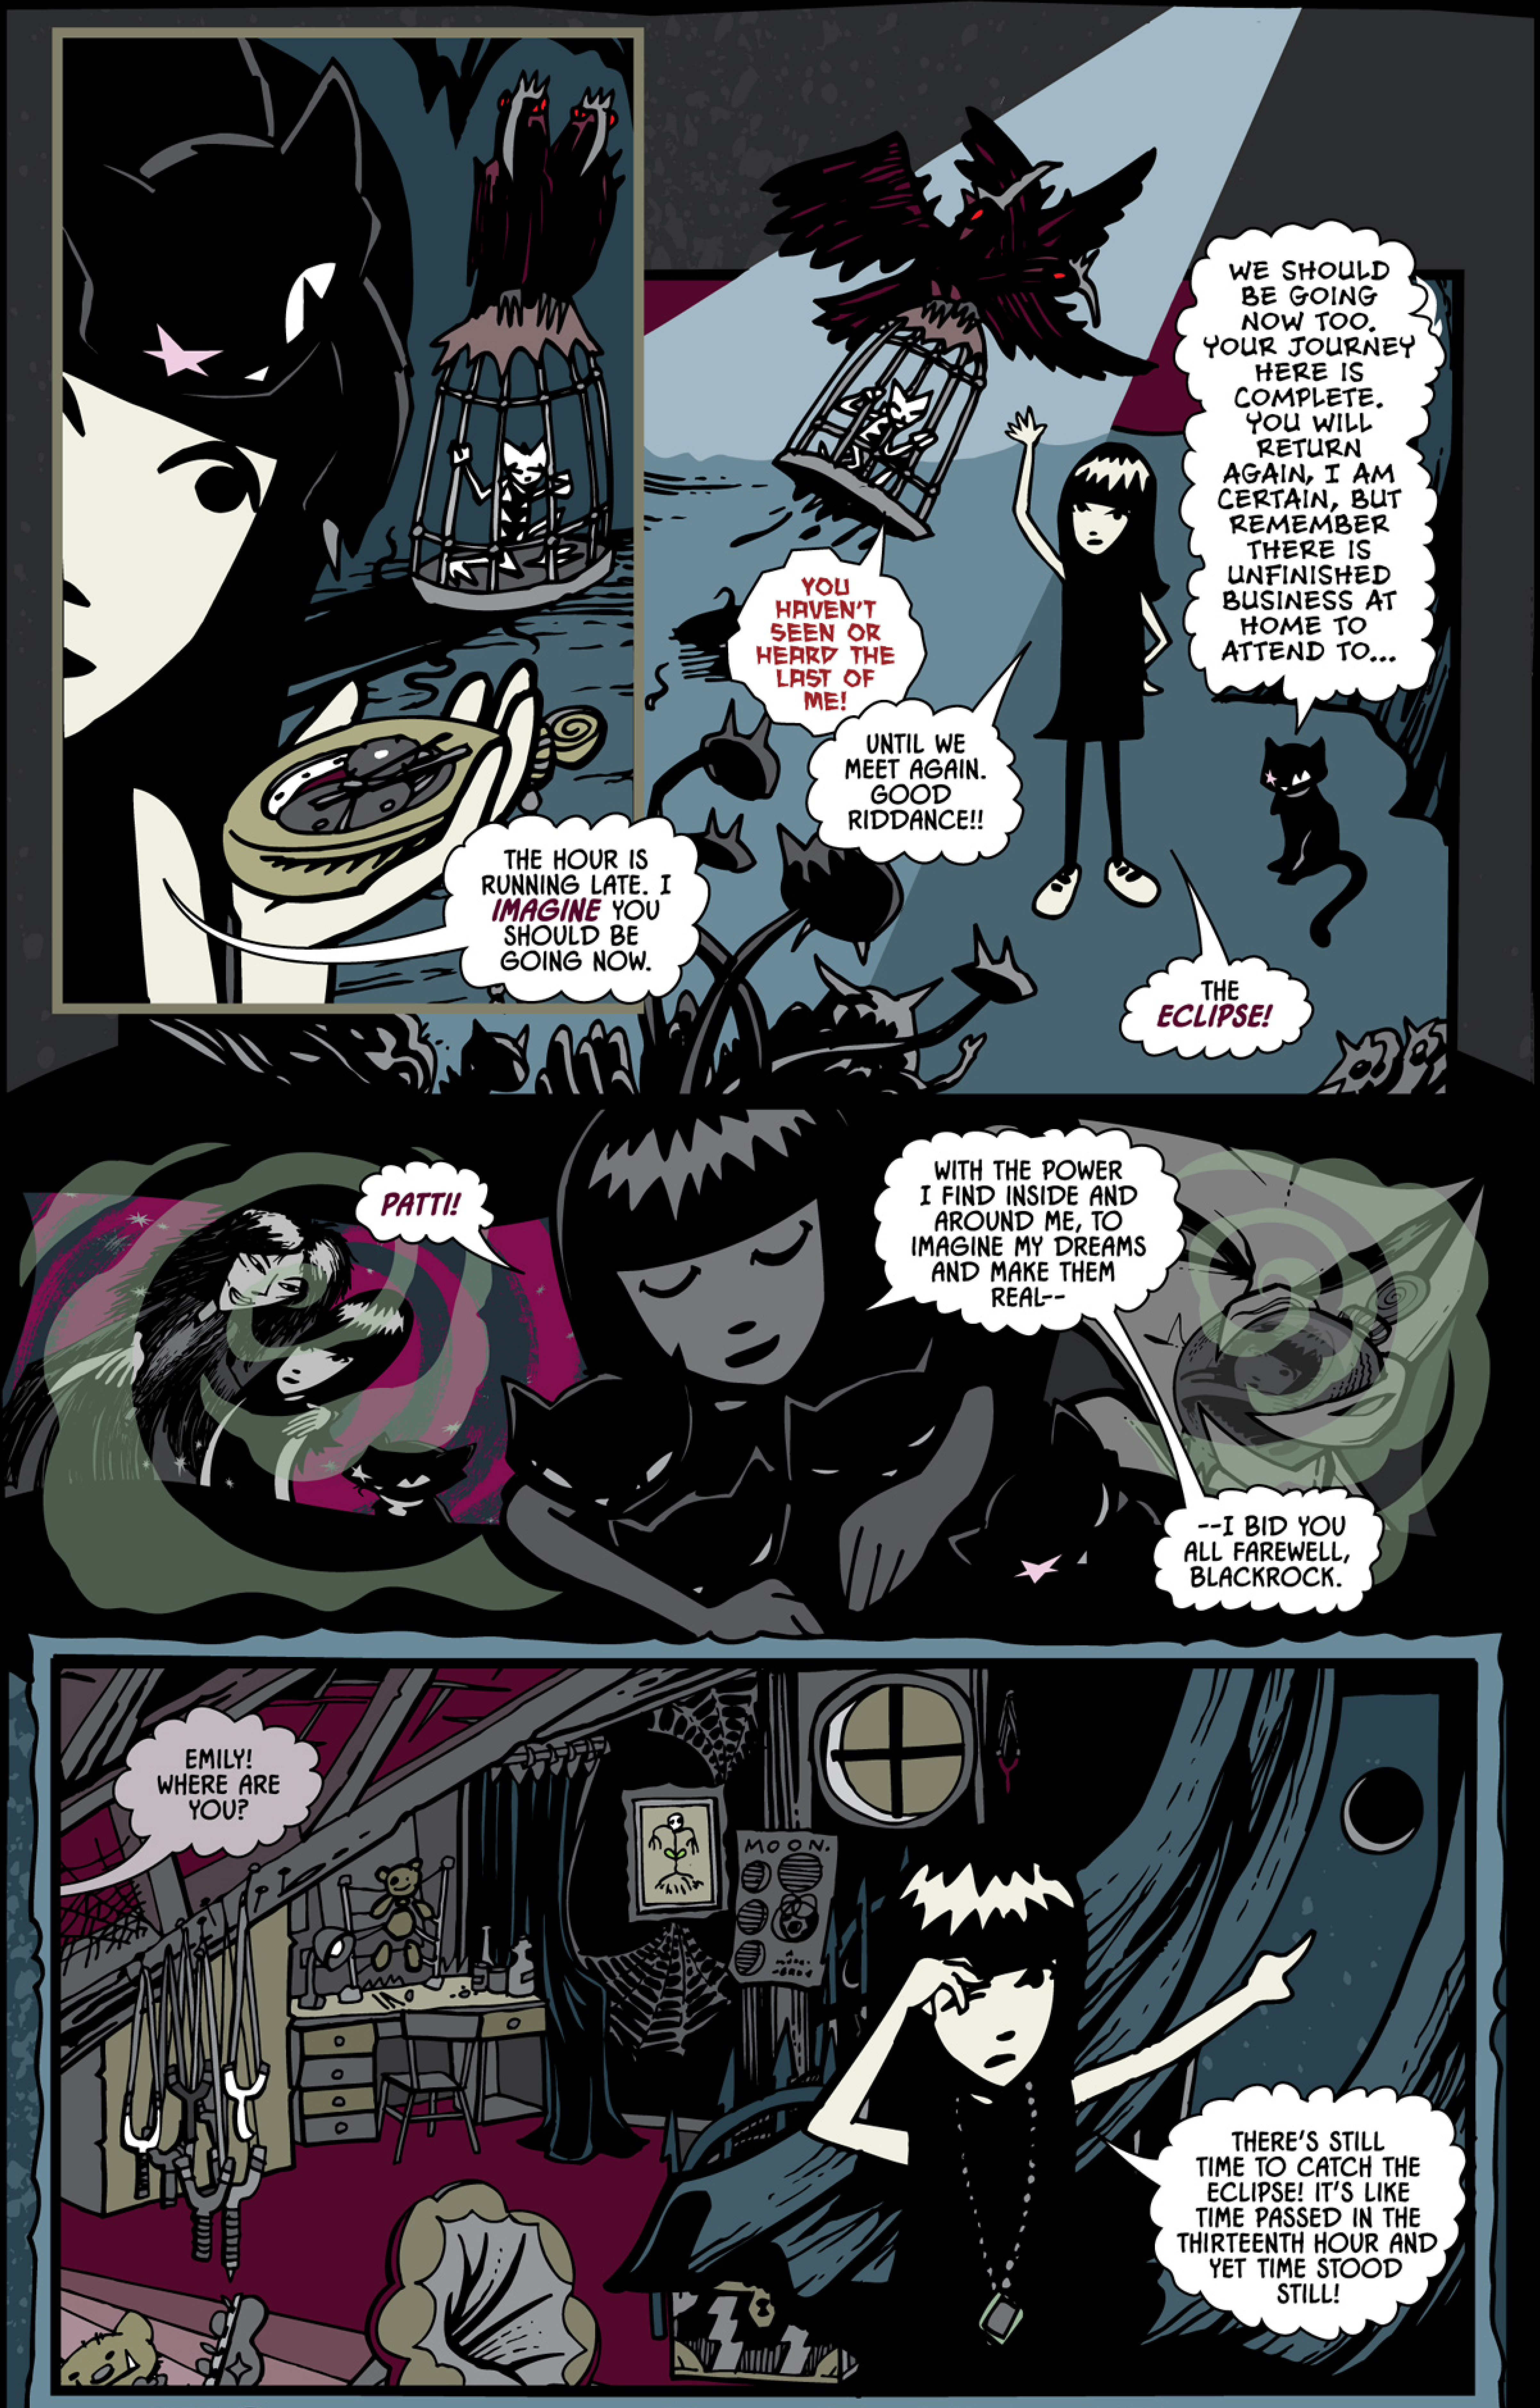
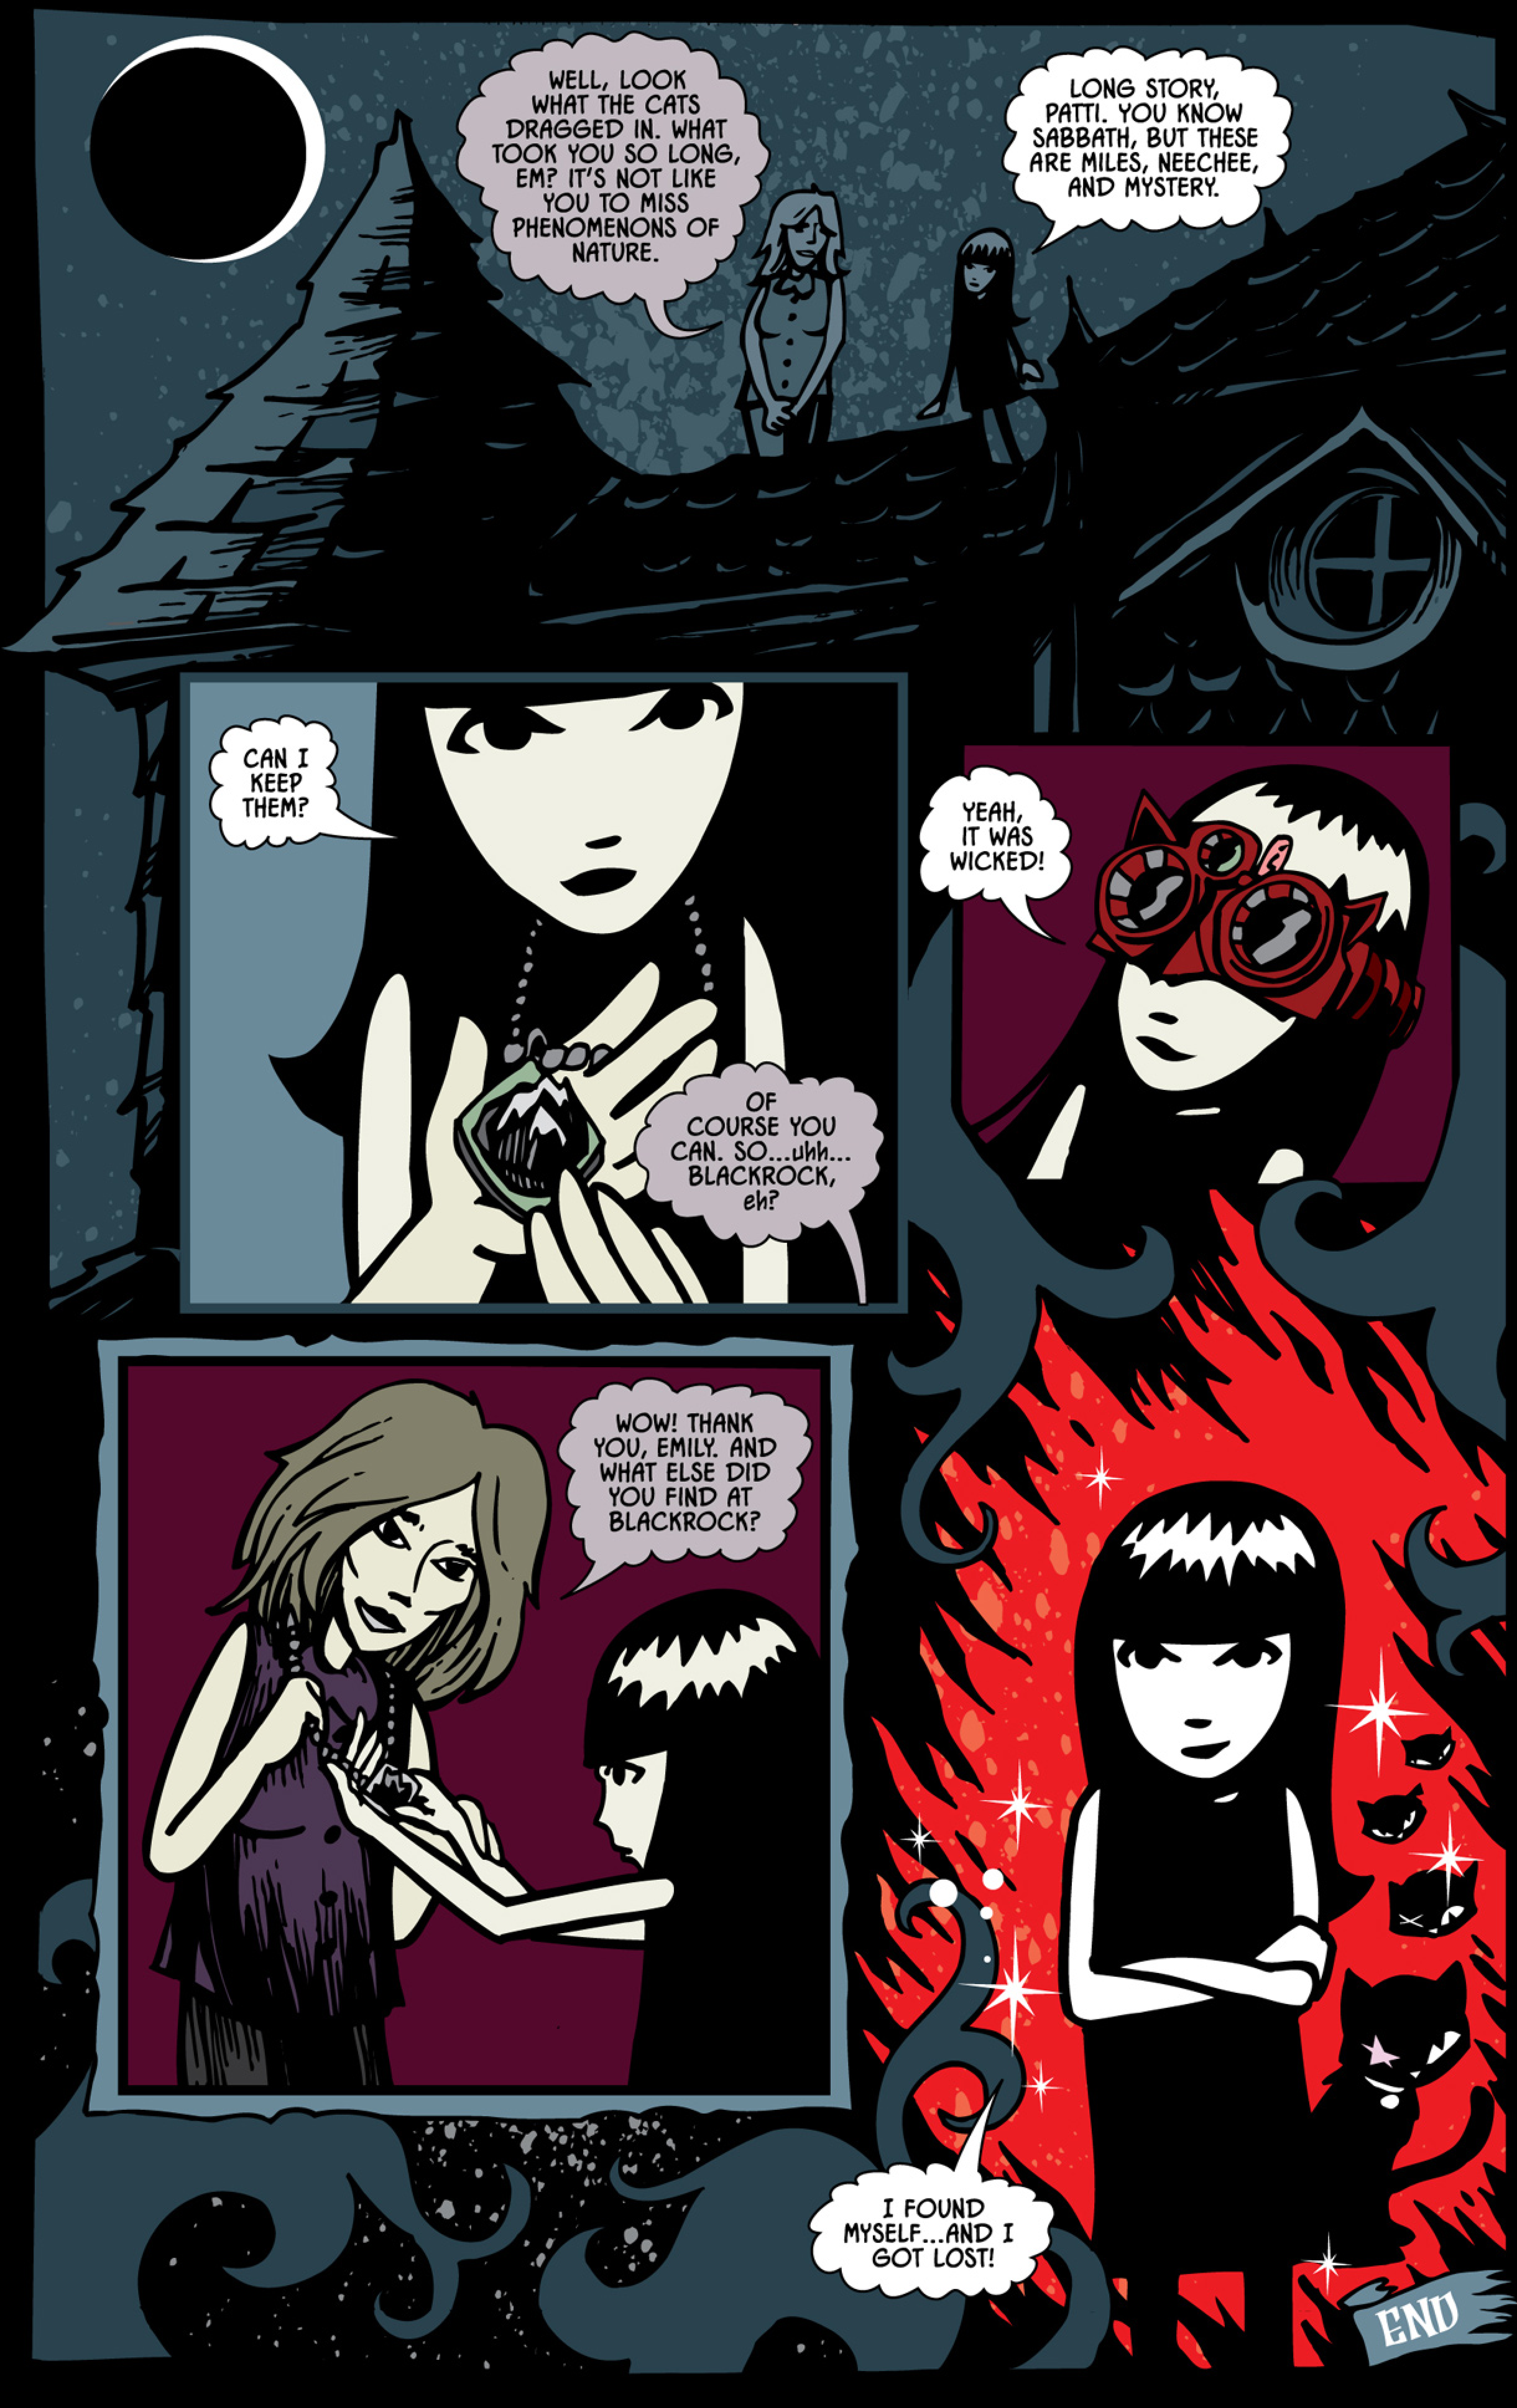
BUT HEY, THANKS FOR COUGHING IT UP ANYWAY!
NOW I'LL PLAY YOU MY REAL SONG.
THIS SONG IS CALLED, "ALL STRANGE BEASTS FROM THE PAST."
WELCOME BACK, FRIENDS. TAKE OVER YOUR BELOVED BLACKROCK AGAIN.
VIEGO WILL NOT BOTHER YOU EVER AGAIN. HE IS ALL MINE TO DEAL WITH NOW.



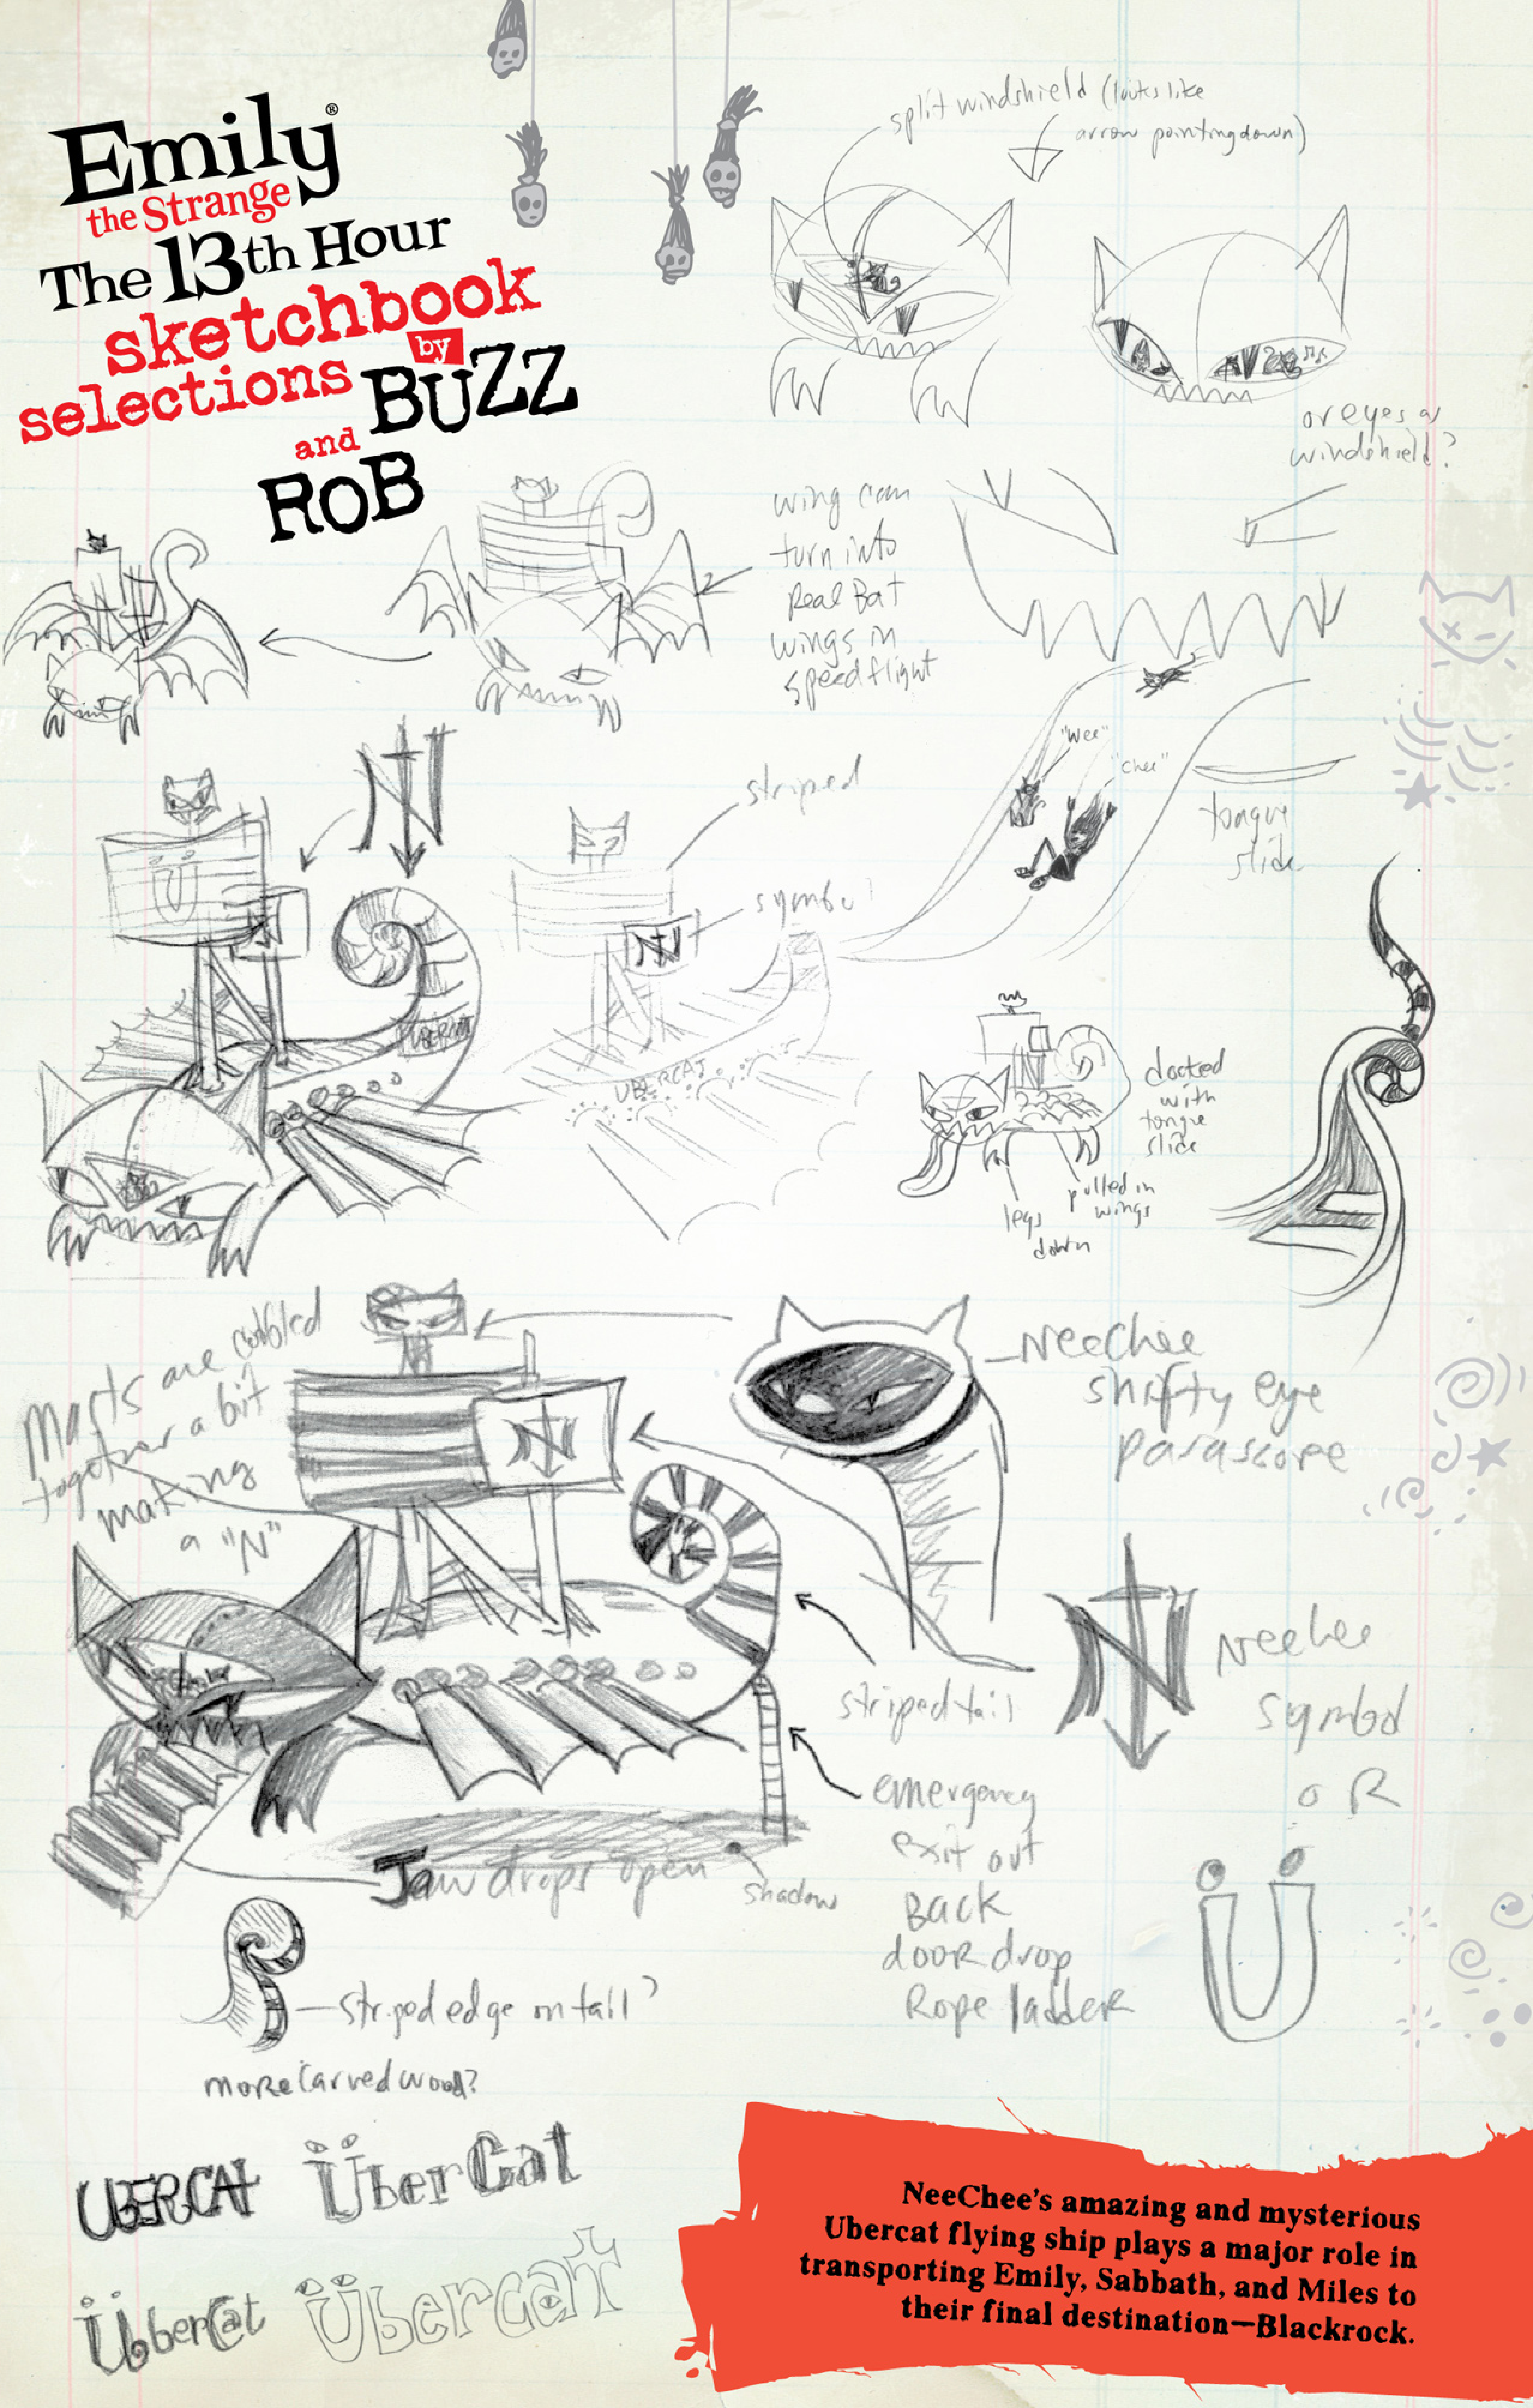
THE HOUR IS RUNNING LATE. I IMAGINE YOU SHOULD BE GOING NOW.
YOU HAVEN'T SEEN OR HEARD THE LAST OF ME!
UNTIL WE MEET AGAIN. GOOD RIDDANCE!!
WE SHOULD BE GOING NOW TOO. YOUR JOURNEY HERE IS COMPLETE. YOU WILL RETURN AGAIN, I AM CERTAIN, BUT REMEMBER THERE IS UNFINISHED BUSINESS AT HOME TO ATTEND TO...
THE ECLIPSE!
PATTI!
WITH THE POWER I FIND INSIDE AND AROUND ME, TO IMAGINE MY DREAMS AND MAKE THEM REAL--
--I BID YOU ALL FAREWELL, BLACKROCK.
EMILY! WHERE ARE YOU?
MOON.
THERE'S STILL TIME TO CATCH THE ECLIPSE! IT'S LIKE TIME PASSED IN THE THIRTEENTH HOUR AND YET TIME STOOD STILL!



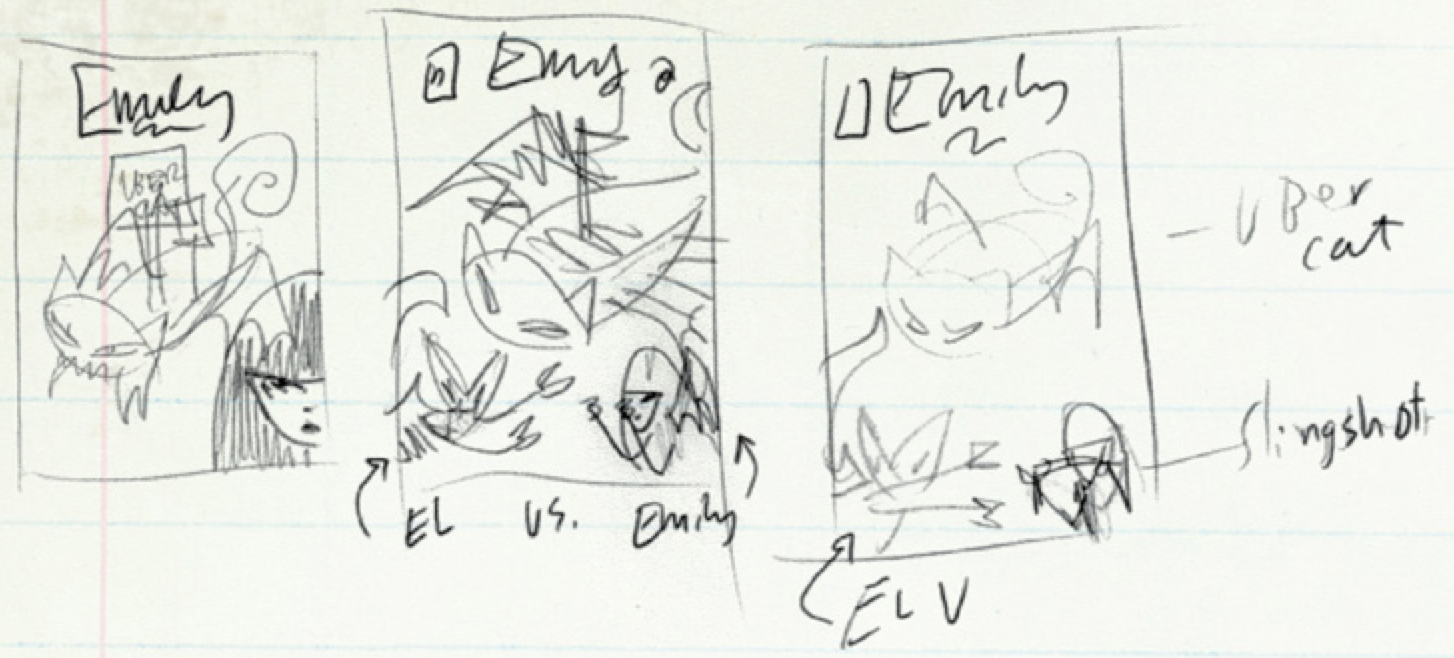
WELL, LOOK WHAT THE CATS DRAGGED IN. WHAT TOOK YOU SO LONG, EM? IT'S NOT LIKE YOU TO MISS PHENOMENONS OF NATURE.
LONG STORY, PATTI. YOU KNOW SABBATH, BUT THESE ARE MILES, NEECHEE, AND MYSTERY.
CAN I KEEP THEM?
OF COURSE YOU CAN. SO...uhh... BLACKROCK, eh?
YEAH, IT WAS WICKED!
WOW! THANK YOU, EMILY. AND WHAT ELSE DID YOU FIND AT BLACKROCK?
I FOUND MYSELF...AND I GOT LOST!
END

Emily® the Strange The 13th Hour

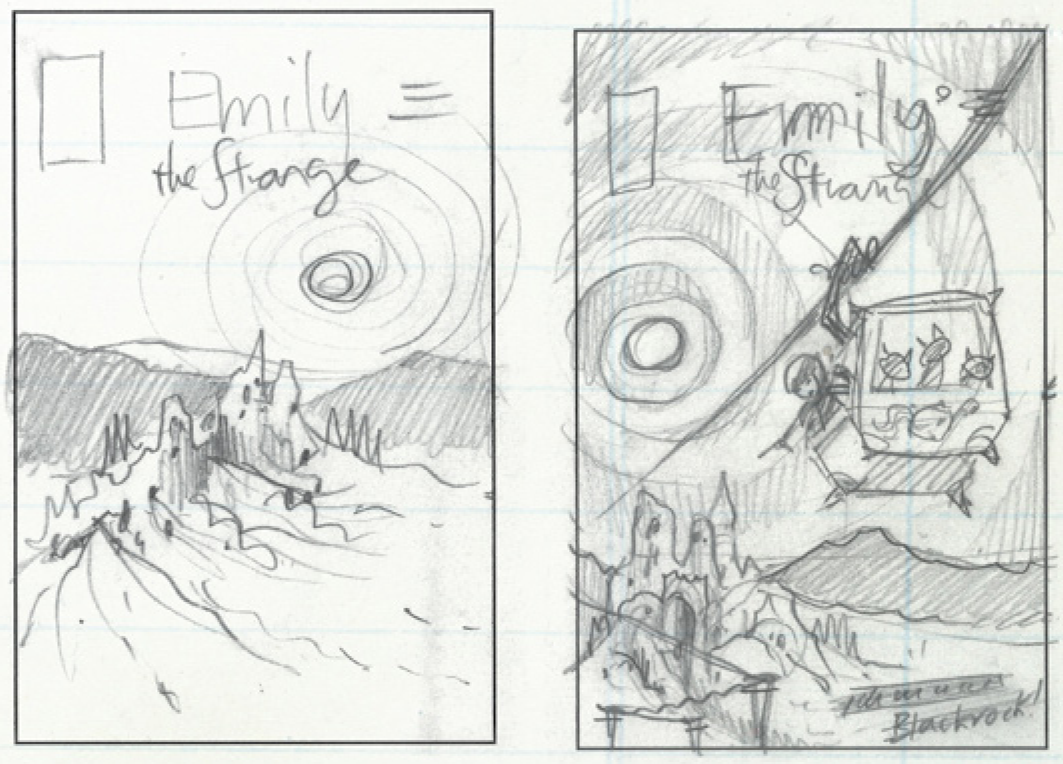
sketchbook selections by BUZZ and ROB

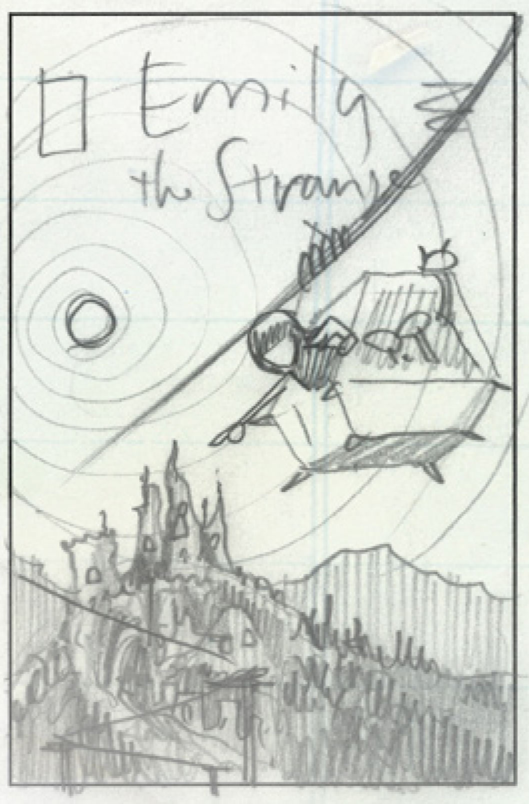


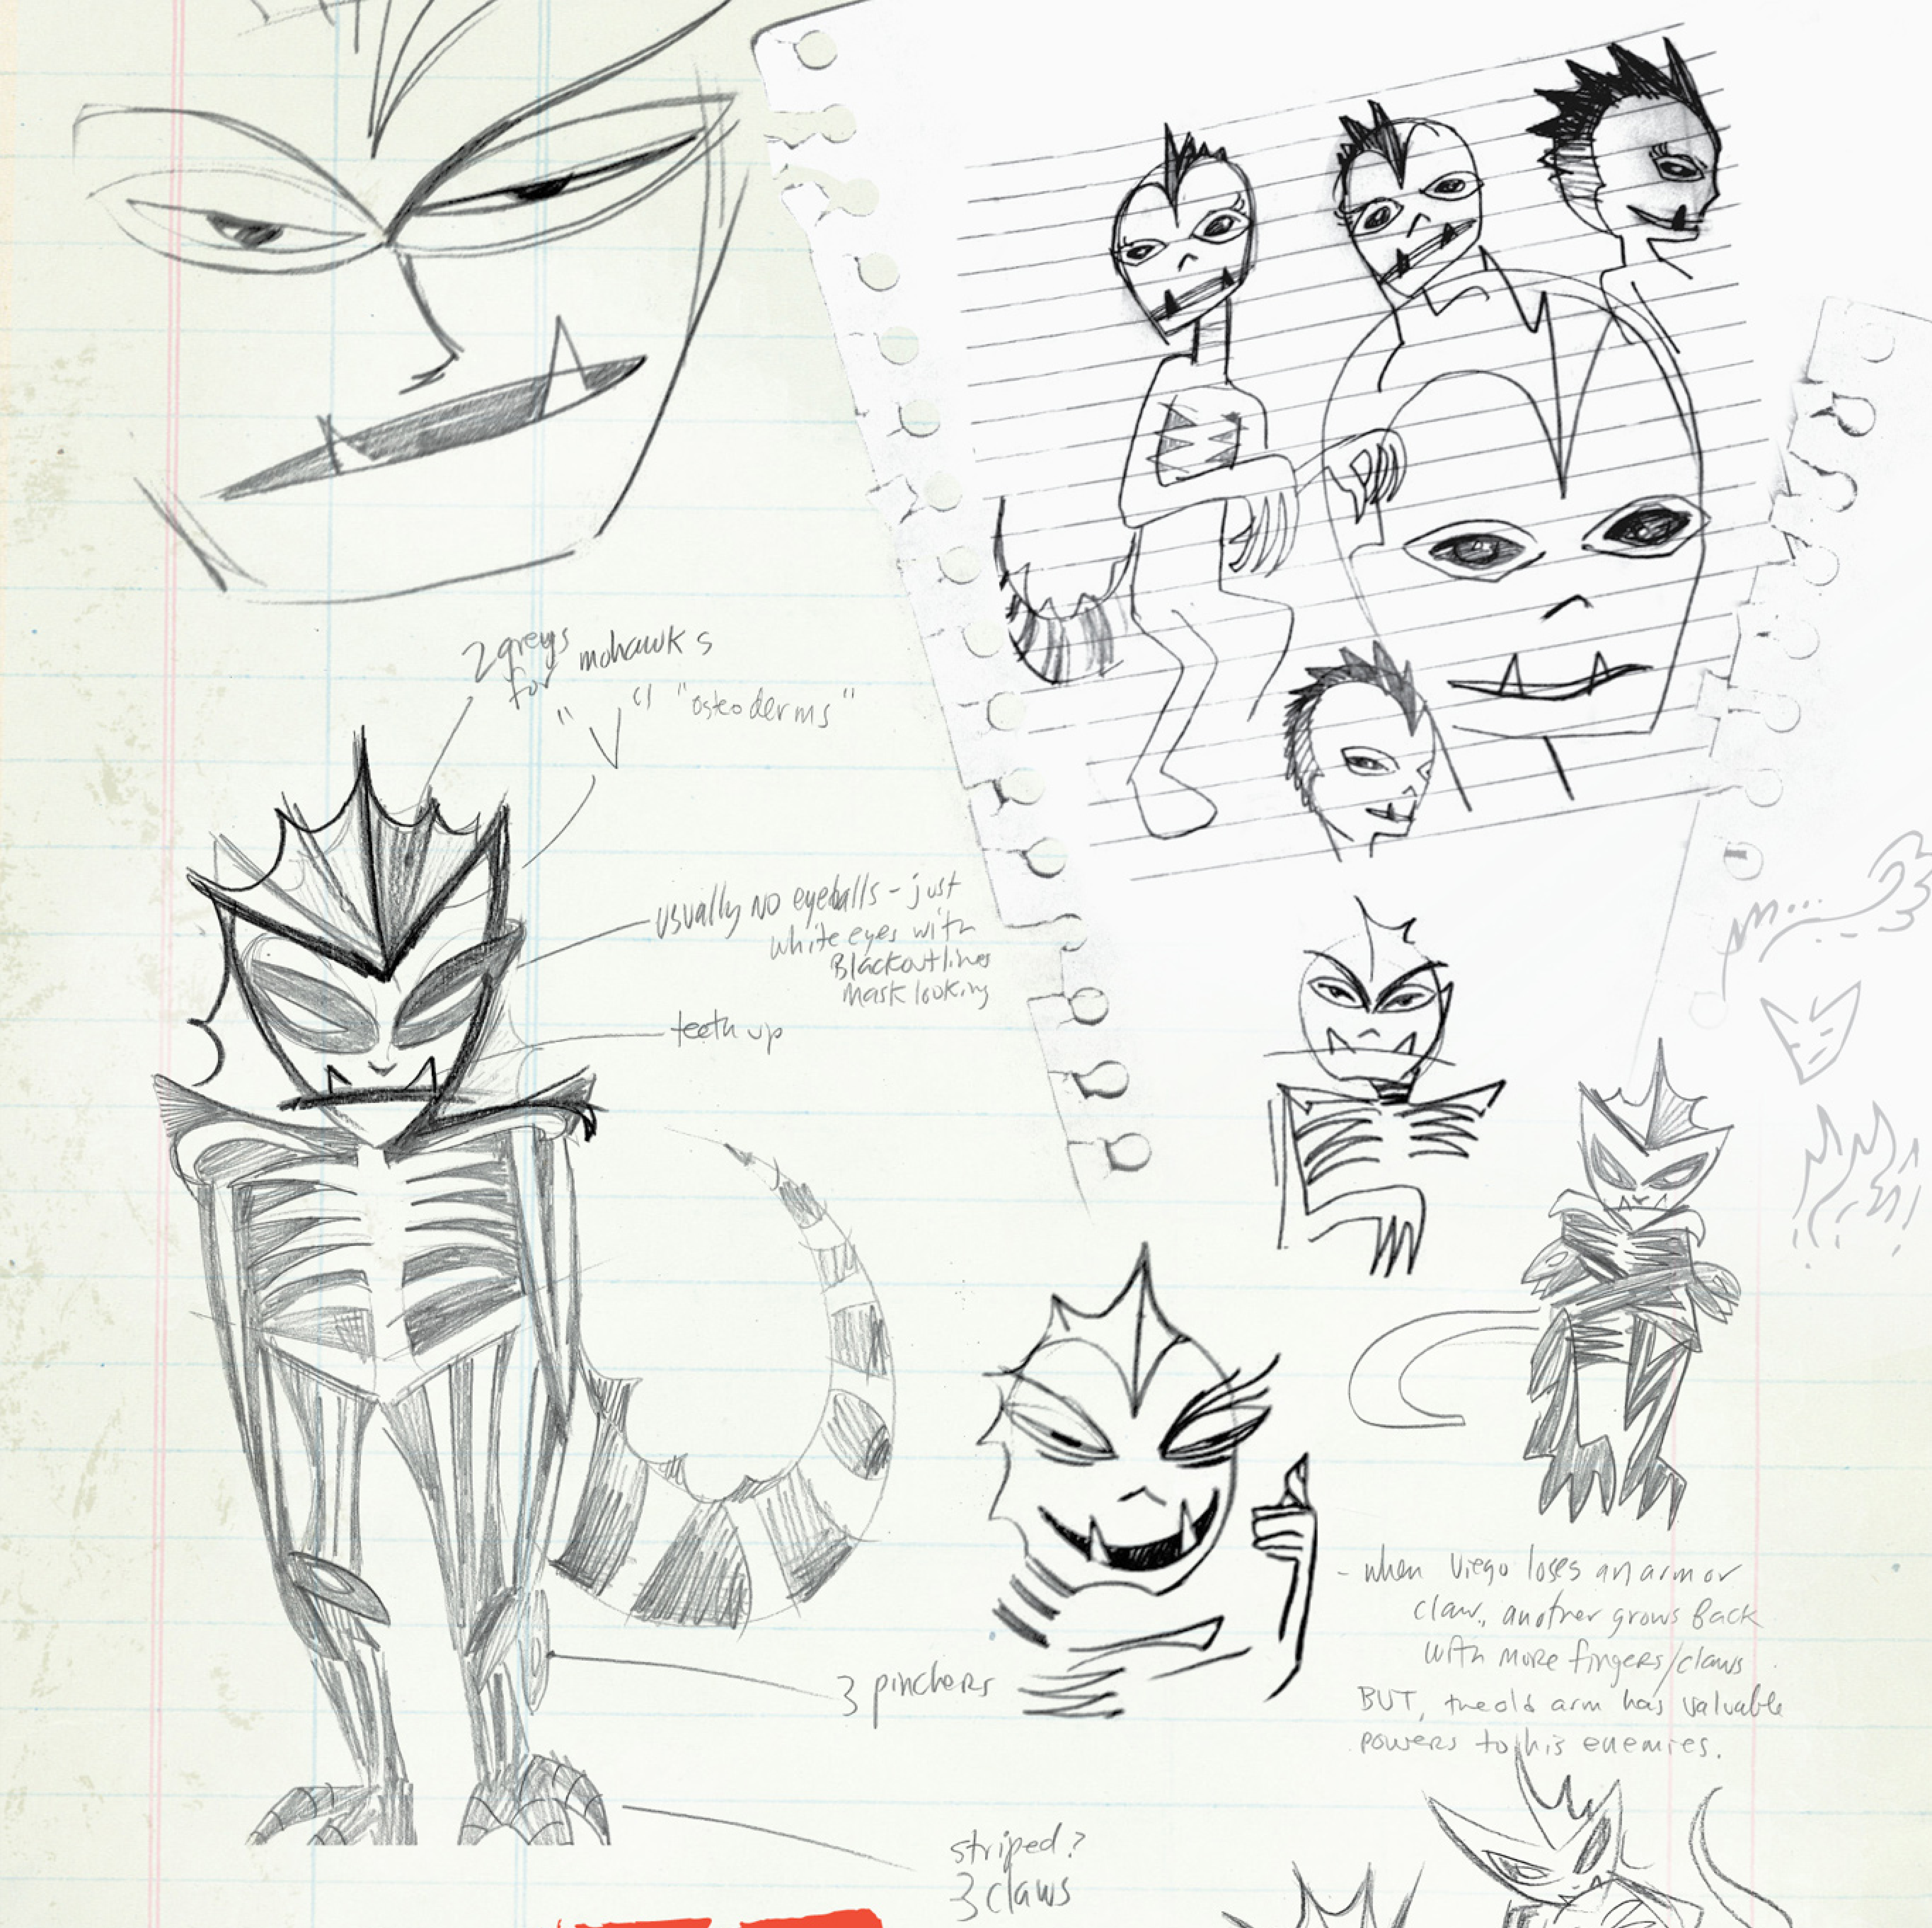
NeeChee's amazing and mysterious Ubercat flying ship plays a major role in transporting Emily, Sabbath, and Miles to their final destination—Blackrock.



Designing the covers for each issue is really fun and a lot of work. We have to make sure we're giving the readers an accurate idea of what is in each issue without giving too much away, so Rob and Buzz will often do multiple sketches building off each other's ideas for each cover until we find the perfect image.







El Viego was a challenge to design because his character is both human and monster, which readers finally learned in issue 4 of this series. The name "El Viego" was derived from mixing up the letters in his human name—"Oglevie."
